

This form is to be used to report on committee meetings by MSc students who wish to transfer to the PhD program. The student is expected to arrange a committee meeting in which they present a general picture of:

- 1) Their progress so far in the MSc,
2) Their reasons (intellectual and personal) for wanting to roll up, and
3) Their new proposed timeline for the PhD.

Please fill in relevant parts of this form prior to the meeting.

Name: _____ Date: _____

Proposed Title of Thesis: _____

Stream Designation:

- Ecology & Evolution o Cell & Molecular Biology o Physiology & Biochemistry o

Date entered MSc:

Expected date of PhD completion:

Coursework completed (to be completed by student prior to meeting):

Table with 3 columns: Course Title, Term, Grade. Contains 3 empty rows for data entry.

Progress thus far (committee to check all that apply):

- O Progress Satisfactory O Progress Unsatisfactory
O Evidence of manuscript from MSc work
O Evidence of conference presentations from MSc work

Proposed PhD project (committee to check all that apply):

- O Sufficient scope for PhD O Insufficient scope for PhD
O Satisfactory timeline for PhD O Inappropriate or unrealistic timeline for PhD
O Sufficiently connected to MSc O Connection to MSc work unclear

Comments/Remarks: (Continue on reverse if necessary.)
