CLINICAL ACADEMIC POSITION

SURGICAL PATHOLOGIST / CYTOPATHOLOGIST

The Department of Pathology and Laboratory Medicine in the Schulich School of Medicine & Dentistry at Western University, London Health Sciences Centre, and St. Joseph's Health Care London, is seeking a Pathologist for a full-time clinical academic appointment.

Position Profile: The ideal candidate will have clinical expertise in one of the following subspecialties: cytopathology, head and neck pathology and dermatopathology; other subspecialties are not excluded. Fellowship training is considered an asset. Additional clinical duties will include participation in intraoperative consultations (excluding neuropathology) and after-hours call. Autopsy work is not part of this role. The position entails teaching and supervision of undergraduate students, residents, and clinical fellows. Academic activities of the position will be tailored according to the candidate's career goals with emphasis on education, research or quality initiatives. The successful candidate will have a full-time, limited-term clinical academic appointment at the rank of Assistant or Associate Professor or a continuing appointment as Associate or Full Professor, depending upon experience and qualifications at the time of appointment.

Qualifications: Candidates must hold an MD or equivalent and be eligible for medical licensure with the College of Physicians and Surgeons of Ontario and must have certification in Anatomical, Clinical or General Pathology.

The Department and Hospital: The Department is a leader in diagnostic pathology in Canada and fulfills the academic mandate of London Health Sciences Centre as a research-intensive acute care tertiary and quaternary teaching hospital. The Division of Pathology is fully subspecialized with an annual workload of approximately 63,000 surgical specimens, 15,000 cytology specimens and 1,000 autopsies. The Department has a long history of collegiality and teamwork. With a record of excellence in many areas of diagnostic service, teaching and research, it represents an environment conducive to career and personal development.

The University and City: The Schulich School of Medicine & Dentistry at Western University is one of Canada's preeminent medical and dental schools and has demonstrated a commitment to academic excellence and a passion for scientific discovery for over 130 years. London has a metropolitan census of 530,000 and boasts an extensive educational and health care community including three teaching hospitals. Western's Recruitment and Retention Office is available to assist in the transition of successful applicants and their families to the university and city. London is a safe and affordable place to live and raise a family. Numerous cultural events take place throughout the year and on weekends, escape from the city is easy: farmer's markets, nature conservation areas and two gorgeous coasts await.

Compensation: Compensation for this position will be primarily composed of hospital funding aligned with the Ontario MOH Laboratory Medicine Funding Framework Agreement.

Application: Interested candidates should send

- (1) a letter of interest,
- (2) curriculum vitae,
- (3) names and email addresses of three references,
- (4) completed and signed [Application for Full-Time Clinical Academic Position Form](#) to:

Dr. David Driman, Chair/Department Head
Department of Pathology and Laboratory Medicine
Schulich School of Medicine & Dentistry, Western University
London Health Sciences Centre
admin.pathology@schulich.uwo.ca

Candidates may also submit a statement of intent as it relates to integrating the principles of Equity, Diversity, Inclusion and De-Colonization in their teaching, research and professional practice activities.

Applications will be accepted until the position is filled. Expected start date is mid-late 2025 or as negotiated. Review of applications will begin after May 1, 2025.

Positions are subject to budget approval. Applicants should have fluent written and oral communication skills in English. The University invites applications from all qualified individuals. Western is committed to employment equity and diversity in the workplace and welcomes applications from women, members of racialized groups, Indigenous peoples, persons with disabilities, persons of any sexual orientation, and persons of any gender identity or gender expression.

In accordance with Canadian immigration requirements, priority will be given to Canadian citizens and permanent residents.

Accommodations are available for applicants with disabilities throughout the recruitment process; if you require accommodation, please contact admin.pathology@schulich.uwo.ca.
