**Department of Surgery, Division of Orthopaedic Surgery**  
**Western University**  
**St. Joseph's Health Care London, London Health Sciences Centre**

**Posting Date:** May 28, 2025

**Position Profile:** A Full-time Limited Term Clinical Academic appointment at the rank of Assistant Professor or Associate Professor, or a Continuing Clinical Academic appointment at the rank of Associate Professor or Full Professor, depending upon experience and qualifications at the time of appointment. The Division of Orthopaedic Surgery is affiliated with London Health Sciences Centre and St. Joseph's Health Care London. This position is based at the Roth|McFarlane Hand & Upper Limb Centre which is Canada's largest upper extremity centre comprised of a multi-disciplinary group of 11 Plastic and Orthopedic Surgeons. The Division has a strong clinical and basic science research interest and is an accredited Royal College training program.

**Academic and Clinical Expectations:** The successful candidate must have interest and clinical expertise in hand and wrist surgery and will act as a member of both the Roth|McFarlane Hand & Upper Limb Centre and the Division of Orthopaedic Surgery. The successful candidate must be interested in pursuing a strong academic career and have a proven track record of productivity consistent with their level of training and years of experience. The candidate will be expected to participate actively in the Division's academic, research and education initiatives including teaching and supervision of undergraduate students, postgraduate students and clinical fellows. Applicants considered at the rank of Associate or Full Professor must have demonstrated the ability to publish in the highest quality academic and subspecialty outlets and be a recognized expert in their field of research. A track record and ability to clinical outcomes research is required as the successful candidate will be expected to be the clinician lead for the Roth|McFarlane Clinical Outcomes Laboratory.

**Qualifications:** The successful candidate must have an MD or equivalent; have completed an accredited orthopaedic surgery training program; have advanced fellowship training in hand and wrist surgery; have a strong research interest and/or an advanced degree; and be eligible for licensure in the Province of Ontario.

**Compensation Details:** Compensation for this position will be commensurate with qualifications and experience and will be primarily composed of the following sources: Fee for service (OHIP billings), Alternative Funding Plan, academic salary, workers safety insurance board and on-call reimbursement.

**The City:** London, Ontario. London is Canada's 10<sup>th</sup> largest city with a population of 450,000, a catchment area of 2 million, and is situated in southwestern Ontario midway between Toronto and Detroit. The region has a diverse economy and excellent educational opportunities. It is a safe and diverse city and its numerous parks, trails, recreational, cultural and sporting opportunities make it an attractive place to live.

**The University:** Western University is a research-intensive university with full-time enrolment of 34,000 students with a full range of academic and professional programs. The Schulich School of Medicine & Dentistry provides an outstanding educational experience within a research intensive environment where tomorrow's physicians, dentists and health researchers learn to be socially responsible leaders in the advancement of human health.
