ACADEMIC FRAUD AND MISCONDUCT ([back](#))

1. The Employer and the Association and its Members acknowledge that the University is subject to the application of the *Tri-Agency Framework: Responsible Conduct of Research*, as amended, and various agreements/sub-agreements with other research funders. Without derogating from the principle of institutional responsibility, the Association and its Members shall take all proper and reasonable steps to meet obligations under these agreements.
 - 1.1 The Employer shall strive to provide an environment that supports the best research and that fosters researchers' abilities to act honestly, accountably, openly and fairly in the search for, and dissemination of, knowledge by: establishing, publicizing and applying a Research conduct policy and procedures; reporting to the Tri-Agency Secretariat on Responsible Conduct of Research; and by promoting education on, and awareness of, the responsible conduct of Research; all in compliance with the *Tri-Agency Framework: Responsible Conduct of Research*.

 - 2.1 In the case of conflict between the provisions of MAPP 7.0, and any other provisions of this Collective Agreement, such other provisions of this Collective Agreement shall prevail. In the case of conflict between the provisions of MAPP 7.0 and/or this Collective Agreement and any relevant legislation, the provisions of the legislation shall prevail.
 - 2.2 Should the Employer make changes to MAPP 7.0, or introduce a successor policy, it shall advise Joint Committee. Where the parties agree to do so, the changes or successor policy shall be incorporated into this Collective Agreement.
3. Honest error, conflicting data, differences in the interpretation or assessment of data or of experimental design or practice do not constitute fraud or misconduct unless there has been intent to mislead. Any finding of fraud or misconduct in Research (as defined in the Article *Academic Responsibilities of Members*) by the University shall require clear, cogent and convincing proof of actual dishonest purpose and intent or reckless disregard for the likelihood to mislead.
4. Examples of Research misconduct are described in section 3 of the University Policy *Academic Integrity in Research Activities*, MAPP 7.0.

Retention of Research and Scholarly Materials

5. Members shall be responsible for providing the Employer access to their Research and scholarly activity materials in electronic or some other format for seven years from publication or release to the public of the Research results. This Clause shall not apply where destruction of original Research materials or data before the expiration of a seven-year period is a legitimate pre-condition for conducting the Research; where such destruction of original materials is required, the Member shall provide access to secondary materials in which observations of the original data have been recorded.

Procedures

6. Everyone in the University community plays an important role in the process for addressing allegations of Research misconduct and in helping to ensure that allegations are addressed appropriately and in a timely manner. The procedures to be followed by any person making or involved in an allegation are described in sections 4, 5 and 6 of the University policy on *Academic Integrity in Research Activities*, MAPP 7.0.
- 6.1 Where an Investigation Panel is required under the University policy on *Academic Integrity in Research Activities*, MAPP 7.0, in respect of a faculty Member Respondent, the Panel shall consist of:

 - b) the Dean or designate from the respective Faculty or School of the Respondent;
 - c) two faculty members, Librarians or Archivists from Units outside of the Unit of the Respondent, at least one of whom shall be a faculty Member and at least one of whom is outside the Faculty of the Respondent;

Emeritus faculty, Librarians and Archivists are eligible to serve on the Panel.
 - e) If additional expertise in the discipline is required on the Investigation Panel the Vice-President (Research) or designate may appoint up to two additional members from within or outside the University.

- 6.1.1 Should any investigator or Investigation Panel member have a conflict of interest in the matter, they shall declare it and shall withdraw from the Investigation. In such a case, the Vice-President (Research) shall appoint a replacement.
7. Allegations shall be made in accordance with the provisions of sections 4 and 5 of the University policy on *Academic Integrity in Research Activities, MAPP 7.0*.

 - b) protect the rights, position and reputation of a Member who in good faith makes an allegation of fraud or misconduct in Research, or whom it calls as a witness in an investigation. Such protection shall include the provision of the University's legal counsel should the Member be sued as a result of making an allegation or participating as a witness in an investigation or proceedings related to an allegation, provided that the Member is at all times acting in good faith;
 - c) minimize disruption to the Research of the Member making the allegation and of any third Party whose Research may be affected by the securing of evidence relevant to the allegation during the course of the investigation; and
 - d) ensure that any substantial disruption to Teaching, Research and Service resulting from allegations of fraud or misconduct does not adversely affect future decisions concerning the careers of those referred to in a) and c) above.
11. The Employer shall, where practicable, take such disciplinary action as it deems appropriate against any person who makes allegations of fraud or misconduct in Research which are reckless, malicious or not in good faith.

ACADEMIC FREEDOM ([back](#))

1. The essential functions of a university are the pursuit, creation, and dissemination of knowledge through Research and other scholarly and creative activities, and by Teaching. Academic Freedom is essential to these functions and ensures the right of Members to teach, investigate, and speculate, and/or to create or perform works of art, without deference to prescribed doctrine. Furthermore, universities are communities in which the right to criticize all aspects of society is valued and respected. These rights are to be understood as central to the protection of the public interest and the pursuit of truth.
2. Academic Freedom specifically entails, but is not necessarily limited to, the right to:
 - a) conduct Research and to publish the results thereof in media, and according to a schedule, deemed appropriate by the Member(s) concerned, subject to the provisions of any contract with a third party that imposes a delay on the publication of the Member's Research. Any contractual arrangement concerning Research shall comply with standards of research conduct that membership in a professional body may impose on that Member, with the Articles *Intellectual Property* and *Academic Responsibilities of Members*, with relevant federal and provincial statutes, and with regulations and policies promulgated by Senate or the Board of Governors which are not in conflict with this Collective Agreement, for the protection of researchers, human subjects, the health and safety of the public, and the welfare of laboratory animals;
 - b) teach and discuss;
 - c) select, acquire, disseminate, or critique documents or other materials in the exercise of the Member's Academic Responsibilities;
 - d) criticize the Employer, the Association or any corporate, political, public or private institution; and
 - e) create, exhibit, perform or adjudicate works of art;all without deference to prescribed doctrine.
3. The Employer and the Association agree to uphold and protect the principles of Academic Freedom as specified herein and not to infringe upon or abridge them.
4. The exercise of Academic Freedom, as described in this Article, shall not cause the imposition of any penalty or reprisal on a Member by the Employer or the Association. Neither shall the Employer or the Association countenance the restraint of Academic Freedom or the imposition, arising from its exercise, of any

Academic Freedom

penalties or reprisals upon Members by any person, institution, agency or corporation with whom the Employer or the Association does business, or by any donor to the University or the Association, or from any source within the University.

5. The credibility of the principles of Academic Freedom depends upon a collective commitment to exercise these principles in a manner consistent with the scholarly obligation to base Research and Teaching on an honest and ethical search for knowledge.
6. Academic Freedom does not require neutrality on the part of a Member nor does it preclude commitment on the part of a Member. Rather, Academic Freedom makes such commitment possible. Academic Freedom also carries the responsibility to respect the rights and freedoms of others. In particular, Members are expected to recognize the right of other members of the academic community—faculty, staff, and students—to express their opinions. Academic Freedom does not confer legal immunity or legal defence by the Employer in respect of positions that may be taken but which are not specifically sanctioned by the Employer, nor does it diminish the obligation of Members to meet their responsibilities to the Employer.
7. Members shall not purport to speak on behalf of the Employer or the Association unless specifically authorized to do so. A statement of affiliation with, or position in the University, or of qualifications relevant thereto, shall not be construed as an attempt to speak on behalf of the Employer. A statement of Membership or position in the Association shall not be construed as an attempt to speak on behalf of the Association.
8. The Parties endorse and subscribe to the statement defining Academic Freedom in the context of libraries and expressing the responsibility of libraries to uphold Academic Freedom, given originally as the Canadian Library Association's *Statement on Intellectual Freedom* (see Appendix B).

ACADEMIC RESPONSIBILITIES OF MEMBERS ([back](#))

1. The essential functions of a university are the pursuit, creation, and dissemination of knowledge through Research and other scholarly and creative activities, and through Teaching. The Academic Responsibilities of Members arise from these functions, and involve some or all of the following:

Teaching

2. For the purposes of this Collective Agreement, Teaching involves some or all of:
 - a) participation in the design of the pedagogical courses and programs of the University, regardless of the medium of delivery to students;
 - b) performance of assigned teaching duties, including the development and delivery of online instruction, the supervision of students in clinical courses, and any other obligations related to the pedagogical programs of the University;
 - c) assessment of the academic work of students;
 - d) being available to students for consultations and academic counselling;
 - e) being available as a supervisor or academic advisor to students who are engaged in research and in the preparation and defence of theses or project reports;
 - f) supervision of graduate teaching assistants;all in the Member's area of academic expertise.

Research, Scholarship and Creative Activity

3. For the purposes of this Collective Agreement, Research, Scholarship, and Creative Activity, hereinafter for the sake of brevity referred to as "Research," involves some or all of:
 - a) the creation of new knowledge, including understanding or concepts;
 - b) the creative application of existing knowledge;

- c) the organization and synthesis of existing knowledge;
- d) creative expression;

all in whatever media are appropriate to the Member's area of academic expertise.

4. While research, scholarly or creative activity directly related to the immediate and normal preparation for scheduled teaching is encouraged and usually necessary, it shall not normally be credited to the Research category. However, where a Member's research, scholarly or creative activity is judged by peer review to represent an academic advance or a development of clinical or instructional materials or methods of an innovative sort, with application wider than the Member's own pedagogical courses, then such work may be counted either as Teaching or as Research, but not both.
5. A Member's Academic Responsibilities in the area of Research include:
 - a) an obligation to disseminate the outcome of Research activities. It is the responsibility of Members to make the results of their Research in their discipline available for independent review and assessment in a form in which it can be evaluated by members of the discipline. This normally entails invited or refereed journal publication, invited or refereed papers or conference presentations, invited or reviewed performance or exhibition, published monographs, or other vehicles or media, as are appropriate to the Member's discipline or area of academic expertise;
 - b) the active search for external funding to support the Member's Research, where appropriate to the discipline;
 - c) an obligation to ensure that the dissemination of the results of contract research is not delayed unless written approval has been obtained from the Employer. However, such approval may not lead to indefinite delay in dissemination of the results. Contract research activity shall not be recognized as Research for the purposes of this Collective Agreement until the results of the work have been disseminated;
 - d) adherence to the ethical standards of the Member's academic discipline(s), where applicable, and to the legal requirements of any governmental authority with jurisdiction to regulate the conduct of such activity;

Academic Responsibilities of Members

- e) an obligation to ensure that, in the dissemination of Research, the Member's affiliation with The University of Western Ontario is properly acknowledged, and that significant contributions of others to the Research are also properly acknowledged; and
- f) an obligation to act in good faith and in accordance with the law, with University policy and guidelines in effect on July 1, 2014, and with Appendix E of this Collective Agreement regarding employment relationships with graduate research assistants, post-doctoral fellows and other research collaborators.

Service

- 6- Each Full-Time Member shall be entitled and expected to accept an equitable share of administrative responsibilities by participation in the work of the University through membership on, for example, Department, Faculty, Senate, and University committees. Other examples include the Association's Executive, Negotiating, Contract, or Grievance committees. Where participation in such bodies is by election or appointment, a Member shall be elected or appointed only with their consent. Those who have the responsibility to make such appointments shall endeavour to ensure that Service commitments are shared equitably.
- 6.1 Each Part-Time Member is entitled to voluntarily participate in administrative responsibilities related to the work of the University but is not paid to, nor expected to, undertake any such activities as part of their employment at the University. Part-Time Members may refuse to undertake any Service requests without reprisal.
- 7. Members are encouraged to participate in the work of learned societies, academic and professional associations, funding agencies and programs, editorial boards, and academic and professional journals, and to serve as external readers of theses or dissertations from other universities, and to take an active role in the community, provided that these activities are consistent with the essential functions of the University defined in Clause 1 of this Article, and provided such activities do not conflict with the fulfilment of their Academic Responsibilities within the University.

Specification of Academic Responsibilities

8. A Member who holds a Probationary Tenure Track or Tenured Appointment shall have Academic Responsibilities in each of the three areas named in Clauses 2 through 7 of this Article, unless there is between the Member and the Employer a written agreement to a different set of responsibilities. Any such agreement shall be consistent with the provisions of this Collective Agreement, and a copy shall be sent to the Association.
- 8.1 A Member who holds a Probationary or Continuing Appointment on the Teaching Scholar Track shall have teaching as their primary area of Academic Responsibility. They shall have Academic Responsibilities in the areas named in Clauses 2, 6 and 7 above. There will be no requirement to engage in research; however, such teaching faculty are expected to engage in scholarship activities, which broaden the scope of their educational responsibilities, and to share this expertise with their colleagues. Such scholarship activities may include curriculum development and evaluation, mentoring, and research into the efficacy of different pedagogical approaches. The above may be specified by written agreement between the Member and the Employer or such written agreement may specify a different set of responsibilities. Any such agreement shall be consistent with the provisions of this Collective Agreement, and a copy shall be sent to the Association.
- 8.2 A Member who holds an Appointment other than that described in Clauses 8 or 8.1 shall have their Academic Responsibilities specified at the time the Appointment is made. Those responsibilities shall be consistent with the provisions of this Collective Agreement.
- 8.3 Members shall undertake training and development as required by legislation, or as required by the Employer, to inform them of their work-related legal obligations and of their responsibilities under University or Senate policy. Such training and development costs will be borne by the Employer.

Fulfilment of Academic Responsibilities

9. In fulfilling their Academic Responsibilities, Members shall:
 - a) maintain the competence required to engage effectively, and to remain current, in their discipline in each of Teaching and Research, as appropriate to the Member's Academic Responsibilities;

Academic Responsibilities of Members

- b) adhere to Teaching schedules in all but exceptional circumstances and, in case of sudden illness or emergency, make all reasonable effort to notify the Department Chair or Dean, as applicable. In the case of planned absences the Member shall inform the Department Chair or Dean, as applicable, of any necessary cancellation and make mutually acceptable arrangements for dealing with the situation;
- c) endeavour to establish a record of performance reflecting high quality, excellence and high standards in Teaching and Research, as appropriate to the Member's Academic Responsibilities;
- d) adhere to the regulations of Senate. Where there is a conflict between the regulations of Senate and the provisions of this Collective Agreement, the provisions of this Collective Agreement shall apply;
- e) provide supervision of graduate students in accord with the Member's membership in the School of Graduate and Postdoctoral Studies. Members with graduate supervision membership shall, when the students meet the relevant expectations and requirements:
 - i) provide continuous faculty supervision through the duration of their students' studies, including continuous supervision through the Member's sabbatical and/or periods of absence from campus and securing co-supervision if needed or appropriate;
 - ii) provide supervision that adheres to the academic requirements of the program;
 - iii) provide appropriate guidance on the nature of research, research ethics, intellectual property rights, and academic integrity;
 - iv) As appropriate, ensure that sufficient resources are available, including access to facilities and research materials, technical training and financial support;
 - v) contribute to the program's evaluation of their own students' progress as required by the program;
 - vi) assist the student with the selection and planning of a suitable and manageable research program
 - vii) guide the student in learning to work independently and/or as a member of the team, as appropriate to the discipline;
 - viii) set and adhere to reasonable timelines for their own students' academic work, consistent with the program's requirements and timeline to completion;

- ix) in the context of demands placed by other academic responsibilities on the member's time, provide timely feedback on their students' thesis or manuscript drafts, and scholarship applications;
 - x) as far as allowed by the logistics of the research setting, allow and respect students' right to set their own schedule;
 - xi) where appropriate, allow their students to engage in professional development; such as writing courses, teaching training programs, and workshops on research grants and conflict resolution;
 - xii) encourage and assist students in obtaining financial resources to attend and present their work at local, national, and international conferences;
 - xiii) encourage and assist students to publish or disseminate their work in appropriate venues;
 - xiv) inform students when progress is unsatisfactory and advise them on what can be done to improve it;
- f) be accessible to students for consultations, which includes regular accessibility on Campus during suitable, scheduled and publicized times; and
- g) be available to participate in the Teaching, Service, and where relevant to areas of responsibility, Research or Scholarship activities of the community on the Campus. Accordingly, Members are expected to carry out non- scheduled academic activities on Campus. However, Members are also encouraged to participate in academic and professional activities with scholars in other institutions, and it is understood that this form of collaboration will sometimes require a Member to undertake such activities at the site of another university, institute, research centre or government department.
- h) ensure information in the Member's control is maintained securely such that confidential information and personal information can only be accessed in accordance with the *UWO Guidelines on Access to Information and Protection of Privacy, Manual of Administrative Policies and Procedures 1.23* (hereafter referred to as MAPP 1.23) effective date May 23, 1996.
- i) ensure they do not enter classroom technology software agreements with vendors that bind the University without approval from Procurement Services in accordance with *Procurement of Materials and Services, Manual of Administrative Policies and Procedures 2.8* (hereinafter referred to as MAPP 2.8) effective date June 21, 2018. A statement will be placed on the Centre for

Teaching and Learning website relevant to this provision, including a resource contact person for members to discuss particular technologies.

- j) comply with the Canadian *Copyright Act* when, in the course of undertaking Academic Responsibilities, copyright-protected materials are used. Where a person authorized by the University advises a Member on the allowable use of a copyright-protected material (for example under the terms of a licence or through a statutory exception), the Member shall follow that advice. When dealing with copyright laws, which may be open to interpretation and honest differences of opinion as to their applicability, Members who act honestly and in good faith in complying with copyright law and Western's guidelines while carrying out their employment responsibilities will be considered by the Employer to be compliant with the law and will be defended by the Employer in the unlikely event that they are sued as a result. The Employer may refuse to defend a Member accused of copyright infringement in the following situations:
 - i) where the alleged infringement is so blatant that it could not possibly be considered to reflect a reasonable interpretation of the law;
 - ii) where the Member has deliberately continued in a course of action after being advised by the University that it considers the course of action to be a violation of copyright law;
 - iii) where the Member has received notice of an allegation of infringement and continues the impugned course of action without notifying and consulting with Western's Copyright Office; or
 - iv) where the Member is not acting in the course of their employment.

In any situation where a Member is alleged to have infringed copyright laws, the Member shall be advised of their right to seek assistance from the Association with respect to the matter.

- 10. The Employer shall, prior to commencing an investigation of a student complaint pertaining to a Member's fulfilment of their Academic Responsibilities ascertain:
 - a) whether the student has first sought informal resolution by raising the concern with the Member;

- b) whether the student has sought resolution by raising the concern with the relevant Unit or program representative (e.g., Chair, Director, or designate, graduate program chair, director or designate);
 - c) that the relevant Unit or program representative has explored the feasibility of alternative informal resolution; and
 - d) that the complaint is made in good faith.
- 10.1 The Vice-Provost (Academic Planning, Policy and Faculty) may reasonably determine that the steps in clause 11 a) and b) are not a viable option in individual circumstances, including but not limited to circumstances in which:
- a) there is a safety risk to anyone involved;
 - b) there is a risk of academic or career harm to the student.
- 10.2 Where the Vice-Provost (Academic Planning, Policy and Faculty) makes a determination under clause 11.1, prior to undertaking an investigation, the Employer shall provide reasons to the Member and, if directed by the Member, to the Association.
- 10.3 An allegation made anonymously will be considered only if accompanied by sufficient information or if relevant facts are available to enable the assessment of the allegation and credibility of the facts and evidence on which the allegation is based without the need for further information from the person or persons who made the anonymous complaint. If the Employer decides to proceed with an anonymous allegation, the source of the allegation will not be entitled to receive information on the status of the allegation or information concerning the outcome of any review of facts or investigation conducted in respect of the allegation.
11. A Member who is not on an approved leave and who is absent from Campus shall inform the Department Chair, School Director, or Dean, as applicable, how and when the Member can be contacted without undue delay, in case, for good and valid reason, the Member's presence on Campus is required.
12. Notwithstanding the provisions of Clauses 9 and 10, a Member may request and the Dean may grant a period of authorized absence during which a Member is not subject to being recalled to Campus, provided that during the authorized absence the Member has no scheduled duties or responsibilities. The Dean shall decide within five working days of receiving such a request whether or not to grant the request. If the request is denied, the Dean shall give written reasons for the denial. A period of authorized absence is not a Leave, and the Member is presumed to be

Academic Responsibilities of Members

carrying out Research, engaging in scholarly, creative, or professional activities, or preparing for scheduled duties, as part of the fulfillment of their Academic Responsibilities.

13. The Letter of Appointment of a Member who is engaged in teaching Online Courses may fully or partially remove the obligation for on-campus attendance specified in Clause 9 of this Article.
14. It shall be the responsibility of the Member to notify the Employer promptly of any change to their current mailing address and/or phone number. If a Member fails to do this, the Employer will not be responsible for failure of a notice sent by mail to reach such a Member.

ALTERNATIVE WORKLOAD ([back](#))

1. The proportions of Teaching, Research or Scholarship Activities and/or Service in the Normal Workload of a Full-Time Member may be altered for a specified period.
 - 1.1 Alternative Workload arrangements shall not change the overall magnitude of a Member's Workload.
2. For Full-Time Members who were Tenured as of June 30, 2000, any change in the proportions of the Teaching, Research and Service components under Alternative Workload arrangements must continue to reflect active involvement in at least two of Teaching, Research and Service.
 - 2.1 For Full-Time Probationary Members, and for Full-Time Tenured Members who were not Tenured as of June 28, 2000, any change in the proportions of the Teaching, Research and Service components under Alternative Workload arrangements for a Probationary or Tenured or Continuing Status Member must continue to reflect active involvement in each of Teaching, Research or Scholarship Activities and Service. Exceptions to this provision may occur by mutual agreement between a Member and the Employer.
3. A Member seeking an Alternative Workload arrangement shall apply to the Dean (through the Chair or Director, if applicable) for Alternative Workload.
 - 3.1 A Member shall apply in writing at least six months before the proposed Alternative Workload arrangement is to take effect. In unforeseen circumstances this timeline can be waived on mutual agreement of the Member and the Dean.
 - 3.2 The Member's application shall state the reasons for the proposed Alternative Workload arrangements, the period for which they are to apply, the proposed duties of the Member during that period and the method of weighting the Performance Evaluations of the Member's performance based on the alternative arrangements.
 - 3.3 The Dean's approval of such applications shall not be arbitrarily withheld. Any decision by the Dean not to approve the application shall be accompanied by written reasons.
4. A Member's Dean may initiate discussion of a possible Alternative Workload arrangement for a Member at a meeting with the Member convened for the purpose, or at a meeting convened in accord with the provisions of Clause

12. of the Article *Performance Evaluation*. 5. The period of Alternative Workload shall depend on the agreement entered into between the Employer and the Member.

5.1 An initial period of Alternative Workload may run for part or all of an Academic Year, for consecutive Academic Years, until the end of the Member's contract, or, in the case of Tenured or Continuing Status faculty members, for up to three consecutive years. 5.2 An initial period of Alternative Workload may be followed by additional periods of Alternative Workload. Application for such additional period(s) of Alternative Workload must be made in writing at least six months before the beginning of any additional period. The Member's Dean shall not arbitrarily withhold approval of such application(s). Any decision by the Dean not to approve the application shall be accompanied by written reasons. - k) Written comments from Student Questionnaires on Courses and Teaching (optional)
- l) Other Evidence of Teaching Effectiveness (which may include any material deemed by the candidate to be relevant to the work of Teaching).

The Unit Appointments Committee shall consider data from Student Questionnaires on Courses and Teaching as information about student experience in the classroom. These data shall consist of class size, response rates, and the distribution of ratings, as well as other factors the Member would like to comment on, for example course characteristics such as elective or required status and mode of delivery, and such consideration shall take into account the possibility that Student Questionnaires on Courses and Teaching may be biased.

Where more than one qualified faculty member has the same Standing Appointment seniority date, the assignment shall be given to the candidate best fulfilling the criteria for Appointment under Clause 12 of this Article.

Appointments

- 18.5 Where a faculty member is entitled to a stated course load under their Standing Appointment entitlement, but insufficient course(s) within their roster are available to complete the assignment, the Chair, Director or Dean or designate shall consult the Member in an attempt to identify and assign an alternate course the Member is qualified to teach.
- 18.6 The possession of a Standing Appointment does not guarantee assignment of a course. Such assignment is subject to the availability of a course which the appointment holder is qualified to teach.
- 18.7 In the Don Wright Faculty of Music, the term "course" in Clauses 1.7.2 and 1.7.3 shall be deemed to include Studios and Ensembles where equivalent. The term *Studio* is defined as a group of students, each registered in one of the studio course numbers included in Appendix D, who are receiving private instruction on the same principal instrument from the same instructor. The term *Ensemble* is defined as one of the major performing ensembles identified as such by the Faculty of Music with course numbers as shown in Appendix D. In the case of studio instruction, where enrolment permits, the number of hours of instruction assigned to a studio will be at least equal to that of the previous Fiscal Year.
- 18.7.1 In considering Standing Appointments in the Don Wright Faculty of Music the terms *Studio* and *Ensemble* as defined in Clause 18.7 of this Article, are to be substituted, as appropriate, into Clauses 18, 18.3, 18.3.2, 18.4, 18.5, 18.6, 18.9 and 18.11 in place of the word "course."

- 18.10 A Member shall be given two years' notice of termination of all or part of a Standing Appointment. This notice period may, at the discretion of the Dean, be replaced with pay in lieu of notice. Pay in lieu of notice and severance pay together shall be one month's salary for the first year of service and an additional half month's salary for every additional year of service in the Standing Appointment or part thereof; for this calculation, each Academic Term in which the Standing Appointment was held shall count as one third of a year of service.

- | | |
|----------------------------|----------|
| below the acceptable level | 0 points |
| acceptable | 1 point |
| good | 2 points |
| very good | 3 points |
| exceptional | 4 points |
- 24.3 Where the assessment of performance is performed by the Performance Evaluation Committee pursuant to the Article *Performance Evaluation*, each individual member of the Committee is required to provide a judgment of the individual Member's performance using the rating system provided in Clause 24.2 of this Article. A Member's Performance Level points for each area of Responsibility will be based on a simple averaging of scores provided by individual members of the Committee.

Performance Assessment Indicator (PAI)

- 26.2 Full-Time Members who have not had a Full-Time Appointment for more than three months within the assessment period shall receive the average Basic Salary Points of 2.2 plus the Dean's Discretionary Salary Points of 0.2.

Compensation and Benefits

27. For Full-Time Probationary, Tenured and Continuing Status Members, and for Limited-Term Members at the rank of Assistant Professor or above, the value of a Salary Point will be as follows:

	<u>Base salary range</u>	<u>Salary Point Value</u>
2022-23	less than \$132,644	\$1,546
	\$132,644 - \$169,100	\$1,225
	\$169,101 and higher	\$947
2023-24	less than \$136,623	\$1,592
	\$136,623 - \$174,174	\$1,262
	\$174,174 and higher	\$975
2024-25	less than \$139,356	\$1,624
	\$139,356 - \$177,658	\$1,287
	\$177,658 and higher	\$995
2025-26	less than \$142,143	\$1,657
	\$142,143 - \$181,211	\$1,313
	\$181,211 and higher	\$1,015

27.1 Where a Member’s Base Salary before the application of the PLCP adjustment is below one of the breakpoints identified above (for example, the breakpoints in 2022-23 are \$132,644 and \$169,101), but where the PLCP adjustment to the Base Salary raises a Member’s salary above a breakpoint, the Salary Points used shall be partitioned such that the Member’s salary will be increased to the breakpoint using the value of the Salary Points for the salary range below the breakpoint, and then increased further (to the limit of the Member’s BSP plus DSP) using the value of the Salary Points for the salary range above the breakpoint.²

² § The process described in Clause 27.1 of this Article requires that a Member’s PLCP Increment be calculated according to the formula:

$$\text{Member's PLCP Increment} = [\text{breakpoint} - \text{Base Salary}] + [(\text{Salary Points} - \text{SP2}) \times \text{Value2}]$$

Where: Salary Points = total BSP + DSP awarded to the Member
 SP2 = number of Salary Points required to raise the Member’s salary to the breakpoint, calculated at the Salary Point value below the breakpoint.
 Value2 = Salary Point value above the breakpoint.

Example: In 2022-23 a Member with a Base Salary of \$131,000 in the previous year is awarded 2.4 Salary Points. The breakpoint is \$132,644. At \$1,546 per point, 1.063 Salary Points (calculated as (132,644 - 131,000) ÷ 1,546) would be required to increase the Member’s salary to the breakpoint of \$132,644. Since the

27.2 For Limited-Term Members at the rank of Lecturer the value of a Salary Point will be:

2022-23	\$1,057
2023-24	\$1,089
2024-25	\$1,110
2025-26	\$1,133

28. The Salary Point values and the number of Members in each Base Salary range shall establish the value of the PLCP fund, and the value of the BSP and DSP funds within it, that are to be distributed in each year.

29. Each year, after Salary Points have been determined, the Employer shall provide the Association with a report indicating the average number of Salary Points distributed to Limited-Term Members in each Faculty.

Determining Salary Points and Salary Increments

Basic Salary Points (BSP) and Salary Increments

30. A Member assigned a PAI of less than 1.00 will receive 0.00 BSPs and no PLCP- derived salary increment.

30.1 For a Member with a PAI of 1.00 or greater, the Member's BSPs will be calculated as follows:

$$\text{BSP} = \text{PAI} \times \text{adjustment factor (where adjustment factor} = 2.2 \div \text{average PAI within the Unit)}.$$

30.2 Any undistributed BSP funds shall be distributed to Members of the Unit in proportion to their share of the initially distributed BSP funds.

Discretionary Salary Points (DSP)

31. The Performance Evaluation Committee (or where delegation has occurred, the Chair or Director) may make DSP recommendations to the Dean.

Member is awarded 2.4 Salary Points, 1.337 Salary Points remain, and these are applied at a value of \$1,225 per point.

i.e., Member's PLCP Increment = [132,644-131,000] + [(2.4 -1.063) x1,225] = \$3,282

- 31.1 The Dean shall assign all available DSPs to Probationary, Tenured, Continuing Status and Limited-Term Members in the Faculty.

Total Salary Points and Salary Increment

32. For any Member, the total Salary Points awarded (i.e., BSP + DSP) may not exceed 6.00.
- 32.1 A Member's Base Salary shall be increased by the value of their total Salary Points, as determined by the Salary Point values in Clauses 27 to 27.2 of this Article.

Career Trajectory Fund for Probationary, Tenured, Continuing Status and Limited-Term Members

33. A Career Trajectory Fund (CTF) shall be established in 2025-26. The value of this Fund shall be \$1,023 multiplied by the number of eligible Full-Time Probationary, Tenured, Continuing Status and Limited Term Members as of June 30, 2025, who are also eligible Probationary, Tenured, Continuing Status or Limited-Term Members on July 1, 2025.
- 33.1 The CTF shall be administered by a Career Trajectory Fund Committee composed of five members, as follows:
- a) two members (or alternates) chosen by the Association;
 - b) two members (or alternates) chosen by the Employer;
 - c) the chair of the Committee, who shall be chosen jointly by the Employer and the Association.
- 33.2 Gender-based anomaly adjustments shall be assigned from the CTF to Full-Time Members whose salaries are determined to be anomalously low because of their gender. The Committee shall investigate the feasibility of reviewing anomalies based on other equity-oriented demographic parameters, including Indigeneity, disability, membership in a racialized group, sexual orientation, and gender identity. Where there is sufficient supporting data, anomaly adjustments shall be assigned from the CTF to Full-Time Members whose salaries are determined to be anomalously low because of an equity-oriented demographic parameter. These adjustments shall be made from the CTF before any Career Trajectory Adjustments are considered under Clause 33.3 of this Article.
- 33.3 Funds remaining after application of Clause 33.2 of this Article shall be distributed systematically to Full-Time Members based on experience and accomplishment, but in a manner that gives special consideration to

faculty whose salaries are determined to be below a trajectory appropriate to their career stage compared to similar faculty at Western. All Full-Time Members shall be eligible to receive CTF distributions.

- 33.4 The distribution of the CTF using the provisions of Clauses 33.2 and 33.3 of this Article shall be recommended to the Provost by the CTF Committee no later than July 15, 2025. Payment shall be retroactive to July 1, 2025. Recommendations for adjustments of a Member's salary using the provisions of Clause 33.3 of this Article shall not exceed \$10,000 minus 50% of the excess (if any) of the Member's 2024-25 salary over \$180,000.

Market Adjustments

34. Neither this Article nor any other in this Collective Agreement prevents the Employer from using other funds to increase a Member's salary in response to offers received from other employers or to accommodate other market forces.
- 34.1 Members may also receive limited-term stipends or Base Salary increases associated with Senate-approved Chairs, Professorships, Fellowships, or other arrangements recognizing exceptional performance in Teaching or Research.
- 34.2 Within three months after the end of each Academic Year the Employer shall provide the Association with the number and total value of adjustments made under each of Clauses 34 and 34.1 of this Article, broken down by Faculty and Gender.

1. In this Article, *relationship* means any relationship of the Member to persons of their immediate family, whether related by blood, adoption, marriage or common-law relationship, and any relationship of an intimate and/or financial and/or commercial nature during the preceding three years, any student-supervisor relationship, or any other past or present relationship which may give rise to a reasonable apprehension of bias.
2. An actual or apparent conflict of interest arises where a Member's financial or other personal interest, whether direct or indirect, or that of any person with whom the Member has or has had a relationship, conflicts or appears to conflict with the Member's responsibility to the University, as defined in the Article *Academic Responsibilities of Members*.
 - 2.1 Members who have authority over or the ability to confer or refuse benefits of an academic or financial nature and who are involved or become involved in a relationship with a student or employee could be in a situation where the ability of the student or employee to consent is compromised and thus such relationship should be embarked on with caution.
 - 2.2 An actual conflict of interest arises when a Member is involved in a sexual or otherwise intimate relationship, or other close personal relationship, with a student with respect to whom the Member is in a supervisory or evaluative role.
 - 2.2.1 An apparent or potential conflict of interest arises when a Member is involved in a sexual or otherwise intimate relationship, or other close personal relationship, with a student who is enrolled in a course or program offered by a Faculty in which the Member has Academic Responsibilities as defined in the Article *Academic Responsibilities of Members*, or in any graduate program in which the Member has Academic Responsibilities as defined in the Article *Academic Responsibilities of Members*.
 - 2.2.2 Notwithstanding the provisions of Clauses 3 through 4.2 of this Article, where a Member and a student are in a sexual or otherwise intimate relationship, or other close personal relationship, such that there is an actual or apparent conflict of interest, or a potential conflict of interest, or inappropriate bias, the Member must declare the existence of the actual, apparent or potential conflict pursuant to Clause 3 and decline or terminate a supervisory or evaluative role with respect to the student in question, and, when necessary, make appropriate alternative arrangements for the supervision and/or evaluation of the student's work.

- 2.3 Notwithstanding the provisions of Clauses 3 through 4.2 of this Article, no Member shall enter into any research program involving human subjects where there exists an actual, potential or perceived conflict of interest.
3. The existence of an actual or apparent conflict of interest does not necessarily preclude involvement in the matter which has given rise to the actual or apparent conflict; however, the Member shall disclose, in writing, such conflict to the Dean as soon as possible after becoming aware of it.
- 3.1 Actual or apparent conflict of interest that is of sufficient seriousness to compromise the integrity of a decision-making process may also be asserted by any other person with knowledge of the matter. Such assertions shall be communicated, in writing, to the Dean by the party concerned as soon as possible after that party becomes aware of the actual or apparent conflict of interest, and no later than the point at which the decision is made.
4. Following receipt of the notice of conflict provided for under Clause 3, or following receipt of an assertion of conflict under Clause 3.1, the Dean shall determine in a timely fashion whether an actual or apparent conflict exists and, if so, decide whether the Member may continue involvement in the matter giving rise to the conflict, subject, where appropriate, to Clause 4.1 below and, in any case, after consultation with the Member.
- 4.1 Where a conflict of interest has been asserted by a third party, the Dean shall immediately inform the Member concerned of the assertion, in writing, and give the Member an opportunity to respond before making a decision in the matter.
- 4.2 Following the determination in Clause 4, the Dean shall immediately communicate his or her decision in the matter, in writing, giving reasons, to the Member and, where appropriate, to any third parties under Clause 3.1

6. If either the Dean or the Member determines that a conflict exists of sufficient seriousness to compromise the integrity of the decision-making process, the Dean or the Member shall declare the nature and extent of the interest as soon as possible and no later than the meeting(s) at which the matter is to be considered and the Member shall:

- 8.1 Any positive obligation on the Association's Grievance Officer or the member's Dean to report the concern may override the confidentiality provisions of Clause 8.
9. The nature of the professional competence of many Members affords opportunities for the exercise of that competence outside the Member's Academic Responsibilities, on both remunerative and non-remunerative bases. Recognizing that such professional activities can bring benefits to and enhance the reputation of the University and of Members, the Employer agrees that Members may engage in part-time professional activities, paid or unpaid, provided that such activities do not conflict or interfere with the Member's responsibilities to the Employer as defined in the Article *Academic Responsibilities of Members*, subject also to the following conditions:
- a) when a Member's outside activities involve the use of the Employer's facilities, supplies and services, their use shall be subject to the prior approval of the Employer. Costs for such facilities, supplies or services shall be borne by the Member at prevailing rates set by the Employer, unless the Employer agrees, in writing, to waive all or part of such costs;

- b) the Employer's approval of the use of the Employer's facilities shall not signify that such activities count as part of the Member's fulfilment of Academic Responsibilities.
10. Recognizing that professional activities can benefit and enhance the research experience of students, Members may employ students whom they teach, advise or supervise, or in the evaluation of whose academic work they have responsibilities, for outside part-time, paid professional activities, provided that such activities do not adversely affect the students' progress, subject to the following conditions:

Conflict of Interest and Conflict of Commitment

13. The Dean shall evaluate the request to determine the extent to which the activity will enhance or detract from the fulfilment of the Academic Responsibilities of the Member.
14. The Dean shall consider the request as soon as possible and shall render a decision in writing within ten days. If approval is denied, or offered only on conditions, the Member shall be provided with reasons in writing for the decision.
15. If the planned activity would detract from the fulfilment of the Member's Academic Responsibilities, the Dean may require, as a condition of granting approval, that the Member agree to a period of Reduced Workload or Leave of Absence without pay.
16. A Paid Professional Activity is an activity funded by sources other than the University which arises from the Member's academic position and expertise and which confers a financial benefit.

2. Deferred Salary Leave is intended to allow for a leave of absence funded by the individual Member at no cost to the Employer during the period of the Leave. Such a Leave may be granted where the Employer determines that the Leave will not interfere with the ability of the Member's Unit(s) to meet their-operational requirements.
3. The provisions of this Article are subject to the relevant provisions of the *Income Tax Act* and any interpretations made by Canada Revenue Agency (CRA); any changes in the Act or its interpretation override the provisions of this Article.
4. Unpaid leaves of six months or one year may be funded through a Deferred Salary Leave arrangement as defined in Section 248(1) of the *Income Tax Act*. Deferred Salary Leaves are to begin on January 1 or July 1 and must start no later than the month following the end of the deferral period.
5. All Full-Time Members are eligible to apply for a Deferred Salary Leave.
6. Salary is deferred over a one- to five-year period, and the salary deferred is completely used up during the Leave period. The Member must return to the University for a work period at least as long as the Leave, as required under the *Income Tax Act*.
7. The percentage of nominal salary deferred will range between 5% and 25%, depending upon the income needs during the period of deferral and the period of the Leave.
8. The salary deferred is retained by the Employer to be deposited into a University interest-bearing bank account. The bank will be a registered financial institution used by the University and the interest rate will be the maximum rate available.

9. During the year(s) of salary deferral, income tax is payable on the actual salary received and also on the interest accrued on the deferred salary. During the Leave, income tax is payable on the accumulated deferred salary as it is received and also on the interest accrued during the Leave period.
10. During the years of deferral the contributions of the Member and the Employer towards the Member's benefits will be based on the Member's total salary (i.e., the sum of the actual salary received and the deferred salary). The Member may elect to pay the cost of benefits and pension contributions during the period of the Deferred Salary Leave. During a Deferred Salary Leave the Employer will not contribute towards the costs of benefits, including pension.
11. Sabbatical Leave credit shall not be earned during a Deferred Salary Leave.
12. A Member must make application for a Deferred Salary Leave to the Dean of the Member's home Faculty. A Member shall apply in writing six months before the period of salary deferral would commence. The application shall state the periods requested for salary deferral and the Leave to follow, along with the amount of salary to be deferred.
13. Where a Member's Appointment is in a Department or School, the Dean shall consult with the Department Chair or School Director. The Employer shall then approve or deny the application. Such approval shall not be arbitrarily withheld and any decision not to approve the application shall be accompanied by written reasons.
14. Details of the Deferred Salary Leave, where approved by the Employer, will be confirmed in writing and signed by the Member and the Employer. If an application is approved, the Member's Home Unit will be committed to accommodating the Deferred Salary Leave at the approved commencement date.
15. Members on Deferred Salary Leave are not eligible for consideration for Promotion while on Leave. Any record of activity in Teaching, Research, or Service during the Leave period may be included when a participant is considered for Promotion.
16. Leave cancellation occurs on termination of employment, death or disability of the Member. The deferred salary plus interest will be paid to the Member, beneficiary or estate subject to tax regulations.

Deferred Salary Leave

17. Withdrawal or postponement of the Deferred Salary Leave for reasons other than termination of employment, death or disability requires written application to the Employer at least six months before the scheduled Leave. The Employer shall approve or deny the application. Government regulations require that if salary has been deferred for the maximum five-year period, the Leave cannot be postponed.

2. Each Department shall have a Chair. The Department Chair shall be a Tenured or Continuing Status Member or, in exceptional circumstances, a Member with an Externally-Funded Appointment or a Member from a Clinical Department. Such exceptions may occur only if the prospective Chair is at least at the rank of Associate Professor and, in the opinion of the Chair Selection Committee, has appropriate experience in each of Teaching, Research or Scholarship Activities, and Service. Where such exceptions occur, the Member who serves or has served as Department Chair shall not be dismissed from their faculty appointment if they are within five years of the starting date of their initial appointment except and only in accord with the provisions of the Article *Discipline*, and any non-renewal beyond the Member's sixth consecutive year of service shall only be on one or more of the grounds listed in Clause 8.3 of the Article *Appointments*. A faculty member may not simultaneously be a Department Chair and a member of the Board of Governors.

Relation of the Chair to the Dean

3. The Dean with fiscal responsibility for the Department shall consult with the Chair on the Department's budgetary requirements and delegate administrative responsibilities to the Chair. Such responsibilities shall be in accord with this Collective Agreement and shall be specified in the Letter of Appointment described in Clause 14.
 - 3.1 The Employer shall be responsible for developing and establishing a training program to familiarize Chairs with specific procedures necessary to implement the provisions of this Collective Agreement.
 - 3.1.1 A Chair shall undertake training and development as agreed to by the Chair and Dean, as required by law, or as specified in the Letter of Appointment.
 - 3.2 The Dean shall consider and respond to any proposals or issues concerning the Department brought forward by the Chair.
 - 3.3 When an alleged violation of the Collective Agreement by a Chair is brought to the attention of that Chair's Dean, then that Dean shall consult with the Chair on this matter in a timely manner.

Other Responsibilities of the Chair

4. The other responsibilities of the Chair are those assigned to the Chair in this Collective Agreement; those required by law; and those agreed to by the Chair and Dean.
- 4.1 The responsibilities agreed to between the Chair and Dean shall be specified in the Letter of Appointment or a subsequent amendment thereto.

Terms of Employment of a Department Chair

5. A Member who is a Department Chair shall receive an annual stipend.
- 5.1 Members who are Department Chairs as of November 26, 2014, may elect, within 30 days of ratification, to receive their stipend in one of the following ways:
 - i) as determined by negotiation between the Member and the Dean at the time of Appointment to the position of Chair. Where such a Chair has served a term of five years or more, and at the conclusion of their Appointment as Chair continues as a Member, then the Member shall continue to receive the stipend as part of their salary; however, the amount of the stipend shall be reduced by the amount of any salary increments subsequently received by the Member.
 - (a) Notwithstanding Clause 5.2.1 of this Article, where such a Chair has served a term of five years or more and takes a Modified Alternative Workload or Leave, or both, totaling at least 12 months duration and then returns as Chair, then the Member shall continue to receive the stipend as part of their salary; however, the amount of the stipend shall be reduced by the amount of any salary increments subsequently received by the Member. On returning to the role of Chair the Member shall receive a stipend in accordance with Clauses 5.2 and 5.2.1 of this Article.
 - ii) from the first of the month following the election, in accordance with Clauses 5.2 and 5.2.1 of this Article.

Workload Arrangements during the Appointment

6. The Workload of a Member who is a Chair shall be adjusted at the time of Appointment to the Chair to express the proportion of Service in the Workload of the Chair. The provisions of the Article *Alternative Workload* shall be used for this adjustment.
- 6.1 A Chair is not eligible to take Sabbatical Leave or have a Modified Alternative Workload during their term as Chair. However, a Chair is eligible for Education Leave and Exchange Leave.

Workload Arrangements after the Appointment

7. Upon completion of five continuous years or more in the position, the Chair of a Department is entitled to twelve months Modified Alternative Workload. A Member serving as Chair for less than five years is entitled to a period of Modified Alternative Workload of two months for each year served as Chair. A Member may not accumulate more than twelve months of Modified Alternative Workload eligibility.
- 7.1 This arrangement shall allow a Member who has served as Chair to devote themselves to Research and/or Teaching, either exclusively or to a greater extent than expected for a Member with a Normal Workload. Such a period of Modified Alternative Workload shall be arranged using the provisions of the Article *Alternative Workload*, with the exception of the provisions of Clauses 2 and 2.1 of that Article, and shall be agreed to at the time of Appointment of the Member to the position of Chair.
- 7.2 The period of Modified Alternative Workload shall be continuous, shall begin immediately upon completion of the term as Chair and shall commence on July 1 or January 1 except by mutual agreement of the Member and the Employer.
- 7.3 Unless specified otherwise in the Letter of Appointment, any vacation to which a Member is entitled in a year during which the Member has a Modified Alternative Workload that includes the period July 15 to August 15 shall be deemed taken during the period of Modified Alternative Workload.
- 7.4 Subject to the provisions of Clause 7.5 of this Article, a period of Modified Alternative Workload must be separated from a period of Sabbatical Leave or other Leaves (with the exception of Compassionate Leave, Court Leave, Pregnancy and Parental/Adoption Leave and Sick Leave) by a minimum of twelve months.
- 7.5 A period of Modified Alternative Workload can be combined with other periods of Modified Alternative Workload, Sabbatical Leave or other Leaves (with the exception of Compassionate Leave, Court Leave, Pregnancy and

Parental/Adoption Leave and Sick Leave) as long as the total period does not exceed twelve months, except by mutual agreement of the Member and the Employer.

- 7.6 Sabbatical Leave eligibility shall not be accumulated during the period the Member serves as Chair or during the period of Modified Alternative Workload.
8. Unless alternative arrangements are made at the time of Appointment of the Member to the position of Chair, the term of a Member's Appointment as Chair shall be five years and shall commence on July 1. A Member may be appointed to a second term as Chair of the same Department and, in exceptional cases, to a third or further term.
 - 8.1 Should the Dean have concerns with the Department Chair's performance of the Chair's duties, the Dean shall bring these concerns to the attention of the Department Chair. If, after giving the Department Chair sufficient opportunity to improve their performance of the Chair's duties, the Dean considers that there has not been adequate improvement, the Dean shall recall the Selection Committee that originally recommended the appointment of the Member to the role of Chair. Should any members of that Committee not be able to serve, replacements will be elected or appointed in accordance with Clause 9.2 of this Article.
 - 8.1.1 The Dean shall provide a written statement of concerns to the Committee with a copy to the Department Chair.
 - 8.1.2 Within two weeks of being provided with the Dean's written statement the Department Chair may provide a written response to the Committee. The response may include a request to meet with the Committee. Such a meeting shall be held within two weeks of the request and the Chair may be accompanied at the meeting by an Academic Colleague or a representative of the Association.
 - 8.1.3 The Committee and the Dean shall each make a recommendation to the Provost no later than two weeks following the latest of: the Committee's receipt of the Dean's written statement, the Chair's written response, if any, and the date of any meeting of the Chair with the Committee. The recommendation shall address the continuation of the Member's term as Chair, and may include, but is not limited to continuation with conditions or termination of the Member's appointment as Chair. The Provost shall respond to the recommendations of the Committee and Dean in writing and with reasons with a copy to the Chair.

Department Chair Selection Committee

9. Each Department shall have a Chair Selection Committee, when required according to Clause 9.1 of this Article.
- 9.1 The Dean shall call for election of Members to the Chair Selection Committee no later than the month of May of the year preceding the last year in the term of a current Chair, or when a vacancy occurs through departure of a Chair before the end of their term.
 - 9.1.1 An incumbent Chair is not eligible for election to the Chair Selection Committee.
- 9.2 The Chair Selection Committee shall consist of:
 - a) the Provost, or designate;
 - b) the Dean of the Faculty with fiscal responsibility for the Department, who shall chair the Committee but shall not vote except in the case of a tie;
 - c) where the Department has Members involved in the teaching and supervision of graduate students, the Vice-Provost of the School of Graduate and Post-doctoral Studies or designate;
 - d) four Tenured or Continuing Status Members from the Department, elected by Members of the Department. Where a Department has fewer than four Tenured or Continuing Status Members, or fewer than four Tenured or Continuing Status Members available, the Members of the Department shall elect two Tenured or Continuing Status Members from the Department and two other Full-Time Members from the Department. If there are not enough eligible Members in the Department, the Faculty Council shall elect the remaining Tenured or Continuing Status Full-Time Members from one or more of the other Departments within the Faculty;
 - e) two Tenured or Continuing Status Members who are not from the Department, elected by the Faculty Council.
 - f) a Tenured or Continuing Status Member to act as alternate, in the event a regular Full-Time Member cannot act, elected by the Members from the Department.
- 9.3 Following the election of Members to the Chair Selection Committee, the Dean shall inform the Members in the Department of the names of the members of the Committee.

- 9.4 The Chair Selection Committee, with one of its members being designated the Committee's Equity Representative, shall be convened by the Dean as soon as possible after the election of the members of the Committee.

Acting Department Chairs

10. Where the position of a Department Chair becomes vacant and a successor has not been appointed, the Dean shall, after consultation with the Department, appoint an Acting Chair to serve until such time as a recommendation from the Chair Selection Committee has been approved by the Employer, and the Chair has taken up the Appointment. The Dean's consultation with the Department shall include an invitation to all Members in the Department to provide their views on the suitability of Members of the Department to serve as Acting Chair and subsequently to provide their views on the suitability of the individual being proposed as Acting Chair.
 - 10.1 The term of office for an Acting Chair shall not exceed two years and shall not be renewable.
 - 10.2 A Member serving as Acting Chair shall continue to accumulate eligibility for a Sabbatical Leave, but shall not accumulate any entitlement to a period of the Modified Alternative Workload.
 - 10.3 A Member serving as Acting Chair shall receive an annual stipend. The amount of the stipend shall be determined by negotiation between the Member and the Dean at the time of Appointment to the position of Acting Chair. A Member shall not continue to receive the stipend following the conclusion of their Appointment as Acting Chair.

Consultation with the Department

11. The Departmental members of the Chair Selection Committee shall consult with the Members in the Department to ascertain their preferences and opinions on matters such as: reappointment of the current Chair, internal *versus* external Appointment, suitability of Members in the Department for the position, desirable attributes or qualities for the Chair, and regarding specific questions which could be asked of any candidate. This consultation shall take the form of an invitation to each Member in the Department to meet individually with one or more Departmental members of the Chair Selection Committee. The Committee shall also invite Members of the Department to provide it with written submissions on matters relevant to the Committee's work.

Selection of the Department Chair

12. Any New Institutional Performance Indicators included in materials provided to external reviewers invited to review the Department as part of the Chair selection process shall be in accord with the provisions of the Article *Institutional Performance Indicators*.
- 12.1 The Chair Selection Committee shall solicit opinions of all Members of the Department, both Full-Time and Part-Time. The Chair Selection Committee shall consider all written submissions received from Members of the Department and the report(s) of external reviewers invited to review the Department as part of the Chair selection process.
- 12.2 Unless the current Chair is leaving the University (for example, through retirement or resignation) or has indicated in writing that they do not wish to be a candidate for a further term as Chair, the Committee may, after reviewing the Chair's performance, and interviewing the Chair, make a recommendation to the Employer through the Dean that the Chair be reappointed to a further term. A current Chair who is not in their first term as Chair shall not be recommended for a further term as Chair except in exceptional circumstances that have been documented by the Committee in its recommendation.
- 12.3 The Employer shall approve or deny this recommendation. If the Employer denies the recommendation of the Committee, the Employer shall provide a written explanation for the denial to the Committee.
- 12.4 Where the current Chair is leaving the University, or has indicated in writing that they do not wish to be a candidate for a further term as Chair, or where the Committee has not recommended that the current Chair be appointed to a further term, or where the Committee's recommendation that the current Chair be appointed to a further term has not been approved by the Employer, the Dean shall advertise the position within the University and shall also advertise the position externally where the Employer has approved the possibility of Appointment of an external candidate. Candidates shall supply evidence of their previous performance in Teaching, Research and Service.
 - 12.4.1 The Committee shall consider all applicants.
 - 12.4.2 The Departmental members of the Committee shall consult the Members in the Department to ascertain their opinions and preferences regarding any short-listed candidates. In the case of external candidates the Committee shall ensure that Members in the Department have an opportunity to become aware of the candidate's qualifications and suitability for the position of Chair; this shall involve an invitation to meet with the candidate and to review the *curriculum vitae* of the candidate.

12.4.3 The Committee shall make a recommendation to the Employer through the Dean. This recommendation may be that one of the applicants be appointed as Chair, or that none of the applicants is acceptable. In the latter case, the position shall be re-advertised in accord with the provisions of Clause 12.4 of this Article.

12.4.4 Where the Committee recommends an internal Appointment, the Employer shall approve or deny the recommendation of the Department Chair Selection Committee. If the Employer denies the recommendation of the Committee, the Employer shall provide a written explanation for the denial to the Committee.

External Candidates

13. Where the Committee recommends an external candidate and the Employer agrees that an external Appointment is possible, the Employer shall place the *curriculum vitae* of the recommended candidate, the evidence of previous performance in Teaching, Research and Service provided by the recommended candidate, and any letters of reference for the recommended candidate used by the Committee, before the appropriate Promotion and Tenure Committee.

13.1 The Promotion and Tenure Committee shall recommend to the Employer whether or not Tenure should be granted, and shall recommend the rank at which the Appointment is to be made.

13.2 The Employer shall approve or deny the recommendations of the Department Chair Selection Committee and the Promotion and Tenure Committee. If the Employer denies the recommendation of either Committee, the Employer shall provide a written explanation for the denial to both Committees.

Appointment

14. The Dean shall enter into negotiations with a candidate approved according to the provisions of Clause 12.4.4 or Clause 13.2 of this Article. All arrangements made under the provisions of Clauses 5 through 8 of this Article, including arrangements made using the provisions of the Article *Alternative Workload*, and any arrangements made under the provisions of Clause 6 of the Article *Sabbatical Leave*, shall be described in a Letter of Appointment to the position of Chair. This Letter shall also describe any responsibilities delegated to the Chair that are in addition to the tasks specified in the provisions of this Collective Agreement; any such additional responsibilities shall be in accord with the provisions of this Collective Agreement. The Letter of Appointment to the position of Chair shall be co-signed by the Dean and the Provost or designate and shall be placed in the Member's Official File.

14.1 Any subsequent changes to the arrangements made according to the provisions of Clause 14 of this Article must also follow the provisions of Clause 14.

- 14.2 Should negotiations with a candidate fail, the Department Chair Selection Committee shall reconsider the applicants and shall make a new recommendation to the Employer through the Dean.
- 14.3 Where an external candidate is appointed as Chair, the Dean shall provide this candidate with a Letter of Appointment, co-signed by the Provost or designate, stating the terms and conditions of the Appointment as well as any arrangements described in Clause 14 of this Article. These shall not conflict with the provisions of this Collective Agreement. The Dean shall also inform this candidate that they will be a Member of the Bargaining Unit and shall give them a copy of the Collective Agreement.

Directors of Schools

15. Each School shall have a Director.
16. The Director shall have a Tenured or Continuing Status Appointment or, in exceptional circumstances, be a Member with an Externally-Funded Appointment or a Member from a Clinical Department. Such exceptions may occur only if the prospective Director is at least at the rank of Associate Professor and, in the opinion of the Selection Committee, has appropriate experience in each of Teaching, Research or Scholarship Activities and Service. Where such exceptions occur, the Member who serves or has served as Director shall not be dismissed from their faculty appointment if they are within five years of the starting date of their initial appointment except and only in accord with the provisions of the Article *Discipline*, and any non-renewal beyond the Member's sixth consecutive year of service shall only be on one or more of the grounds listed in Clause 8.3 of the Article *Appointments*. A faculty member may not simultaneously be a Director and a member of the Board of Governors.
17. The Dean with fiscal responsibility for the School shall consult with the Director on the School's budgetary requirements and delegate administrative responsibilities to the Director. Such responsibilities shall be in accord with this Collective Agreement and shall be specified in the Letter of Appointment described in Clause 14. With respect to the Provisions of the Articles *Performance Evaluation, Appointments, Promotion, Tenure and Continuing Status* and *Workload*, the responsibilities of the Director shall include those assigned to the Department Chair in this Collective Agreement.
- 17.1 The Employer shall be responsible for developing and establishing a training program to familiarize Directors with specific procedures necessary to implement the provisions of this Collective Agreement.

- 17.2 When an alleged violation of the Collective Agreement by a Director is brought to the attention of that Director's Dean, then that Dean shall consult with the Director on this matter in a timely manner.
18. The Dean shall consider and respond to any proposals or issues concerning the School brought forward by the Director.
19. The terms of employment, and process of selection and Appointment of Directors shall be in accord with the provisions of Clauses 4 through 14, inclusive, of this Article; for these purposes, the terms Chair and Department in Clauses 4 through 14 of this Article shall be replaced by Director and School, respectively.

DISCIPLINE ([back](#))

General

1. A Member may be disciplined only for just cause and in accord with the provisions of this Article and only after a determination by the Employer that discipline of the Member is warranted. Such disciplinary action shall be consistent with the principle of progressive discipline, commensurate with the seriousness of the offense.

Types of Discipline

2. The following disciplinary measures may be taken by the Employer against a Member and documented in the Member's Official File:
 - a) a written warning or reprimand;
 - b) suspension with pay;
 - c) suspension without pay; or
 - d) dismissal for cause.

Written Warning or Reprimand

3. A written warning or reprimand shall contain a clear statement of the reasons for taking the action and shall be clearly identified as a disciplinary measure. Where a Member disagrees with the substance of a warning or reprimand, they may file a reply which will form part of the Official File.
 - 3.1 The failure of a Member to grieve a warning or reprimand shall not be deemed an admission of the validity of the warning or reprimand.

Suspension

4. Suspension is the act of the Employer in relieving, for cause, some or all of a Member's duties and/or entitlements, including revocation of graduate student supervision status, without the Member's consent.

- 4.1 For the purposes of this Article, “revocation of graduate student supervision status” shall include any withdrawal by the Employer of such status or ability to engage in student supervision without a Member’s consent, including partial withdrawal or diminution of such status. Non-renewal of membership in the School of Graduate and Post-doctoral Studies, without the Member’s consent, shall constitute suspension.

Dismissal

5. Dismissal means the termination of Appointment without the Member's consent but does not include termination under the Article Closure or Reorganization of an Academic Unit.
- 5.1 Mere non-renewal of a Limited-Term or Visiting or Externally-Funded or Limited-Duties Appointment does not constitute dismissal. Not granting Tenure to a Probationary Member does not constitute dismissal.
- 5.2 Grounds for dismissal of a Member shall be:
- a) gross misconduct, which may be found to arise from a single incident but which also may include repeated serious misconduct;
 - b) persistent failure to discharge Academic Responsibilities through incompetence or neglect of duties; or
 - c) abandonment of duties.

Medical Disability

6. Medical disability shall not be cause for discipline. If the Employer considers a Member's behaviour to be unacceptable and believes this behaviour may be the result of illness, the Employer may require the Member to undergo a medical examination pursuant to Clause 16 of the Article Income Security.
- 6.1 If a Member is relieved from duties pending the outcome of the procedure established under Clause 6, the Member shall be deemed to be on sick leave and shall receive salary and benefits in accordance with the Article Income Security.

Disciplinary Process Distinct from Assessments

7. Disciplinary processes shall be distinct from academic assessment processes such as are used for Promotion, Tenure and Continuing Status and Performance Evaluation.

Discipline

- 7.1 Notwithstanding Clauses 1, 7 and 17.1 of this Article, the Employer may introduce the Dean's reports from the Article *Performance Evaluation* under Clause 12.3.1 before an arbitrator to speak to persistent failure to discharge Academic Responsibilities or abandonment of duties.
- 7.2 The fact that a disciplinary measure is contemplated or has been imposed cannot be considered in an assessment; however, the facts that resulted in or may result in the imposition of discipline may be considered if relevant to an academic assessment.

Investigation Process Distinct from Investigation Processes in Discrimination and Harassment and Academic Fraud and Misconduct

8. Allegations of fraud or misconduct in Research and allegations of Discrimination or Harassment shall be investigated under the terms of the Articles *Academic Fraud and Misconduct* and *Discrimination and Harassment* of this Collective Agreement, as applicable.
- 8.1 Where an investigation under the terms of the Articles *Academic Fraud and Misconduct* or *Discrimination and Harassment* results in a finding of Member misconduct that warrants discipline, the file will be referred to the Vice-Provost (Academic Planning, Policy, and Faculty) or designate and proceed in accordance with the disciplinary process outlined in Clauses 12 – 13.5 below.
- 8.2 No disciplinary action in respect of a finding of fraud and/or misconduct in Research, or Harassment and/or Discrimination shall begin under this Article before the allegation of fraud and/or misconduct in Research, Discrimination and/or Harassment is substantiated in accordance with the *Academic Fraud and Misconduct* or *Discrimination and Harassment* Article, as applicable.
9. Where the Employer decides to investigate allegations not related to fraud and/or misconduct in Research or Discrimination and/or Harassment, the investigation shall follow a process consistent with Clauses 10 – 11.7 below.

Investigation

10. All Members involved shall have the right to receive assistance and representation from the Association, as the Association deems appropriate.
11. The Employer may investigate any allegations which, if proven, would warrant taking disciplinary proceedings against a Member. Such investigation shall be limited to the specifics of the allegation. Findings from previous investigative actions by the Employer will not be considered in any current and/or new investigative process. An allegation made anonymously will be considered only if accompanied by sufficient information or if relevant facts are available to enable the assessment of the allegation and credibility of the facts and evidence on which the allegation is based without the need for further information from the person or persons who made the anonymous complaint. If the Employer decides to proceed with an anonymous allegation, the source of the allegation

will not be entitled to receive information on the status of the allegation or information concerning the outcome of any review of facts or investigation conducted in respect of the allegation.

- 11.1 In advance of an investigation, the Employer shall undertake a review of the facts in the allegation to determine whether the allegation is responsible and an investigation should be pursued. This review will be completed within fifteen (15) working days of receipt of the allegation. The Employer may consult the Member in this review of the facts. Where the Member was consulted as part of the review of the facts, the Employer shall notify the Member and, if directed by the Member, the Association in writing of any decision not to proceed with an investigation of an allegation within ten (10) days of the decision.
- 11.2 If it is determined that an investigation is warranted, the Employer shall commence the investigation within ten (10) working days of the conclusion of the review, by notifying the Respondent in accordance with Clause 11.3 below.
- 11.3 Subject to Clause 11.4 below, the Employer shall advise the Member in writing of the substance of the allegations and the scope of the investigation, and invite the Member to respond to the allegation(s) by meeting with the Employer or by submitting materials or both. The Employer shall simultaneously inform the Member of their rights under Clause 10 above.
- 11.4 If the Employer decides to begin an investigation it will:
- a) appoint an internal or external Investigator to prepare a fact-finding report in which the Investigator shall review the complaint and determine if the allegations have been substantiated;
 - b) ensure that the Investigator has relevant experience in such investigations and does not have a conflict of interest in the matter under review;
 - c) inform the Association of the name of the Investigator;
 - d) advise the President of the Association, where the Employer has made the complaint.
- 11.5 The Employer may withhold information, decide not to notify the Member or delay notifying the Member if there are grounds to believe there is a risk of significant harm to another person or to University property or that the investigation may otherwise be jeopardized.

Discipline

- 11.5.1 If the decision is made to withhold information under the terms of Clause 11.4, the Employer shall notify the President of the Association immediately and shall further provide the President of the Association with all details as they become available.
- 11.6 Members and the Employer shall maintain the confidentiality of the investigative process and its findings until its conclusion up to the imposition of discipline, if any, unless the Employer has grounds to believe that such confidentiality may put a person at risk of significant harm. In such a case, the Employer shall immediately inform the Association of its decision not to maintain confidentiality and the grounds for the decision.
- 11.6.1 All persons contacted by the Employer during the investigation shall be informed of the confidentiality requirement under Clause 11.5.
- 11.7 If the tentative results of the investigation are not available within forty-five (45) days of the start of the investigation, then within two (2) working days the Employer shall explain the delay to the Member and to the Association.
- 11.8 Where the investigation finds no misconduct, the Employer will inform the Member in writing within ten (10) working days that the process has concluded.

Disciplinary Process

12. If discipline is being proposed, the Employer shall provide the Member with a Notice of Proposed Discipline and if directed by the Member, inform the Association that such a notice has been sent within ten (10) working days of the tentative results of the investigation being known. The Notice of Proposed Discipline shall be sent before the investigation is closed and any discipline is imposed.
- 12.1 The Notice of Proposed Discipline, under Clause 12 above, shall advise the Member of the nature of any discipline proposed and shall invite the Member to attend a meeting with the Discipline Panel. The meeting shall take place within thirty (30) days of the sending of the invitation.
- 12.1.1 The Employer shall provide a copy of the investigation report to the Member, upon the Member signing the confidentiality acknowledgement provided by the Employer. The investigation report will be unredacted other than redactions applied under Clause 11.5 above or Clause 14.5.1 of the *Discrimination and Harassment* Article.
- 12.2 The Notice of Proposed Discipline shall state that the Member has the right to have an Association representative at the meeting.
- 12.3 When the Employer provides a Notice of Proposed Discipline, and the Member has sought the assistance of the Association and provides the Employer with

written consent for the Association to receive a copy of the investigation report respecting the event(s) on which the Notice of Proposed Discipline is based, the Employer will provide a copy of the report to the Association as follows:

- a) The investigation report will be provided to the Association in advance of the Member meeting the Discipline Panel;
- b) The investigation report will be unredacted other than redactions applied under Clause 11.5 above or Clause 14.5.1 of the *Discrimination and Harassment* Article; and
- c) Prior to the investigation report being delivered to the Association, the Association will sign a confidentiality agreement provided by the Employer stating that the report will be kept confidential and will not be used for any purpose other than providing representation to the Member who has received the Notice of Proposed Discipline.

13. The Member may respond to the invitation to attend the meeting with the Discipline Panel in person or through an Association representative. Should the Member fail to respond within ten (10) working days or fail to attend a meeting on the matter, without reasonable excuse, the Employer may proceed under the terms of this Article.

13.1 At the meeting, the Employer shall provide the Member with details of the disciplinary measures proposed. The purpose of the meeting shall be to permit the Member to submit documents or oral evidence and make submissions concerning the tentative results of the investigation or concerning any proposed discipline.

13.2 If a Member is reprimanded, suspended, or dismissed, they shall be given written notification within ten (10) days of the meeting with the Discipline Panel, together with the reasons for taking this action in sufficient detail to permit them to respond.

 - d) age; or
 - e) physical or mental illness or disability (provided that such condition does not interfere with the ability to carry out the Member's Academic Responsibilities; but this exception shall not relieve the Employer from its duty to accommodate in accordance with the *Human Rights Code*, R.S.O. 1990, c. H.19 or other applicable legislation); or
 - f) place of residence (except where the place of residence would interfere with the carrying out of any part of the Member's Academic Responsibilities); or

Sexual Harassment

- 5.1.1 *Sexual Harassment* includes comment or conduct of a sexual nature such as, but not limited to, sexual assault, verbal abuse or threats, unwelcome sexual invitations or requests, demands for sexual favours or unwelcome innuendo or taunting about a person's body, physical appearance or sexual orientation and includes situations where:
 - a) submission to such conduct is made either explicitly or implicitly a condition of an individual's employment, academic status or academic accreditation; or
 - b) submission to such conduct by an individual is used as a basis for employment, or for academic performance, status or accreditation decisions affecting such individual; or

Discrimination & Harassment

- c) such conduct interferes with an individual's work or academic performance; or such conduct creates an intimidating, hostile or offensive working or academic environment.

This definition of Sexual Harassment is not intended to inhibit interactions or relationships based on mutual free consent or normal social conduct between employees or bona fide academic discussion. However, Members who have authority over or the ability to confer or refuse benefits of an academic or financial nature and who are involved or become involved in a relationship with a student or employee could be in a situation where the ability of the student or employee to consent is compromised and thus such relationship should be embarked on with caution. In any event such relationships shall be declared in accordance with the Article *Conflict of Interest and Conflict of Commitment*.

Personal Harassment

- 5.1.2 *Personal Harassment* includes conduct and/or behaviours which create an intimidating, demeaning or hostile working or academic environment whether or not it is based on the prohibited grounds defined in the *Human Rights Code* and listed in Clause 2.

For the purposes of this Article, Personal Harassment includes *Workplace Harassment* as defined under the *Occupational Health and Safety Act* as engaging in a course of vexatious comment or conduct against a worker in a workplace that is known or ought reasonably known to be unwelcome.

- 5.1.3 Harassment does not include:
 - a) interpersonal conflict or disagreement;
 - b) the proper exercise of the performance evaluation provisions of this Collective Agreement; or
 - c) the exercise of expression protected by the Article *Academic Freedom*.

Responsibilities of the Parties

- 6. Violence and Threats to Safety

7. Where a Member becomes aware of circumstances that might reasonably be interpreted as a threat to the safety of any member of the campus community, or becomes aware that any member of the campus community is a victim or perpetrator of violence including domestic violence, the Member shall immediately report this information to the Campus Police.

7.1 The parties acknowledge the Human Rights Officer may be required by law to release relevant information to law enforcement agencies or to the Employer regarding threats to safety or potential violence. Where any such release involving a Member is deemed necessary, the Human Rights Officer shall notify the President of the Association.

- 8.2 With respect to matters arising under the terms of this Article Members may be represented by legal counsel at their own expense.

No Reprisal or Retaliation

9. Any reprisals, retaliation or threats of reprisals or retaliation for pursuing rights under this Article, for having participated in procedures, or for acting in any role under these procedures are prohibited. Any such alleged reprisal or retaliation or threat thereof shall be grounds for laying a complaint under this Article and proceeding directly to a fact-finding investigation of the alleged reprisal or retaliation as described in Clause 14 of this Article.
10. Any Grievance arising from the application of this Article is limited to a complaint that the procedure(s) of this Article was (were) not followed, except for the following:
 - a) a Grievance that a remedy provided by the Employer is inappropriate or inadequate; or
 - b) a Grievance claiming that the determination of the Employer is inconsistent with the Investigator's finding of fact; or

- 10.1 Members may seek assistance from the Human Rights Tribunal of Ontario (HRTO), in accordance with the HRTO time limits, even when taking steps under this Article.

- 10.2 If the circumstances giving rise to a complaint under this Article independently give rise to proceedings before the HRTO or to proceedings in the courts or to the laying of a criminal charge, then any action under this Article shall be suspended until such proceedings are concluded.
- 10.3 The Employer shall not be restricted in fulfilling its responsibilities under the *Human Rights Code*, other applicable legislation, or where the safety of individuals is threatened or compromised.
- 10.3.1 Where the Employer deviates from any procedure set out in this Article in order to fulfill its responsibilities under Clause 10.3, it shall notify the Association should the matter involve a Member.

Conflict of Interest

11. Any person involved in the application of any of the provisions or procedures under this Article shall, on the grounds of conflict of interest or reasonable apprehension of bias, immediately declare any such conflict of interest or bias to the parties to the complaint, to the Vice-President (Resources & Operations) or designate and to the Association. The Vice-President (Resources & Operations) or designate shall forthwith provide a replacement for the person who has made the declaration.

The Vice-President (Resources & Operations) or designate shall immediately inform the Association of any such declaration. The Vice-President (Resources & Operations) or designate shall also immediately inform the person named in the declaration, and that person shall be given a reasonable opportunity to respond to it. Where the Vice-President (Resources & Operations) sustains the objection and appoints a replacement, they shall provide the Association with reasons for the replacement.

Reporting and Assessment of Incidents and Complaints of Discrimination and/or Harassment

12. Any Member who believes that they have been subjected to, or have witnessed, behaviour that violates this Article, should immediately report their concerns or the incident to the Human Rights Officer.

- 12.1 Whenever a person seeks assistance with a matter relating to Discrimination or Harassment from someone other than the Human Rights Officer, the person shall be advised to contact the Human Rights Officer. In addition, the person being asked for assistance should immediately contact the Human Rights Officer to advise the Human Rights Officer that assistance has been sought. The Human Rights Officer shall be responsible for acting on the information received in a timely manner.
- 12.2 The Human Rights Officer shall provide a confidential consultation to discuss concerns and/or incidents that may be encompassed under this article. If the Human Rights Officer determines that the facts alleged if proven would constitute Discrimination or Harassment under this Article, the Human Rights Officer shall advise the Member that the Member can choose from the following options:
- a) request alternate resolution;
 - b) file a complaint and request investigation; or
 - c) not pursue the matter further. Such a decision does not bar the Employer from taking any action deemed necessary in relation to its obligations under the *Occupational Health and Safety Act*.
- 12.3 The Employer agrees that it shall take disciplinary action against those who make allegations of Discrimination & Harassment that are reckless, malicious or not in good faith.

Option A: Request for Alternate Resolution

13. Alternate resolution normally refers to options *other than* a complaint process. It is a problem-solving approach that has the goal of achieving a resolution satisfactory to all parties. Alternate resolution is normally not appropriate where one of the parties desires a formal procedure which may result in a decision imposing corrective, preventive, remedial or disciplinary consequences.
- 13.1 Each situation is unique and it is necessary for the Human Rights Officer to have flexibility in determining the most appropriate options to attempt to reach a resolution. In order for the alternate resolution to proceed, all parties must agree to participate in the process. Some examples of alternate resolution include:
- a) facilitated discussion;
 - b) mediation; or
 - c) education.
- 13.2 The Human Rights Officer retains the discretion to approve a request for alternate resolution where:

Discrimination & Harassment

- a) the request was made within six (6) months of the date of the last incident;
 - b) the matter is within the jurisdiction of the University, i.e., involves employees and/or students of the University; and
 - c) the issues to be addressed through alternate resolution are within the scope of the Article, i.e., alleging Discrimination or Harassment.
- 13.3 There may arise circumstances where, in the opinion of the Human Rights Officer, alternate resolution is not a viable option. Such circumstances include, but are not limited to, situations where:
- a) there is a safety risk to either or both of the parties;
 - b) there is significant power imbalance between the parties;
 - c) the remedy sought by one party is of a monetary or a punitive nature; or
 - d) the prospects of resolution appear to be unlikely.
- 13.3.1 If the Human Rights Officer approves a request for alternate resolution, the Human Rights Officer shall advise the relevant parties of this decision.
- 13.3.2 If the Human Rights Officer does not approve a request for alternate resolution, the Human Rights Officer shall advise the Member requesting alternate resolution of this decision in writing within ten (10) working days after that decision has been made and shall provide reasons for not considering alternate resolution to be a viable option.
- 13.4 The Human Rights Officer may, at any time, refuse to continue alternate resolution proceedings based on information or concerns related to the factors specified in Clauses 13.2 and 13.3. Where alternate resolution is terminated, the Human Rights Officer shall provide reasons for their decision.
- 13.5 Alternate resolution proceedings shall be completed within twenty (20) working days of receiving the request for alternate resolution. This time period may be extended upon agreement between the Human Rights Officer and relevant, involved party(ies), to a maximum of forty (40) working days.
- 13.6 If alternate resolution proceedings do not result in settlement of all issues, the Human Rights Officer shall advise all relevant, involved parties of the option to file a Complaint and Request for Investigation.

- 13.7 If a resolution consistent with the terms of this Article and any applicable legislation (e.g., the *Ontario Human Rights Code* or *Occupational Health and Safety Act*) is achieved, all parties shall sign a statement of the terms of resolution. The terms of resolution will indicate that a Member has the right to seek the advice of, or provide a copy to, the Association. A copy of the terms of resolution shall be retained in the files of the Human Rights Officer for a period of five (5) years and shall not be placed in the Member's Official File.
- 13.8 If the terms of resolution entail action by the Employer, the Employer shall agree to undertake such action by signing the written resolution. If the Employer refuses to take such action, it shall not sign the statement and shall state in writing to the parties why it refuses to do so. Such a response from the Employer can be grieved proceeding directly to Step 2 of the grievance procedure in accordance with Clause 13 of the Article Grievance and Arbitration.

Option B: Complaint and Request for Investigation

14. A complaint may be submitted within twelve (12) months of the latest alleged incident of Discrimination and/or Harassment directly to the AVP-HR (or designate).

The complaint shall be in writing and include:

- a) the name(s) of the Complainant(s);
 - b) the name(s) of the Respondent(s);
 - c) date, time and place of the incident(s);
 - d) any relevant information or evidence to support the allegation including names of witnesses; and
 - e) sufficient information for the Respondent(s) to be able to respond.
- 14.1 Following receipt of the complaint, the AVP-HR (or designate) shall determine the following:
- a) whether the complaint was received within 12 months of the latest alleged incident;
 - b) whether the matter is within the jurisdiction of the University, i.e., involving employees and/or students of the University;
 - c) whether the allegations are within the scope of this Article;

Discrimination & Harassment

- d) whether the allegation contains sufficient information for the Respondent(s) to be able to respond; and
 - e) which interim measures are required, if any, during the complaint and investigation process.
- 14.2 Where the AVP-HR, or designate, determines that the criteria in Clause 14.1 are met, and an investigation will be undertaken, they shall, within ten (10) working days following that determination, provide written notice to the Complainant and the Respondent that there is a complaint that will be investigated. The notice shall provide the name of the investigator or indicate that an investigator will be appointed and shall indicate that the Member may seek the advice and support of the Association.
- 14.2.1 If the AVP-HR or designate determines that an investigation will not be undertaken, they shall, within ten (10) working days following that determination, provide written notice to any Member who is a Complainant and shall provide reasons for this decision.
- 14.2.2 If the AVP-HR or designate cannot make a decision as to whether an investigation will be undertaken within ten (10) working days, they shall provide written notice to the Association that there is a complaint involving a Member or Members which may, at some point, require an investigation, together with the reasons for not being able to make a decision at that time. Any Member who is a Complainant shall also be informed that a decision concerning an investigation is under consideration. The status of the complaint shall then become an agenda item to be discussed at all bi-monthly meetings described in Clause 15.
- 14.3 If the AVP-HR or designate decides to begin an investigation the AVP-HR shall, in a timely manner:
- a) appoint an internal or external Investigator to prepare a fact finding report in which the Investigator shall review the complaint and determine whether Discrimination and/or Harassment has been established;
 - b) ensure that the Investigator has relevant experience in such investigations and does not have a conflict of interest in the matter under review;
 - c) inform the Association of the name of the Investigator;
 - d) contact the Association's Grievance Officer for consent, where an internal Investigator is proposed;

- e) advise the President of the Association, where the Employer has made the complaint.
- 14.4 The Employer-approved costs of the external Investigator shall be borne by the Employer.
- 14.5 The Respondent shall be informed by registered mail or equivalent of any and all allegations by being provided a copy of the complaint and any interim measures to be taken under Clause 14.1 e) within ten (10) working days of the Investigator's appointment. The Respondent shall be provided the opportunity to respond in writing and/or in person to the complaint. Any written reply shall be provided to the Complainant and to the Investigator within ten (10) working days of the latest of:
- a) the receipt of the complaint; and
 - b) any interview with the Investigator.

Where the Complainant(s) fail(s) to participate in an Investigation, the complaint shall be deemed withdrawn. Where a Respondent fails to participate the Investigation may proceed in absentia, and a finding may be made against the Respondent in accordance with Clause 14.7. No Member shall be required, except as required by law, to participate as a witness in an investigation.

14.5.1 The Employer may withhold information, decide not to notify or delay notifying a Member who is the Respondent if there is believed to be a risk of harm to any person or to University property or that the investigation may otherwise be impacted.

14.5.1.1 If the decision is made to withhold information under the terms of Clause 14.5.1, the Employer shall notify the President of the Association immediately and shall further provide the President of the Association with all details as they become available.

14.6 Members and the Employer shall maintain the confidentiality of the investigative process and its findings until the imposition of discipline, if any, unless the Employer has grounds to believe that such confidentiality may put a person at risk of significant harm. In such a case, the Employer shall immediately inform the Association of its decision not to maintain confidentiality and the grounds for the decision.

14.6.1 Members contacted by the Employer during the investigation shall be informed of the confidentiality requirement under Clause 14.6.

- 14.7 Should the allegation of Discrimination and/or Harassment be substantiated the disciplinary processes shall be in accordance with Clauses 10.5 through 11.5 of the Article *Discipline*.

the Association files a grievance in respect of the investigation, a copy of the Investigation Report shall be provided to the Association, upon consent of the Member.

- 14.7.1 A Member who is a Complainant or Respondent (or the Association with the Member's consent) may access the Investigation Report in the Office of the AVP- HR. In the event an Investigation Report involving a Member as a Respondent concludes that the allegation of Harassment and/or Discrimination has been substantiated and the Report is to be used in a disciplinary proceeding, or where the Association files a grievance in respect of the investigation, a copy of the Investigation Report shall be provided to the Association, upon consent of the Member.
- 14.7.2 Any outcome or resolution of a matter achieved through the processes indicated in Clauses 14 through 14.5.1 above, including the complaint, any written response(s) by a Respondent, or other written records, shall remain with the complaint as it may move forward and shall be retained by the Human Rights Officer/AVP-HR.
15. The AVP-HR or designate, the Human Rights Officer, and up to two (2) representatives appointed by the Association shall meet on a bi-monthly basis and shall review the status of proceedings under this Article involving Members as Complainants or Respondents.

16. All documents related to a complaint filed according to Clause 14 of this Article shall be retained in confidence for ten (10) years in the Human Rights Office. Such files in the Human Rights Office may only be accessed by the Human Rights Officer or the AVP-HR. Files will be destroyed, in a confidential manner, after the ten-year period.

These restrictions may be modified in individual cases by the Provost, on recommendation from the Dean, at the request of the Member. Approval of any such request shall not be arbitrarily withheld.
2. The purpose of Education Leave is to provide the Member with a period in which to pursue studies, or to undertake training or other activities, including teaching-related research, in order to expand or improve their qualifications in the area of Teaching. Such Leave shall not be granted merely to enable the Member to fulfil the requirement to maintain competence under Clause 9 of the Article Academic Responsibilities of Members, but may be granted where the Employer determines that the Leave will be of sufficient benefit to the Member's Unit(s), and that the Leave will not interfere with the ability of the Unit(s), to meet their operational requirements. Notwithstanding, such leave will not be arbitrarily denied. If the request is denied, the Employer shall give written reasons for the denial.
3. All Full-Time Members are eligible to apply for Education Leave.
4. An Education Leave shall not exceed one year.
5. Members granted an Education Leave shall be obliged to return to their previous position for a time equal to the period of the Leave. Should a Member not satisfy this condition, the Member shall be indebted to the Employer for the sum of the salary, benefits and pension contributions paid to the Member by the Employer during the Education Leave, unless the Employer waives such obligation.
 - 5.1 If a Member becomes ill or injured such that the Education Leave cannot be completed, the Member may choose to cancel the Education Leave. 9. Any application for Education Leave shall be made by a Member to the Dean of the Member's home Faculty, with a copy to his or her Chair or Director where applicable, and a copy to the Vice-Provost (Academic Planning, Policy and Faculty). 2. A Member campaigning for election to public office shall speak and write as a private citizen and not as a representative of the University.
3. A Member who is elected to full-time public office shall be granted Elected Public Office Leave without salary or benefits for the duration of the public office term. The Member may elect to pay the cost of benefits and/or pension contributions during the period of the Leave. During the Leave, the Employer will not contribute towards the cost of benefits, including pension.
4. The Elected Public Office Leave shall end when the Member's first public office term expires or, if the Member successfully seeks subsequent terms of office, at the end of five years, whichever is longer.  - b) the Member affected and the Association shall be given an opportunity to address the basis for the Employer's actions, should they choose to do so, and to suggest alternatives to the suspension; and
 - c) the suspension of the Member under the provisions of this Article shall be for a period no longer than necessary to address the concern of the Employer in Sub-Clause 1 a) hereof.
3. Grievances under this Article shall begin at Step 2.

EMPLOYMENT EQUITY ([back](#))

1. The Parties endorse the principle of equity in employment. Employment Equity involves hiring the most suitably qualified candidate for any open position while ensuring that the hiring process and the qualifications required for each position are fair and equitable for all persons. The Parties agree to cooperate in the identification and removal of all barriers to the recruitment, selection, hiring, retention, and promotion of the following groups: women, Indigenous people, persons with disabilities, members of racialized groups, and persons of any sexual orientation or gender identity. Other groups as may be designated as under-represented in federal and provincial human rights legislation or agreed to by the Parties may be included in this list.
2. The Parties agree to work towards increasing the proportion within the Bargaining Unit of members of these groups, to improve their employment status and to ensure their full participation in the University community.
3. Based on a process of voluntary self-identification, the Employer shall maintain an ongoing employee data base to identify membership in the designated groups.
4. The Employer agrees to use the following search procedures to find qualified members of under-represented groups for Full-Time Appointments.
 - a) advertisements placed in *University Affairs (UA)* and the *Canadian Association of University Teachers (CAUT) Bulletin* or their successors, and in other relevant professional journals, national newspapers, listservs and websites. Choice of paper or electronic editions will be at the discretion of the Appointments Committee.
 - b) In consultation with the Appointments Committees, the Employer, through the Office of Equity, Diversity and Inclusion, shall develop and maintain a list of relevant contact associations representing designated groups to which notice of the advertisement shall be sent;
 - c) Advertisements shall indicate that the University is committed to employment equity and diversity and that applications are welcome, particularly from designated groups. All such advertisements shall be audited by the Office of Faculty Relations for compliance with this policy;
 - d) letters from the appropriate Dean, Chair and/or Director, as applicable, to their equivalents in other Canadian universities inviting qualified women, members of racialized groups, Indigenous people, persons with disabilities and persons of any sexual orientation or gender identity to apply for advertised positions;

- e) other measures as authorized by the Dean, in consultation with the Chair of the Department or Director of the School searching for candidates and the office responsible for employment equity matters in the University.
5. When making a recommendation for a Full-Time Appointment to the Dean, the Appointments Committee or equivalent shall make a report on the search process that shall include:
- a) the total number of applicants and the number with doctorates or other appropriate professional qualifications, the numbers of male and female applicants and, where known, the same information for applicants from the other designated groups;
 - b) a ranked short-list which formally presents the qualifications of each candidate and the reasons for the ranking. This report shall also include explicit statement of the rationales for the exclusion of any qualified candidates who are known to be members of the designated groups. The Committee shall review this report before recommending any formal offer of Appointment;
 - c) where the information required in Clauses 5 a) and 5 b) of this Article is incomplete or otherwise problematic, the available information shall nevertheless be reported as fully as possible, with explanation. So as to improve the quality of this information, the Employer shall develop appropriate methods of collecting and reporting the information;
 - d) a comparison of the composition of the applicant pool with available data reflective of applicant pools for similar positions elsewhere in Canada shall be undertaken prior to short-listing of candidates. Should the comparison reveal a significant under-representation of a designated group, the Appointments Committee shall undertake further efforts to attract candidates from that designated group before short-listing;
 - e) the total number of applicants who received interviews, the number of males and females who received interviews, and, where known, the same information from applicants from other designated groups; and
 - f) for an individual being recommended for a Full-Time Appointment, any information concerning their membership in any of the designated groups.
6. The criteria used to evaluate candidates for Appointment, renewal, Promotion and Tenure shall not allow for systemic discrimination against members of designated groups, or against individuals by reason of the factors listed in Clauses 2 (a) through 2 (h) of the Article *Discrimination and Harassment*.

Employment Equity

7. The Employer shall fill and maintain the full-time position of Director Human Rights Office and provide support for that position.
8. The Employer shall give all Members chosen to serve on Appointments and Promotion, Tenure and Continuing Status Committees access to a copy of the current *Employment Equity Guide for Committees Established Under the Faculty and Librarian/Archivists Collective Agreements*, as updated June 2014, and any other relevant information about the equity context, federal and provincial legislation (including immigration statutes) and University policies. This *Employment Equity Guide* shall be made available, in electronic form, on both the University and the Association websites. Members shall familiarize themselves with such information as a condition of serving on such committees. Furthermore, the Dean, or designate, shall ensure that committees are aware of the relevant legislation and University policies, and the Dean or designate and the Members participating in the work of the committees shall share responsibility for ensuring that the relevant legislation and University policies are followed throughout the deliberation of the committees. The committees may call upon the Human Rights Office for assistance.
9. Within each Faculty, the Dean or Dean's designate, shall ensure the Appointments (including Search), Performance Evaluation, and Promotion, Tenure and Continuing Status Committees adhere to the rules and expected practices that assure equity as articulated in the *Employment Equity Guide* referred to in Clause 8, by designating one (1) member (normally with Tenure or Continuing Status) of each these Committees as that Committee's Equity Representative. Those with this responsibility will require training as determined appropriate by the Associate Vice-President of Equity, Diversity and Inclusion (or designate).
10. The Parties agree to maintain the presently established Employment Equity Committee. This Committee shall consist of: two representatives appointed by the Association, at least one of whom shall be a member of one of the designated groups; two representatives appointed by the Employer, at least one of whom shall be a member of one of the designated groups; and the Associate Vice-President of Equity, Diversity and Inclusion (or designate), who shall be a non-voting member. A representative of the Association and a representative of the Employer shall serve as co-chairs of the Committee.
11. Before the conclusion of each Academic Year, the Employment Equity Committee shall receive data sorted by gender and by such other designated groups for which data are available, on the number of Probationary and Tenured faculty candidates interviewed and/or hired in that year. An updated report shall be sent to Senate, the Board and the Association by January 31 of the following year.

12. The Employment Equity Committee shall be advisory to the President's Standing Committee on Employment Equity or its successor(s) and shall:
 - a) serve as a vehicle for discussions between the Parties concerning the development, implementation and monitoring of such equity programs as are or may be required by law, or by University policy and this Collective Agreement;
 - b) periodically review the criteria for the evaluation of candidates for Appointment, renewal, Promotion, Tenure and Continuing Status, and the implementation of these criteria, to determine whether either the criteria or practices systemically discriminate against members of designated groups, or against individuals by reason of the factors listed in Clauses 2 (a) through 2 (h) of the Article *Discrimination and Harassment*;
 - c) consider, after completion of an annual statistical survey and analysis by the Office of Equity, Diversity and Inclusion and the Committee, whether or not, and to what extent, there are inequities in the representation of designated groups within the Membership of the Bargaining Unit;
 - d) consider whether or not there are other groups of persons who have a reasonable, just and demonstrable claim for consideration, in addition to the individual protections provided to them pursuant to the Article *Discrimination and Harassment*. If the Employment Equity Committee identifies such situations, it may bring forward recommendations to the Association and the Employer for consideration; and
 - e) through the Joint Committee, submit recommendations to the Employer and the Association for consideration, and to the President's Standing Committee on Employment Equity or its successor(s) for information.

ENTRY OR RETURN OF ACADEMIC ADMINISTRATORS TO THE BARGAINING UNIT ([back](#))

1. Any Academic Administrators who are excluded from the Bargaining Unit by virtue of their office shall, upon completion of their term of office or resignation or removal therefrom take up Membership in the Bargaining Unit as Full-Time Members in the Faculties or Departments in which they hold continuing Appointments.
- 1.1 Upon completion of five continuous years or more in an Academic Administrative position, an Academic Administrator is entitled to twelve months Modified Alternative Workload. An Academic Administrator serving for less than five years is entitled to a period of Modified Alternative Workload of two months for each year served in the Academic Administrative position. An Academic Administrator may not accumulate more than twelve months of Modified Alternative Workload eligibility.
 - 1.1.1 This arrangement shall allow a Member who has served as an Academic Administrator to devote themselves to Research and/or Teaching, either exclusively, or to a greater extent than expected for a Member with a Normal Workload. Such a period of Modified Alternative Workload shall be arranged using the provisions of the Article *Alternative Workload*, with the exception of the provisions of Clauses 2 and 2.1 of that Article, and shall be agreed to at the time of Appointment to the Academic Administrative position.
 - 1.1.2 The period of Modified Alternative Workload shall be continuous, shall begin immediately upon completion of the term of the Academic Administrative position and shall commence on July 1 or January 1 except by mutual agreement of the Member and the Employer.
 - 1.1.3 Unless specified otherwise in the Letter of Appointment to the Academic Administrative position, any vacation to which a Member is entitled in a year during which the Member has a Modified Alternative Workload that includes the period July 15 to August 15 shall be deemed taken during the period of Modified Alternative Workload.
 - 1.1.4 Subject to the provisions of Clause 1.1.5 of this Article, a period of Modified Alternative Workload must be separated from a period of Sabbatical Leave or other Leaves (with the exception of Compassionate Leave, Court Leave, Pregnancy and Parental/Adoption Leave and Sick Leave) by a minimum of twelve months.
 - 1.1.5 A period of Modified Alternative Workload can be combined with other periods of Modified Alternative Workload, Sabbatical Leave or other Leaves (with the exception of Compassionate Leave, Court Leave, Pregnancy and Parental/Adoption Leave and Sick Leave) as long as the total period does not

Entry or Return of Academic Administrators to the Bargaining Unit

exceed twelve months, except by mutual agreement of the Member and the Employer.

- 1.1.6 Sabbatical Leave eligibility shall not be accumulated during the period served in the Academic Administrative position or during the period of Modified Alternative Workload.
2. Subject to the provisions of Clauses 8.3 b) and 18.10.1 b) of the Article *Appointments*, Members shall not be displaced from their Faculties or Departments by reason of the return of Academic Administrators to the Bargaining Unit.

EXCHANGE LEAVE ([back](#))

1. With the exception of Caregiving Leave, Compassionate Leave, Court Leave, Pregnancy and Parental/Adoption Leave and Sick Leave, at least two years of full-time continuous service shall elapse between any two successive Leave periods, and a Member shall not be on Leave for more than twenty-four months in any seven- year period. These restrictions may be modified in individual cases by the Provost, on recommendation from the Dean, at the request of the Member. Approval of any such request shall not be arbitrarily withheld.
2. An Exchange Leave occurs when a regular Full-Time Member participates in an exchange program with another university with whom the Employer has an exchange agreement. In such instances, the Member is replaced by a faculty member from the other university. While on an Exchange Leave a Member's distribution of Academic Responsibilities remains the same as if the Member were not on Leave unless arrangements have been made under the Article *Alternative Workload*.
3. All Full-Time Members are eligible to apply for an Exchange Leave. Such a Leave may be granted where the Employer determines that the Leave will be of sufficient benefit to the University, and that the Leave will not interfere with the ability of the Member's Unit(s) to meet their operational requirements.
4. Participants in the exchange program need not be from the same discipline.
5. The salaries and benefits of the participants will be the responsibility of their respective home universities.
6. An Exchange Leave shall not exceed one full year.
7. A Member granted an Exchange Leave may request a Moving Expense Reimbursement and/or a Research Grant, in lieu of a portion of their salary, while on Exchange Leave, in accordance with Clauses 52-52.4 in the Article *Compensation and Benefits*.
8. Sabbatical Leave credit shall be earned during this Leave, subject to the provisions of the Article *Sabbatical Leave*.
9. Any application for Exchange Leave shall be made by the Member to the Dean of the Member's home Faculty. The application shall describe in detail the duration, nature and expected benefits of the exchange, including provisions for evaluation during and after the exchange, and shall include the *curriculum vitae* of the other participating faculty member. A Member shall apply in writing at least six months before the proposed Leave is to take effect.

10. Where a Member's Appointment is in a Department or School, the Dean shall consult with the Department Chair or School Director. The Employer shall then approve or deny the application. Such approval shall not be arbitrarily withheld and any decision not to approve the application shall be accompanied by written reasons.
11. Members on Exchange Leave are not eligible for consideration for Promotion and/or Tenure or Continuing Status while on Leave. In the case of a Member on a Probationary Appointment the period of the Exchange Leave is included in the term of the Appointment. The record of activity in Teaching, Research or Scholarship Activities, and Service during the Exchange Leave shall be included if/when a participant is subsequently considered for Promotion and/or Tenure or Continuing Status.
12. If a Member becomes ill or injured such that the Exchange Leave cannot be completed, the Exchange Leave for that Member may be cancelled at the Member's request and the provisions of Clause 8 and subsequent Clauses of the Article *Income Security* shall apply.
- 12.1 If the Member becomes ill or injured during the first six months of a twelve-month Leave, then the Member shall have the option of completing the Leave at a later date to be agreed upon by the Member and the Dean.

FINANCIAL EMERGENCY ([back](#))

General

1. A state of Financial Emergency occurs when the Financial Commission referred to in this Article determines that substantial and recurring financial deficits or losses, determined or projected by generally accepted accounting principles, will persist for more than two years and will threaten the continued functioning of the University.
2. No Probationary or Tenured or Limited-Term Member in an Appointment created under Clause 1.1 of the Article *Transition Provisions* of the 1998-2002 Collective Agreement (Permanent Members) shall be terminated, dismissed, suspended or otherwise penalized with respect to terms and conditions of employment as a result of a state of Financial Emergency having been declared and confirmed pursuant to the procedures described in this Article; however, Members may be laid off in accord with this Article if a state of Financial Emergency has been declared and confirmed pursuant to the procedures described in this Article. Such layoff shall be Campus-wide in accord with Clause 9.
3. The expectation of short-term deficits is not Financial Emergency.
4. A determination of Financial Emergency pursuant to Clause 8.5 may be made only once with regard to any Fiscal Year and shall not be made more than two years in advance of that Fiscal Year.
5. A state of Financial Emergency shall terminate at the end of the Fiscal Year subsequent to the Fiscal Year of its determination.
6. The costs incurred by the Financial Commission shall be paid by the Employer.

Assertion of Financial Emergency

7. When the President considers that the financial situation of the University is severe enough that a state of Financial Emergency leading to layoffs may exist, the President shall give written notice thereof to the Board of Governors and the Association. As of the date of such notice, the procedures specified in this Article shall apply: no new Members may be appointed and salary and benefit increases to Members that have been negotiated but not implemented shall be suspended.
 - 7.1 Within two working days of giving notice under Clause 7, the Employer shall forward to the Association the financial documentation upon which the President's concerns were based.
 - 7.2 Within ten working days of the notice specified in Clause 7, the Parties shall establish the Financial Commission described in Clause 8.1 below.

Evaluation of Financial Situation

8. The Financial Commission shall meet to consider the possible Financial Emergency as specified in the President's formal notice and whether to confirm or deny that a Financial Emergency exists.
- 8.1 The Financial Commission specified in Clause 7.2 shall be composed of three members, one chosen by the Employer, one chosen by the Association and a Chair chosen by both the Employer and the Association. If the Parties cannot agree on the Chair, the Chief Justice of Ontario shall be asked to select the Chair.
- 8.2 The onus of proof shall be on the Employer to establish to the satisfaction of the Financial Commission that the state of Financial Emergency exists according to the assertion made in Clause 7 and within the meaning of this Article.
- 8.3 The Financial Commission shall inquire into and answer each of the following, as well as any other matters it considers relevant:
 - a) whether the University's financial position constitutes a *bona fide* financial emergency such that deficits projected by generally accepted accounting principles are expected to continue for more than two Fiscal Years;
 - b) whether in view of the essential functions of the University as defined in the Article *Academic Responsibilities of Members*, the laying-off of Members is a reasonable type of cost-saving and whether all reasonable means of achieving cost-saving in other areas of the University's expenditures have been explored and taken into account;
 - c) whether all reasonable means of improving the University's revenue position have been explored and taken into account;
 - d) whether all reasonable efforts have been made to secure further assistance from the Provincial Government; and
 - e) whether all reasonable means have been taken to reduce costs through Members' voluntary early retirement, voluntary resignation or voluntary Reduced Responsibility.
- 8.3.1 The Financial Commission shall have access to any University documents, data and records that it considers relevant to its inquiries.
- 8.4 The Financial Commission shall conduct its inquiries, including receiving the submissions of the Employer and the Association, within sixty days of its Appointment and shall report within thirty days of receiving the final submission.

Financial Emergency

- 8.5 If the Financial Commission determines that a Financial Emergency exists, its report shall specify the amount of annual reduction required in the budgetary allocation to salaries and benefits of Members over the period of Financial Emergency. The Employer may reduce the budgetary allocation for salaries and benefits of Members by laying off Members, but such reduction shall not exceed the amount of the reduction specified by the Financial Commission.

Implementation

9. The implementation of layoffs shall be supervised by a three-person subcommittee of the Joint Committee on Implementation: one chosen by the Employer, one chosen by the Association and a Chair chosen by the other two subcommittee members. The subcommittee shall verify that layoffs are consistent with the principles set out in this Clause before they are implemented.

- 9.1 Subject to Clause 9.2, Members shall be laid off across the Bargaining Unit regardless of discipline, rank, tenure status, Appointment status, length of service or performance.

- 9.2 The number of days of layoff shall be determined as follows:

- a) a Nominal Annual Salary (NAS) shall be determined for each Member. For Members holding a Full-Time Appointment, the NAS shall be the regular annual salary on the date the Financial Emergency was verified. For other Members, the NAS shall be three times the salary payable in the term in which the date the Financial Emergency was verified falls;
- b) a Standard Number of Days (SND) of layoff shall be determined. The actual number of days of layoff required of each Member shall be as follows:
 - (i) Members whose NAS does not exceed two-thirds of the Floor Salary for Assistant Professors shall not be laid-off;
 - (ii) Members whose NAS equals or exceeds four-thirds of the Floor Salary for Assistant Professors shall be required to take the Standard Number of Days of layoff, rounded down to the nearest half day;
 - (iii) Members whose NAS is between two-thirds and four-thirds of the Floor Salary for Assistant Professors shall be required to take the number of days of layoff given by the following formula

$$\frac{\text{NAS} - (.67 \times \text{Asst. Floor})}{.67 \times \text{Asst. Floor}} \times \text{SND}$$

rounded down to the nearest half day (Asst. Floor is the Floor Salary for Assistant Professors);

- c) Regardless of when the days of layoff are taken by Members, each Member's salary shall be temporarily reduced by an amount equal to 0.4167 percent for each day of layoff required,^{§§§} and such reduction shall remain in effect during the term of the verified Financial Emergency;
 - d) During a period when Members' salaries are reduced by virtue of the imposition of layoff, all benefit plans which are salary-related, including but not limited to pensions and life insurance coverage, shall continue to be based on Members' unreduced salaries, and all applicable Employer and Member contributions to such plans shall continue to be made on the basis of unreduced salaries;
 - e) The Standard Number of Days of layoff shall be that number required to achieve the reduction in the budgetary allocation to salaries and benefits for Members specified by the Financial Commission.
- 9.3 Members shall be notified of the number of their layoff days within thirty days of the date on which the subcommittee is established under Clause 9.
- 9.4 Members shall schedule layoff days so as to avoid interference with scheduled academic activities.
- 9.5 In accord with Clauses 4 and 5 of this Article, when a second or further assertion of Financial Emergency is not made, the Employer shall, at the conclusion of the period of Financial Emergency, restore all salaries to their pre-layoff level, including negotiated salary and benefit increases suspended under Clause 7.

Consecutive Financial Emergency

10. Should the Employer believe that declaration of a consecutive Financial Emergency is necessary to meet a continuing budgetary crisis, the President shall, within thirty days after the close of the period for which the verified Financial Emergency was declared, deliver the notice specified in Clause 7, which shall trigger the verification process of this Article. If no such notice is given, then the provisions of this Article shall not be triggered for one full Fiscal Year.

^{§§§} 0.4167% is 1/240. Assume 20 "working days" in each month.

Financial Emergency

- 10.1 It is understood and agreed to by the Parties that contract negotiations may take place during an asserted and/or verified Financial Emergency by mutual consent of the Association and the Employer. The Parties agree that if the term of this Collective Agreement ends during an asserted or verified Financial Emergency, the provisions of this Collective Agreement shall remain in force until the end of such emergency, or until the Parties agree by mutual consent to undertake contract negotiations. In the event that consecutive Financial Emergencies are declared, the provisions of this contract shall remain in force until such time as a verified Financial Emergency has passed and no further assertions of Financial Emergency are made as provided for in Clause 10, or until the Association and Employer agree by mutual consent to undertake contract negotiations.

GRIEVANCE AND ARBITRATION ([back](#))

General

1. The Parties acknowledge it is important to resolve disputes arising from this Agreement informally, amicably, promptly, justly, and equitably.
2. All offers of settlement shall be kept confidential and are without prejudice.
3. There shall be no reprisals of any kind taken against any Member because of the Member's participation in the Grievance and Arbitration procedure under this Agreement.
4. The Association shall have carriage of all Grievances. No Grievance may proceed to Step 1 unless it has been assumed by the Association.
5. Written communications between the Association and the Employer pursuant to this Article made by registered mail or receipted hand delivery shall be deemed to be received on the date of delivery of such communications. Written communications pursuant to this Article which are communicated electronically may be signed using the electronic signature of an authorized person and shall be deemed to be received on the date documented by a "read receipt".

Definitions

6. A Grievance is any dispute or difference between the Parties that has not been resolved informally (as described in Clause 11), arising from the application, interpretation, administration, or alleged violation of this Agreement, including any question as to whether the matter is arbitrable.
7. For the purposes of interpretation of this Article, the meaning of "circumstance" shall include the occurrence of facts which gives rise to the disputed application, interpretation, administration, or alleged violation of this Agreement, including any alleged failure to apply or administer this Agreement. To the extent that these occurring facts are part of an ongoing sequence or pattern in which these facts repeat, each day they repeat constitutes a new occurrence and thus a new circumstance.

Types of Grievance

8. An Individual Grievance is a Grievance initiated by the Association against the Employer on behalf of a single Member, who is solely affected. Only one Grievance concerning the same circumstance will be recognized. Where Grievances are similar, the Parties agree to make the necessary arrangements to hear the Grievances as a Group Grievance.
- 8.1 A Group Grievance is a Grievance involving the same issue in dispute initiated by the Association against the Employer on behalf of two or more Members, who alone are affected. The Grievance shall name only the Members who have given written consent to be named therein. The withdrawal of any Members from a Group Grievance does not thereby terminate the Grievance.
- 8.2 A Policy Grievance is a Grievance involving the interpretation, application or alleged violation of this Agreement that has implications generally for Members initiated by the Association against the Employer, or a Grievance involving the interpretation, application or alleged violation of this Agreement initiated by the Employer against the Association.
 - 8.2.1 Subject to Clause 11.2.1 of this Article, the Association agrees not to bypass the Individual or Group Grievance process by filing Policy Grievances.

Application

9. The following Grievances shall be filed at Step 2 of this Article:
 - a) Policy Grievances;
 - b) suspension or dismissal (as per the Article *Discipline*);
 - c) denial of tenure (as per the Article *Promotion, Tenure and Continuing Status*);
 - d) any Grievances for which a provision of this Agreement specifies that such Grievances shall be initiated at Step 2.

Time Limits

10. Any time limits in this Article may be extended by agreement between the Parties. If the Association fails to act within the time limits set out at any of the stages or steps of the Grievance and Arbitration procedure and has not within that period requested and been granted an extension of time from the Employer, the Grievance will be considered abandoned. If the Employer or its representative(s) fail(s) to reply to a Grievance within the time limits set out at any of the stages or steps of the Grievance or Arbitration procedure, and has not within that period requested and been granted an extension of time from the Association, the Association may submit the Grievance to the next step of the procedure.
- 10.1 One or more steps in the Grievance procedure may be omitted upon the written agreement of both Parties.

Informal Resolution

11. Except as otherwise specified in Clause 9 above, a Member or group of Members must attempt to resolve a dispute by informal discussion with their Dean/Associate Dean before the initiation of a formal Grievance. The Member or group of Members must contact the Dean/Associate Dean within one hundred and eighty (180) days of when the Member(s) knew or ought reasonably to have known of the circumstance giving rise to the dispute. A meeting shall be convened by the Dean/Associate Dean in order to deal with the matter. The Member or group of Members presenting the complaint(s) has the right to have the Association and/or an Academic Colleague present at this meeting, and to have Association representation at their request. Prior to the meeting the Dean shall inform the Member or group of Members, in writing, of this right. The Association and the Employer shall have the right to have representation at any such meeting, and to that end the Dean/Associate Dean shall simultaneously inform the Association and the Office of Faculty Relations at least five (5) working days in advance of such a meeting.
- 11.1 Should the Dean or Associate Dean declare a conflict of interest, the Dean or Associate Dean shall withdraw from the proceedings. The Provost shall appoint a Dean or an Associate Dean from another Faculty as a substitute.
- 11.2 If the dispute is resolved at the informal stage, the matter shall be reduced to writing by the Dean/Associate Dean within ten (10) working days of the meeting at which the complaint was discussed and the Member's or Members' signature(s) shall confirm their acceptance of the resolution, and their acknowledgment of being informed of the right to Association presence or representation at the informal discussion meeting. A copy of this document shall be forwarded to the Association and the Office of Faculty Relations.

- 11.2.1 The resolution of a complaint at the informal stage shall be binding on the signatories to the resolution. However, any resolution, withdrawal or abandonment of a complaint which has been referred to the informal stage shall be without prejudice or precedent and shall not be binding on the Parties to the Collective Agreement regarding any future similar issue unless the Parties to the Collective Agreement agree otherwise in writing. Such without prejudice or precedent resolution, withdrawal or abandonment of a complaint shall not preclude either Party from filing a Policy Grievance on the specific issue leading to the complaint. The resolution, withdrawal or abandonment of a complaint shall not form part of such a Policy Grievance, nor shall the Member or group of Members who are signatories to the resolution, withdrawal or abandonment of complaint be required to be a witness in the Policy Grievance.
- 11.3 If the Member(s) and the Dean/Associate Dean cannot resolve the dispute, the Dean/Associate Dean shall, within ten (10) working days of the informal meeting, forward in writing to the Member(s) reasons for denying the complaint. A copy of this document shall be forwarded to the Association and the Office of Faculty Relations.
- 11.4 If the Member fails to respond to any request for a meeting relative to the informal complaint within fifteen (15) working days of the delivery of notification of such a request, the Member shall be deemed to have abandoned the complaint. Notification of same shall be sent by the Dean to the Association and to the Office of Faculty Relations.

Formal Grievance Process

Step 1

12. Where there is no resolution at the informal stage the Association may decide to proceed with a formal Grievance. The Grievance must be filed with the Dean/Associate Dean in writing within fifteen (15) working days of the Association's receipt of the Dean's letter specified in Clause 11.3. The Association may also file a Grievance at any time during the informal stage. The Grievance shall set out the details of the circumstance giving rise to the Grievance, specify the Article or Articles or right(s) which has or have been allegedly breached, and identify the remedy sought.

Grievance and Arbitration

- 12.1 The Dean/Associate Dean or designate, who may be accompanied by another representative of the Employer, shall meet with the Member(s) and the Member's or the Members' Association representative within ten (10) working days from the receipt of the Grievance. The Member(s) also has (have) the right to be accompanied by an Academic Colleague at the meeting with the Dean/Associate Dean or designate pertaining to the Grievance. The Dean/Associate Dean or designate shall forward their written decision to the Association within ten (10) working days of such meeting. A decision to deny the Grievance shall specify reasons for denying the Grievance.
- 12.2 If the Grievance is resolved at this Step, such settlement shall be reduced to writing and countersigned by the Member(s), the Association representative and the Dean/Associate Dean or designate within ten (10) working days after the Step 1 meeting. Any such settlement shall not set a precedent with respect to any other matter or circumstances unless the Parties to the Collective Agreement agree in writing to be bound in the future by such a settlement.
Step 2
13. Failing a resolution at Step 1, the Grievance may proceed to Step 2 within fifteen(15) working days of receipt of the decision at Step 1. A Grievance filed at Step 2 shall be submitted in writing to the Provost through the Director of Faculty Relations.
 - 13.1 Grievances initiated at Step 2 under Clause 9 above must be filed within fifteen (15) working days of the date upon which the Association knew or ought reasonably to have known of the circumstance. Policy Grievances initiated by the Association in accordance with Clause 11.2.1 above must be filed within fifteen (15) working days of the date of notification to the Association of the resolution, withdrawal or abandonment of the informal complaint.
 - 13.2 The Provost or designate, who may be accompanied by another representative of the Employer, shall meet with the Member(s) and up to two Association representatives within ten (10) working days from the receipt of the Grievance.
 - 13.1.1 The same decision-maker shall not hear both Step 1 and Step 2 of the same Grievance.
 - 13.2 The Parties agree to provide copies of all documents relevant to the subject matter of the Grievance at or before the Step 2 meeting.
 - 13.3 The Provost or designate shall within ten (10) working days after the date of the last meeting under Clause 13.2 forward their written decision, with reasons, to the Association.

Step 3: Arbitration

- 14 Grievances initiated at Step 3 must be submitted to arbitration within fifteen (15) working days of the circumstance giving rise to the Grievance. If, in the course of Step 2, no settlement is reached, the Association may submit the Grievance to Arbitration within fifteen (15) working days of receipt of the Step 2 response. Submission to arbitration shall occur as follows:
- 14.1 Appointment of the Arbitrator: Except in cases where the Parties agree to the selection of an Arbitration Board, upon receipt of a notice of intention to proceed to Arbitration, the Employer and the Association shall select one Arbitrator from the list of Arbitrators in Appendix C of this Agreement. Unless otherwise agreed, Arbitrators shall be selected on a rotating basis from the list.
- 14.2 Arbitration Board: Where the Parties agree a Grievance may be submitted to an Arbitration Board. Notification shall be provided in writing to the other Party, within twenty-one (21) days of the decision to proceed to Arbitration, indicating the name of an appointee to an Arbitration Board. The third member of the Arbitration Board, who shall be the Chair of the Board, shall be selected by the Parties from the list of Arbitrators in Appendix C of this Agreement. The decision of the majority is the decision of the Arbitration Board, but, if there is no majority, the decision of the Chair governs. Appointments from within the University community to the Arbitration Board shall be unpaid and shall be deemed equivalent to Service on other University committees.

IMPLICATIONS OF TECHNOLOGY ([back](#))

1. For the purposes of this Collective Agreement, an Information and Communication Technology (ICT) is a device, technique or method used in the creation, storage, transmission, re-transmission, broadcasting, telecommunication (including teleconferencing), recording, and reception, in electronic form, of data, images, and text in support of the fulfilment of Academic Responsibilities by Members, including but not limited to the technologies of multimedia, videotape, audiotape, digital recording, computer-mediated information processing and communication (including electronic mail), and transmission or reception via the Internet or World Wide Web.

- 2.4 The Employer shall not intentionally impede or deny a Member's access to or from the Internet or specific websites or e-mail addresses except for *bona fide* legal, security or operational reasons. In a case where a Member's access is unintentionally denied, the Employer shall make all reasonable efforts to permit the re-establishment of access.

Automation or Other Technological Change

3. When, as a result of automation or other technological change, the Employer determines that new or greater skills are required than are already possessed by affected Members under present methods of operation, such Members shall be given a reasonable period to acquire skills necessitated by the new method of operation. There shall be no reduction in pay and benefits during the training period of any such Member. It is recognized that the Member may make a request for such training. Such requests shall not be arbitrarily denied. The Employer shall bear all costs associated with the training.
- 3.1 Where the Employer plans or proposes changes in existing practices with respect to ICTs that are likely to have a significant impact on the Academic Responsibilities of Members, the Employer agrees to provide the Joint Committee with information regarding the planned or proposed change, enhancement or discontinuation of any current ICT, or plans or proposals to introduce any new ICT. In determining Workload, consideration shall be given to any additional demands placed on Members who teach courses primarily by ALTs.
- 5.1 The introduction of a credit course or courses using ALTs in a Unit shall be subject to the Unit's normal collegial decision making. This requirement shall not preclude the introduction of ALTs into courses by individual Members.
6. Every reasonable effort shall be made to assign courses using ALTs in a manner consistent with the desires of Members and their familiarity with the required technology. The Chair or Director, as applicable, and Dean shall consider the innovative nature of the course, the Member's familiarity with the technology used to deliver the course, the appropriateness and effectiveness of the proposed ALTs, the effects on accessibility of the course to students, the available support for and reliability or integrity of the technology, and the availability of human resources.
- 6.1 The creation or delivery of credit courses using ALTs, other than as part of regular or specially assigned duties of a Member, shall occur through Limited-Duties Appointments, according to the provisions of the Article *Appointments*.

The provider of the IME will be mutually agreed upon; if no decision is rendered within 15 working days Employee Well-being office will proceed to refer to a provider on the list.
- 18.2 Any costs associated with documentation of medical examinations required by the Employer and not otherwise covered by Government or employer health plans shall be paid by the Employer.
- 18.3 Notwithstanding any entitlement under this Article, should a Member fail or refuse to provide medical evidence requested by the Employer under Clauses 12 or 18, the Employer may deem the Member to be on sick leave and following expiry of any available STD, LTD or WSIB benefits may discontinue salary until receipt of the requested medical evidence.
19. Subject to any disclosure or report required by statute, nothing in Clause 18 of this Article shall require, permit or allow any disclosure of any medical information from any Health Care Professional employed by the University, or any other representative of the University, other than those results of the examination referred to which pertain to the Member's ability to carry out their Academic Responsibilities.

Return to Work

20. Before a return to work following an illness- or injury-related absence of more than two weeks (fourteen calendar days), or where the Employer has reason to believe that the Member may be unable to return to work or that the Member may require accommodation, the Employer may require the Member to provide medical documentation as described in Clause 18 of this Article. This documentation shall confirm that the Member has been in the care of a Health Care Professional and that, in the opinion of the Health Care Professional,

 - b) the Member is able to return to work, with the nature and duration of any work restrictions described.

21. The Employer shall provide a collaborative return-to-work program for Members who are absent from the workplace as a result of illness or injury. The program will involve the joint efforts of the Member, a representative of the Association, the Member's Health Care Professional, the Member's Dean or designate, and the Employee Well-being office. If the return-to-work program involves assessments of physical ability by the Employee Well-being office or an independent third party, the costs of these assessments shall be paid fully by the Employer.
22. In all cases the return-to-work program shall be consistent with the Parties' duty to accommodate a Member's disability, short of undue hardship, in accord with the provisions of the *Ontario Human Rights Code*, R.S.O. 1990, c. H.19.
23. If a Member is to return to work with restrictions, the Member's Dean or designate shall contact the Employee Well-being office before the Member's return to work.
 - 23.1 Following this contact, and normally before the Member's return to work, the Member, the Dean or designate and a representative from the Employee Well-being office shall meet to discuss any accommodations required for the Member's return to work. At the Member's discretion, they may be accompanied at this meeting by a representative of the Association. Any decisions or agreements resulting from this meeting shall be reduced to writing by the Employee Well-being office. This record shall specify the nature of any work restrictions, and also the nature of any accommodations to be provided. Copies shall be provided to the Dean and the Member, and the Member's Chair or Director, if applicable.
 - 23.2 The Member shall be allowed sufficient time to consult the Association.
 - 23.3 If the Dean, or designate, and the Member both confirm that the arrangements for return to work are appropriate, the Dean or designate, a representative of the Employee Well-being office and the Member shall sign copies of the arrangements.
24. Subject to Clause 20 of this Article, any accommodation required for a Member to return to work on a full- or part-time basis, with or without restrictions, shall be provided by the Employer through the Member's Home Unit.

Retention of Previous Entitlements

25. Full-Time Members employed before October, 1969, retain the unused portion of their Sick Leave coverage credited to them to June 30, 1972, up to a maximum of six months (twenty-six weeks). If, after an absence of fifteen weeks due to a non-occupational illness or injury, a Member is unable to return to full-time employment, any unused accumulated Sick Leave credits up to a maximum of eleven additional weeks shall be used to pay the difference between the LTD and full salary.
26. In the case of a Member on a Probationary Appointment, the Promotion Tenure, and/or Continuing Status decision shall be postponed for one (1) year where the Member has taken documented sick leaves of at least twenty-four (24) weeks in a twelve-month period. Further postponement may be granted if the sick leave periods extend beyond 18 months. The letter from the Employer notifying the Member of the postponement shall advise of the postponement and state that a Member may elect early consideration in accordance with Clause 15.7.1 of the Article *Promotion Tenure and Continuing Status*.
27. Members returning from LTD shall have their salaries reinstated at a level that incorporates any negotiated increases that were implemented during the time of their leave. This shall include PLCP increases based on the assessment as described in Clause 9.5 in *Performance Evaluation*.

8. All regular correspondence between the Parties arising out of, or incidental to, this Collective Agreement, except where otherwise expressly provided, shall pass between the President of the Association (or designate) and the Office of Faculty Relations. Such correspondence may either be delivered directly in paper or electronic form, or forwarded through the University's internal postal service. Any correspondence whose original bears a signature and which is delivered in electronic form shall be supplemented by a copy of the original delivered in paper form.

INSTITUTIONAL PERFORMANCE INDICATORS ([back](#))

1. For the purposes of this Article, a New Institutional Performance Indicator is any mode of data aggregation, designed to evaluate or compare the performance of a Unit or program, that has not been used by the Employer before the ratification of this Collective Agreement, or that the Employer proposes to use for a new purpose after the ratification of this Collective Agreement.
2. The Employer shall provide the Joint Committee, established under the Article *Joint Committee*, with any New Institutional Performance Indicator that it proposes to use in any submission to an Academic Review Committee established under the provisions of the Article *Closure or Reorganization of an Academic Unit*.
3. The Employer shall not use any New Institutional Performance Indicator as part of an Employer-initiated proposal submitted to Senate or the Board seeking to close, reorganize or merge, fully, partially or gradually, an academic Unit or program where such action would trigger the provisions of the Article *Closure or Reorganization of an Academic Unit*, unless the New Institutional Performance Indicator has already been supplied to an Academic Review Committee.
4. The Employer shall provide the Joint Committee with any New Institutional Performance Indicator that it proposes to use in materials provided to external reviewers engaged to advise any Chair Selection Committee established under the provisions of the Article *Department Chairs and Directors of Schools*.
5. Any New Institutional Performance Indicator provided to the Joint Committee shall be provided to the Committee sufficiently in advance of its use to allow the Committee to meet and consider the proposed New Institutional Performance Indicator before it is used.
6. If the Association has grounds to believe that a New Institutional Performance Indicator is invalid because, in whole or in part, it is inappropriate for the purposes for which it was designed, the Association may submit its objections to the Employer.

INTELLECTUAL PROPERTY ([back](#))

Section I: Copyright

Definition

1. Section I of this Article shall apply to all copyrightable material, unless the copyrightable material is *Patentable Intellectual Property* as defined in Clause 6 of this Article in which case it will be subject to Section II of this Article. Copyrightable material includes all original scholarly, scientific, literary, dramatic, musical, artistic and recorded works in any material form.
- 1.1 Original works include but are not limited to: books, texts, articles, monographs, glossaries, bibliographies, modular posters, study guides, laboratory manuals, correspondence course packages, interactive textbooks, course work delivered on the Internet or local Intranets and/or the World Wide Web, multimedia instructional packages, syllabi, tests and work papers, lectures, musical and/or dramatic compositions, choreographic works, performers' performances, cartographic materials, unpublished scripts, films, filmstrips, charts, transparencies, other visual aids, video and audio tapes and cassettes, digital recordings or any other mass storage medium, computer programs, live video and audio broadcasts, programmed instructional materials, drawings, paintings, sculptures, photographs, and other works of art.
- 1.2 Notwithstanding Clauses 1 and 1.1 of this Article, Section I of this Article does not apply to computer software developed, improved or written by a Member, and which the Member wishes to be protected and/or exploited for commercial gain. Such computer software shall be subject to the provisions of Section II of this Article.
- 1.3 Section I of this Article does not apply in respect of outcomes of a Member's activity undertaken outside of the employment relationship, as long as the activity has been undertaken without use, other than incidental, of University facilities; such outcome(s) may not be used as evidence of a Member's fulfilment of Academic Responsibilities.

Licence

2. Subject to the provisions of Clauses 2.1, 3, 3.1, and 3.2, a Member who creates a copyrighted work in the course of the Member's Academic Responsibilities shall grant the Employer a five-year non-exclusive, royalty-free, irrevocable and non-transferable licence to copy and/or use such works in other Teaching, Research and Service activities of the University, subject to copyright requirements of academic journals and other vehicles of scholarly publication.

- 2.1 Members are required to disclose to the Employer copyrighted work created by the Member in the course of employment or through the Member's use, other than incidentally, of University resources because of possible or actual commercialization of the work by the Member where:
- a) required by third party agreements;
 - b) requested by the government;
 - c) the sale of the work is for over two thousand_dollars; or
 - d) the accumulated royalty fees of the work exceed two thousand dollars.
- 2.2 Subject to the provisions of Clauses 3, 3.1, and 3.2, the provisions of Clause 2 of this Article shall not apply to:
- a) lecture notes created by a Member, regardless of format or method of delivery;
 - b) individual course websites created by a Member;
 - c) examinations created by a Member;
 - d) other copyrightable material created by a Member and intended for use only by the students registered in the Member's course.

Materials Produced in the Course of Fulfilling Academic Responsibilities

3. Subject to Clauses 4 through 5, a Member is the sole holder of copyright in his or her own lectures and in all copyrightable material produced pursuant to his or her Academic Responsibilities, even if such material was produced solely on the Employer's time and with the Employer's facilities and resources. The Employer acknowledges that it has no interest in and no claim to any copyright for such works, except where there is an agreement between the Member and the Employer assigning or licensing specified uses and interest, or as otherwise provided in Clause 2 above or elsewhere in this Collective Agreement.

Intellectual Property

- 3.1 Subject to Clauses 4 through 5, and to such provisions as may be subsequently agreed by the Parties regarding Distance Education, a Member teaching a course or part of a course dependent on information and communication technologies which involve the broadcast, transmission, re-transmission, publication, recording, or storage of the contents of the course shall exercise copyright in all course materials created by the Member regardless of the medium used to broadcast, transmit, re-transmit, publish, record or store the course, except where there is an agreement between the Member and the Employer or a third party assigning or licensing specified uses and interests. A copy of any such agreement shall be provided to the Association.
- 3.2 Any agreements pursuant to Clauses 3 and 3.1 shall specify:
- a) limits and conditions of use of copyright material;
 - b) whether, and under what circumstances, the Member assigns the right to rework, revise, or amend the copyright material and whether there is a waiver of moral rights, in whole or in part;
 - c) what rights of use the Member retains;
 - d) the term of the licensing agreement; and
 - e) the conditions for renewal or termination.
- 3.3 In the event that the Employer or assignee relinquishes its rights in any work assigned to it by a Member, all waived and/or assigned rights shall revert to the Member.
- 3.4 A Member has the right to bring a representative from the Association when discussing a possible agreement with the Employer pursuant to Clauses 3 and 3.1.

Works Commissioned by the Employer for Use by Others

4. The development of materials by a Member that are commissioned by the Employer shall be governed by a special agreement between the Employer and the Member. This special agreement shall be in writing, shall be consistent with the provisions of Section I of this Article, and shall specify copyright ownership and the terms of any licensing arrangements under the agreement, and may require a waiver of moral rights of the Member in favour of the Employer.

- 4.1 In the early stages of the development of a commissioned work, Members shall provide the Employer with a list in writing of any copyright material to be contained therein and the names of copyright holders. The Employer shall pay any cost related to securing any necessary copyright permissions and for use of such approved copyright material. The Employer shall have the right to refuse to pursue copyright clearances which are judged to be prohibitively expensive.
- 4.1.1 If the Employer exercises the right to refuse to pursue copyright clearances at this stage, either party to the special agreement referred to in Clause 4 above may withdraw, or the parties may jointly revise the special agreement.
- 4.2 At the time of delivery of commissioned works, the Member shall warrant, in writing, to the Employer that, to the best of his or her knowledge, he or she is the holder of copyright in material contained therein not already listed pursuant to Clause 4, or shall provide the Employer with a list in writing of any other copyright material contained therein and the names of the holders of copyright in such material. No such copyright material may be included by the Member without prior written approval of the Employer.
- 4.3 All special agreements for commissioned works shall contain a Clause which allows the Member(s) who develop(s) or contribute(s) to the development of the works to use (for their own purposes) all or part of the works that they have created under the agreement, but which prohibits the developer(s) from licensing, donating, selling or reselling such works to any person(s), body or agency external to the University.
- 4.4 A Member has the right to bring a representative from the Association when discussing a possible agreement with the Employer pursuant to Clauses 4 through 4.3.

General

5. The development of materials by a Member as part of specially assigned duties shall be governed by a special agreement between the Employer and the Member. The special agreement shall be in writing, shall describe any anticipated outcomes capable of copyright protection, and shall specify copyright ownership in such a case.
- 5.1 Members who are engaged in activities undertaken in fulfilment of their Academic Responsibilities at locations away from the University Campus (for example, Members on Sabbatical Leave) shall continue to be subject to the provisions of this Section I of this Article.
- 5.2 On the death of a Member or former Member, any transferable interest which he or she had derived under this Article or under any agreement made pursuant to Section I of this Article shall pass to his or her estate.

- 5.3 Members shall comply with the Canadian Copyright Act when, in the course of undertaking Academic Responsibilities, copyright-protected materials are used. Where a person authorized by the University advises a Member on the allowable use of a copyright-protected material (for example under the terms of a licence or through a statutory exception), the Member shall follow that advice. When dealing with copyright laws, which may be open to interpretation and honest differences of opinion as to their applicability, Members who act honestly and in good faith in complying with copyright law and Western's guidelines while carrying out their employment responsibilities will be considered by the Employer to be compliant with the law and will be defended by the Employer in the unlikely event that they are sued as a result. The Employer may refuse to defend a Member accused of copyright infringement in the following situations:
- a) where the alleged infringement is so blatant that it could not possibly be considered to reflect a reasonable interpretation of the law;
 - b) where the Member has deliberately continued in a course of action after being advised by the University that it considers the course of action to be a violation of copyright law;
 - c) where the Member has received notice of an allegation of infringement and continues the impugned course of action without notifying and consulting with Western's Copyright Office; or
 - d) where the Member is not acting in the course of his or her employment.

In any situation where a Member is alleged to have infringed copyright laws, the Member shall be advised of their right to seek assistance from the Association with respect to the matter.

Section II: Patents

Definitions

6. For the purposes of Section II of this Article, and subject to Clause 23 of this Article, *Patentable Intellectual Property* (PIP) is any outcome attributable to a Member's activity undertaken in fulfilment of the Member's Academic Responsibilities that has the potential to be protected (by patent or other statutory means other than by copyright alone) and which the Member wishes to be protected and/or exploited for commercial gain. In this Article, the term *patent* shall apply to any such form of statutory protection.
- 6.1 Computer software developed, improved or written by a Member can be PIP if the Member wishes it to be protected and exploited for commercial gain. For the purposes of this Article, three classes of computer software PIP are recognized. These are:

- a) computer software developed, improved or written by a Member which is an integral part of a larger item of PIP, and which is intended for use with non-computer software components. Such computer software shall be treated like all other forms of PIP for the purposes of Section II of this Article;
 - b) computer software developed, improved or written by a Member as part of duties undertaken in fulfilment of his or her Academic Responsibilities, which can be protected and/or exploited for commercial gain and which is not an integral part of a larger item of PIP. Such computer software shall be designated Free Standing Computer Software Patentable Intellectual Property for the purposes of this Article, and shall be subject to the provisions of Section II of this Article; and
 - c) computer software developed, improved or written by a Member without making significant use of University resources, which can be protected and/or exploited for commercial gain, and which is not an integral part of a larger item of PIP. Such software shall be subject to the provisions of Section II of this Article.
7. For the purposes of Section II of this Article, PIP does not include any potentially protectable outcome of a Member's activity undertaken outside of the employment relationship, as long as the activity has been undertaken in accord with the provisions of Clause 9 of the Article *Conflict of Interest and Conflict of Commitment*.
8. For the purposes of Section II of this Article, Contract Arrangements are Research or other activities performed by a Member under a contractual arrangement between the Employer and an external body, where the contract yields full or partial rights of commercial use of the results of the Research or other activity to the external body.
9. For the purposes of Section II of this Article:
- a) Net Income is Gross Income less Expenses; and
 - b) "Intellectual Property Creator" (IPC) is the Member(s) responsible for creating an item of PIP.
- 9.1 Expenses means all direct costs and expenses actually incurred by the Employer or the IPC(s) and paid or owed to an arms-length third party (as "arms-length" is used in the *Income Tax Act*), with respect to the PIP for:
- a) obtaining and maintaining statutory protection for the PIP, including direct legal fees and filing and maintenance fees with applicable governmental and regulatory offices, and including expenses related to patent searches;

- b) any prototype development for the PIP (including the cost of laboratory supplies and the cost, charged at standard rates, of any technicians or similar personnel engaged in such prototype development); and
- c) exploiting the PIP for commercial gain, including travel expenses actually incurred by the IPC(s) and/or personnel of the WORLDiscoveries® Business Development Office approved by WORLDiscoveries® prior to incurring the expense, and other marketing expenses, freight and insurance costs incurred in transporting any goods or other material related to the PIP and any sales, use and other direct taxes and any customs duties and similar governmental charges incurred in respect of the use, sale, assignment, licensing or other disposition of the PIP and any goods and material related thereto.

9.1.1 Expenses shall not include any costs for time spent by WORLDiscoveries® Business Development Office personnel, the IPC(s) or other University personnel in activities referred to in Clauses 9.1 a), b) and c) of this Article or in any other activities related to the PIP.

9.2 Gross Income means:

- a) all revenues, receipts and other consideration, whether in cash or otherwise, paid, transferred or otherwise made available to the IPC(s) or the Employer from arms-length parties provided that in this instance Gross Income shall not include receipts, contributions or entitlements arising from or attributable to sponsored research contracts referable to the IPC(s) or to the PIP for which such consideration is payable or otherwise made available; and
- b) the consideration deemed to be received pursuant to the other terms of this Article, by the IPC(s) or the Employer from non-arms-length parties (as "non-arms-length" is used in the *Income Tax Act*) from the use, sale, assignment, licensing or other disposition, in accord with this Article, of the PIP, including the shares or any options for shares as part of a spin-off company in connection with the exploitation for commercial gain of the PIP unless a different sharing arrangement has been agreed to under the provisions of Clause 12.1 below.

Determination of Income and Expenses

9.2.1 Where the Employer or the IPC(s) receive(s) consideration from the use, sale, assignment, licensing or other disposition of PIP from a non-arms-length party, he/she will be deemed to have received the greater of:

- a) the value of the consideration paid; or
- b) the fair market value which would be received for that disposition of the PIP

from an arms-length third party. This value shall be established by:

- (i) the capital raised by an initial public offering, or provided by a private investor to fund a spin-off company created to exploit the PIP for commercial gain; or
- (ii) agreement between the Employer and the IPC(s).

9.2.2 Where the fair market value in 9.2.1 b) cannot be established through the provisions of 9.2.1 b) (i) or (ii), the Dispute Resolution process described in Clauses 27 and 28 of this Article shall be used.

9.2.3 In cases where the consideration is not payable in cash but in some other form, whichever of the Employer or the IPC(s) is entitled to receive a share of the consideration from the other(s) shall have the option of receiving:

- a) its share of the consideration in the form initially received by the Employer or the IPC(s) as the case may be; or, if the Parties agree,
- b) the value of that consideration as determined by agreement between the Employer and the IPC(s).

9.3 Where the Employer enters into contracts with third parties who use different definitions of Net and Gross Income, the definitions in such third party contracts will be used to determine the value of the Net Income to be distributed between the Employer and the IPC(s) under the provisions of Clauses 15 or 16 of this Article. Before the Employer enters into contracts with third parties that use different definitions of Net and Gross Income, both the Employer and the IPC(s) must have approved the use of the different definitions.

9.4 All determinations of what to include in the operating and capital budgets and all determinations regarding amortization of capital expenditures will accord with accepted general accounting practices. Profit, loss and carry forward determinations shall accord with accepted accounting practices.

9.5 Subject to the provisions of Clause 9.4 of this Article, if in any Fiscal Year Expenses exceed Gross Income, then the negative Net Income shall be carried forward as an Expense into the next Fiscal Year.

9.6 Subject to the provisions of Clause 9.4 of this Article, where both the Employer and (an) IPC(s) are carrying forward Expenses from previous years (for example, where either the IPC(s) or the Employer has commenced exploitation for commercial gain and has subsequently assigned responsibility for exploitation to the other Party) these shall be deducted from the Gross Incomes in the same ratio as these Expenses are to each other.

Patentable Intellectual Property Not Arising from Contract Arrangements

10. PIP not arising from Contract Arrangements, unless otherwise assigned, shall be owned by the IPC(s).
11. The Parties acknowledge that it is in the interest of the Employer and Members for PIP to be protected and/or exploited for commercial gain as quickly as possible after the creation of the PIP. Accordingly, it is in the Employer's and Members' interest for the IPC(s) to determine promptly whether she/he/they wish(es) to protect or exploit outcomes of his/her/their activities for commercial gain. Full details of any PIP created by (an) IPC(s) shall be disclosed to the Employer in writing, on a form provided by the appropriate office of the Vice-President (Research). This disclosure shall be made to the Employer through the appropriate office of the Vice-President (Research), shall be made in a timely manner once the IPC(s) has (have) determined that he or she (they) wishes (wish) to protect or exploit the outcome of his/her/their activities for commercial gain, and shall be sufficiently detailed to allow an assessment of the suitability of the PIP for protection and exploitation for commercial gain. The Employer shall not disclose to a third party any information about the PIP that would jeopardize the IPC's (IPC's) ability to protect the PIP or exploit it for commercial gain, should the IPC wish or the Employer not wish to protect the PIP and/or exploit it for commercial gain. Where a Member is obliged to disclose details of PIP to another institution, this shall not remove the obligation to disclose to the Employer under this Clause.
12. Within four weeks of the disclosure specified in Clause 11 of this Article, the IPC(s) shall decide whether or not to assign rights for protection and/or exploitation to the Employer. During this period, the Employer shall have the opportunity to consult with the IPC(s) regarding the decision. The IPC(s) shall make every reasonable effort to participate fully in such discussions.
- 12.1 The discussions referred to in Clause 12 of this Article shall include proposals from the Employer for any work that may be required of the IPC(s) under the provisions of Clauses 15 or 15.1 of this Article. Where the PIP may be exploited for commercial gain through a spin-off company, the discussions referred to in Clause 12 of this Article shall include proposals from the Employer concerning the share of equity in the spin-off company provided as additional compensation to the IPC and the Employer for involvement in the creation and operation of the spin-off company. Unless such proposals result in a different agreement, each Party's share shall be as determined by the operation of Clauses 9 through 9.6 above, and 15 e) below. Where there is more than one IPC associated with the PIP, the sharing of equity in such a spin-off company may reflect the status of a particular IPC as a founding inventor or the IPC's contribution to and participation in the creation of such PIP.

13. If the IPC(s) assign(s) rights for protection and/or exploitation to the Employer, the Employer shall, within three months of the assignment by the IPC(s), notify the IPC(s) whether it intends to seek protection of the PIP and/or seek to exploit it for commercial gain. This period may be extended by mutual consent of the Employer and the IPC(s).
- 13.1 Any decisions of the Employer not to protect PIP and/or exploit it for commercial gain, or to cease to do so under the provisions of Clause 15.2, are business decisions and not based on an assessment of the academic merits associated with that PIP.
14. During the period specified in Clause 13 of this Article, and any extension thereof, the Employer is the legal owner of the PIP and the IPC(s) shall not personally encumber the PIP nor frustrate the rights and obligations of the Employer by engaging in any contractual arrangements that pertain to commercial exploitation of the PIP with or by a third party; nor shall the IPC(s) seek to protect the PIP, nor exploit it for commercial gain, nor disclose it in any way that would jeopardize the Employer's ability to protect and/or exploit it for commercial gain, without the consent of the Employer.
15. If the IPC(s) assign(s) rights for protection and/or exploitation to the Employer, and the Employer agrees to protect the PIP and/or exploit it for commercial gain, then:
 - a) the Employer assumes the responsibility for protection and/or exploitation of the PIP. This may include, but is not limited to, application for patents or other registered statutory protection, and the negotiation of sales, assignments, licences or other dispositions of that PIP. IPC(s) shall make reasonable efforts to assist the Employer in this endeavour, and shall complete all necessary documentation (including assignments) as may be required. The Employer shall use such efforts as it believes are reasonable in the circumstances to exploit the PIP for commercial gain. All such steps shall be taken at no financial cost to the IPC(s) responsible for creation of the PIP;
 - b) the IPC(s) shall not disclose or publish any details of the PIP for a period of twelve months following the Employer's notification to the IPC(s) of its decision to protect the PIP and/or exploit it for commercial gain, unless such disclosure or publication has been agreed to in writing by the Employer. Such agreement shall not be unreasonably withheld, particularly when the IPC will be considered for Tenure within eighteen months of the disclosure required under Clause 6 of this Article. For the purposes of determining the start of this eighteen month period, consideration for Tenure begins at the time of application of the provisions of Clauses 15.1 or 15.2 of the Article *Promotion and Tenure*;

- c) the Employer shall provide to the IPC(s), no later than June 30 each year:
 - (i) a statement reporting action taken to protect the PIP and/or exploit it for commercial gain during the preceding Fiscal Year; and
 - (ii) a statement reporting all expenditures and income (including royalties) forming part of the calculation of Net Income for the preceding Fiscal Year, and such access as is within the Employer's control to any statements or records as may be required for the IPC(s) or delegate(s) to verify the accuracy of this statement.
 - d) where the PIP has not been exploited for commercial gain through a spin-off company (for example, where the PIP has been exploited for commercial gain by licensing following protection by patent or other statutory means), the Employer shall, no later than June 30 each year, remit to the IPC(s) a sum equal to 50% of the Net Income for the previous Fiscal Year;
 - e) where the PIP has been exploited for commercial gain through a spin-off company, the Employer shall remit to the IPC(s) a sum equal to 50% of the Net Income for the previous Fiscal Year as determined by Clauses 9 through 9.6 above unless a different agreement regarding share of equity in a spin-off company has been agreed to under the provisions of Clause 12.1.
- 15.1 The Employer shall seek opportunities for ongoing consultation with the IPC(s) as part of the process of determining how best to commercialize PIP created by the IPC(s). At no financial cost to the IPC(s), the IPC(s) shall provide the Employer with assistance in ensuring that written descriptions of the PIP and filings for the seeking of statutory protection are complete and accurate. The IPC(s) shall also continue to provide related know-how around the PIP that may be needed for its application, commercialization or licensing.
- 15.2 If at any time the Employer decides not to continue to attempt to protect or exploit for commercial gain the PIP created by the IPC(s), then at the initiation of the Employer, and with the consent of the IPC(s), the Employer shall transfer the rights to the PIP and any issued or pending registration for statutory protection to the IPC(s), in which instance responsibilities of the IPC(s) concerning such commercialization shall be the same as those described in Clause 16 of this Article.
- 15.2.1 If any IPC, after 30 days notice, does not consent to reassignment of the PIP to him or herself, then the Employer is free to discontinue exploitation and/or protection of the PIP with no further cost or obligation to itself.

- 15.2.2 In the event that the Employer, as the owner of any PIP by virtue of assignment from an inventor group of IPCs, decides to discontinue exploitation and/or protection of the PIP, the Employer shall assign the PIP back to the inventor group of IPCs with no further cost or obligation to itself. Resolution of any dispute between members of the inventor group concerning the continued exploitation and/or protection of the PIP is the responsibility of the inventor group and not the Employer.
- 15.3 If at any time the Employer is not fulfilling its responsibilities to protect and/or exploit the PIP, the IPC(s) may request that the Employer transfer the rights to the PIP, and any issued or pending registration for statutory protection, to the IPC(s). Any disputes arising from the application of this Clause shall be resolved according to the provisions of Clauses 27 and 28 of this Article.
16. If the IPC(s) do(es) not assign rights for protection and/or commercialization to the Employer, or the Employer does not assume responsibility for protection and/or exploitation, or if the Employer ceases such activity under the provisions of Clause 15.2 or 15.3, the IPC(s) is(are) free to protect the PIP and/or exploit it for commercial gain independently of the Employer. In such circumstances, the IPC(s) shall:
- a) assume the responsibility for protection and/or exploitation of the PIP. This may include, but is not limited to, application for patents or other registered statutory protection, and the negotiation of sales, assignments, licences or other dispositions of that PIP. The IPC(s) shall use such efforts as he/she (they) believe(s) are reasonable in the circumstances to exploit the PIP for commercial gain. All such steps shall be taken at no cost to the Employer;
 - b) provide the Employer, no later than June 30 each year:
 - (i) a statement reporting action taken to protect the PIP and/or exploit it for commercial gain;
 - (ii) a statement reporting all expenditures and income (including royalties) forming part of the calculation of Net Income for the previous Fiscal Year and such access as is within the IPC's (IPC's) control to any statements or records as may be required for the Employer to verify the accuracy of this statement; and
 - c) remit to the Employer a sum equal to 15% of the Net Income for the previous Fiscal Year, unless the PIP is Free Standing Computer Software PIP, in which case the IPC(s) shall remit to the Employer a sum equal to 7% of the Net Income for the previous Fiscal Year. In the case of computer software PIP defined under Clause 1.1 c) of this Article, the IPC(s) shall remit to the Employer a sum equal to 3% of the Net Income for the previous Fiscal Year.

- 16.1 If at any time following the periods specified in Clauses 12 and 13 of this Article, neither the Employer nor the IPC(s) choose(s) to protect and/or exploit, or continue to protect and/or exploit the PIP, then the IPC(s) shall be free to publish or disclose the details of the PIP.

Patentable Intellectual Property Arising from Contract Arrangements

17. No Member shall independently enter into a direct contractual relationship with a body or bodies external to the University where the contract places the Member under an obligation to generate PIP as part of his or her Academic Responsibilities, and/or to generate PIP using University facilities.
18. The Employer may, at a Member's request, or with a Member's permission, enter into a Contract Arrangement with an external body on the Member's behalf. The terms of the Contract Arrangement shall be subject to the approval of the Member, the Employer and the external body.
- 18.1 The Contract Arrangement shall specify the extent to which the Member, the Employer, the external body, and any other participants share in the ownership of any PIP created under the Contract Arrangement, and shall specify which party(ies) shall have the right to protect the PIP and exploit it for commercial gain.
- 18.2 The Contract Arrangement shall specify any period of time that must elapse before any of the participants in the Contract Arrangement can publish or otherwise disclose any PIP created under the Contract Arrangement. Such period of time shall not exceed 120 days, but may be extended once by agreement of all the parties; under no circumstances may the extension exceed one year.
- 18.3 All Contract Arrangements shall be consistent with regulations and policies promulgated by Senate or the Board of Governors at the time of ratification of this Collective Agreement.
- 18.4 In the case that the Member possesses sole ownership of the PIP and the exclusive right to protect the PIP and exploit it for commercial gain under the provisions of Clause 18.1 of this Article, Clauses 11 to 17, inclusive, of this Article shall apply.
- 18.5 In the case that the external body who is a party to the Contract Agreement possesses sole or partial ownership of the PIP and partial or exclusive right to protect the PIP and exploit it for commercial gain under the provisions of Clause 18.1 of this Article, if at any time the external body relinquishes its rights then, subject to any Employer rights specified in the Contract Agreement, ownership of the PIP shall revert to the Member and Clauses 11 to 17, inclusive, shall apply.

- 18.6 In the case that the Employer has sole ownership and the exclusive right to protect the PIP and exploit it for commercial gain under the provisions of Clause 18.1 of this Article, Clauses 18.6.1 to 18.6.7, inclusive, shall apply.
- 18.6.1 Full details of any PIP created by (an) IPC(s) shall be disclosed to the Employer in writing, on a form provided by the appropriate office of the Vice-President (Research). This disclosure shall be made to the Employer through the appropriate office of the Vice-President (Research) and shall be sufficiently detailed to allow an assessment of the suitability of the PIP for protection and exploitation for commercial gain. The Employer shall not disclose to a third party any information about the PIP that would jeopardize the IPC's (IPC's) ability to protect the PIP or exploit it for commercial gain, should the IPC wish or the Employer not wish to protect the PIP and/or exploit it for commercial gain.
- 18.6.2 The Employer shall, within four months of receiving the disclosure by the IPC(s), notify the IPC(s) whether it intends to seek protection of the PIP and/or seek to exploit it for commercial gain. This period may be extended by mutual consent of the Employer and the IPC(s). During this period and any extension thereof, the IPC(s) shall not make any disclosure that in any way would jeopardize the Employer's ability to protect and/or exploit the PIP for commercial gain, without the consent of the Employer.
- 18.6.3 Any decisions of the Employer not to protect PIP and/or exploit it for commercial gain, or to cease to do so under the provisions of Clause 18.6.6, are business decisions and not based on an assessment of the academic merits associated with that PIP.
- 18.6.4 If the Employer undertakes to protect the PIP and/or exploit it for commercial gain, then;
- a) the Employer assumes the responsibility for protection and/or exploitation of the PIP. This may include, but is not limited to, application for patents or other registered statutory protection, and the negotiation of sales, assignments, licences or other dispositions of that PIP. IPC(s) shall make reasonable efforts to assist the Employer in this endeavour, and shall complete all necessary documentation (including assignments) as may be required. The Employer shall use such efforts as it believes are reasonable in the circumstances to exploit the PIP for commercial gain. All such steps shall be taken at no financial cost to the IPC(s) responsible for creation of the PIP;
 - b) the IPC(s) shall not disclose or publish any details of the PIP for a period of twelve months following the Employer's notification to the IPC(s) of its decision to protect the PIP and/or exploit it for commercial gain, unless such disclosure or publication has been agreed to in writing by the Employer. Such agreement shall not be unreasonably withheld, particularly when the IPC will

be considered for Tenure within eighteen months of the disclosure required under Clause 18.6.1 of this Article. For the purposes of determining the start of this eighteen month period, consideration for Tenure begins at the time of application of the provisions of Clauses 15.1 or 15.2 of the Article *Promotion and Tenure*;

- c) the Employer shall provide to the IPC(s), no later than June 30 each year:
 - (i) a statement reporting action taken to protect the PIP and/or exploit it for commercial gain during the preceding Fiscal Year; and
 - (ii) a statement reporting all expenditures and income (including royalties) forming part of the calculation of Net Income for the preceding Fiscal Year, and such access as is within the Employer's control to any statements or records as may be required for the IPC(s) or delegate(s) to verify the accuracy of this statement.
- d) where the PIP has not been exploited for commercial gain through a spin-off company (for example, where the PIP has been exploited for commercial gain by licensing following protection by patent or other statutory means), the Employer shall, no later than June 30 each year, remit to the IPC(s) a sum equal to 50% of the Net Income for the previous Fiscal Year;
- e) where the PIP has been exploited for commercial gain through a spin-off company, the Employer shall remit to the IPC(s) a sum equal to 50% of the Net Income for the previous Fiscal Year.

18.6.5 The Employer shall seek opportunities for ongoing consultation with the IPC(s) as part of the process of determining how best to commercialize PIP created by the IPC(s). At no financial cost to the IPC(s), the IPC(s) shall provide the Employer with assistance in ensuring that written descriptions of the PIP and filings for the seeking of statutory protection are complete and accurate. The IPC(s) shall also continue to provide related know-how around the PIP that may be needed for its application, commercialization or licensing.

18.6.6 If at any time the Employer decides not to continue to attempt to protect or exploit for commercial gain the PIP created by the IPC(s), then at the initiation of the Employer, and with the consent of the IPC(s), the Employer shall transfer the rights to the PIP and any issued or pending registration for statutory protection to the IPC(s), in which instance responsibilities of the IPC(s) concerning such commercialization shall be the same as those described in Clause 11 of this Article unless the IPC chooses to publish the PIP, in which case it ceases to be PIP as defined in this Article.

- 18.6.7 If at any time the Employer is not fulfilling its responsibilities to protect and/or exploit the PIP, the IPC(s) may request that the Employer transfer the rights to the PIP, and any issued or pending registration for statutory protection, to the IPC(s), and the IPC(s) is (are) free to protect the PIP and/or exploit it for commercial gain in accord with the provisions of Clause 16 of this Article. Any disputes arising from the application of this Clause shall be resolved according to the provisions of Clauses 27 and 28 of this Article.

Patentable Intellectual Property Arising from Collaborations Outside Contract Arrangements

19. It is recognized that Members may create PIP in collaboration with other Members, or in collaboration with other members of the University community, or in collaboration with persons external to the University.
20. Any Member entering into a collaboration with other members of the University community, or with a person external to the University, where there is no Contract Arrangement governing the collaboration, shall inform his or her collaborators that the provisions of this Article apply to any PIP generated by the Member as part of the collaboration.
21. a) Where a Member undertakes Research where it is envisaged that the creation of PIP might occur, and does so in collaboration with another Member, or with another member of the University community, or with a person external to the University, the Member shall, at the outset of the Research, establish in writing, and with the agreement of the collaborator(s), how the ownership of any PIP, and any Net Income generated therefrom, would be shared between them, taking into consideration each party's obligations to the Employer and/or others.
- b) Where a Member undertakes Research that leads to the creation of PIP that was not envisaged, and does so in collaboration with another Member, or with another member of the University community, or with a person external to the University, the Member shall establish, in writing and with the agreement of the collaborator(s), how the ownership of the PIP, and any Net Income generated therefrom, will be shared between them, taking into consideration each party's obligations to the Employer and/or others.
22. a) In cases where the IPC(s) has (have) assigned rights to protect and/or exploit PIP to the Employer, and the Employer has assumed the responsibility to do so, the Employer shall, following consultation with the collaborators, apportion the Net Income referred to in Clauses 15 d) or 10 e) between the creators of the PIP in accord with any agreement reached between the collaborators concerning the disposition of Net Income among them. Where there is a dispute between (an) IPC(s) and the Employer concerning this apportionment, the provisions of Clauses 27 and 28 of this Article shall apply.

- b) In cases where a Member enters into a collaboration with a person external to the University where there is no Contract Arrangement governing the collaboration, Clause 11 c) shall apply if the agreement required by Clause 21 of this Article cannot be reached between the IPC and his/her collaborators and/or the employer of the collaborator(s).

General

- 23. The rights granted to a Member under this Article do not extend to anything created by a Member as part of specially assigned Teaching or Service duties that are expected to yield outcomes capable of protection (by patent or other statutory means) and/or exploitation for commercial gain. In such cases the outcomes are the property of the Employer unless alternative arrangements have been agreed to in writing between the Member and the Employer.
- 24. The Employer recognizes that there is a practice of exchange, hereafter referred to as Material Transfer, between Members and persons, organizations, or institutions, without material consideration, of results of research, biotechnology and genetic engineering products and other materials for non-commercial research and teaching purposes. It is further recognized by both the Employer and the Association that, from time to time, there may be benefits arising from Material Transfers, usually for a consideration, between Members and companies for commercial research. All Material Transfers shall be governed by a contractual Material Transfer Agreement between the Employer and the persons, organizations, institutions or companies. The terms of the Material Transfer Agreement shall be subject to the approval of the Member, the Employer, and the persons, organizations, institutions or companies.
- 25. Members who are engaged in activities undertaken in fulfilment of their Academic Responsibilities at locations away from the University Campus (for example, Members on Sabbatical Leave) shall continue to be subject to the provisions of this Article.
- 26. In the application of the provisions of this Article, the Employer and Members shall comply with relevant federal and provincial statutes, and with regulations and policies promulgated by Senate or the Board of Governors which are not in conflict with this Collective Agreement, for the protection of researchers, human subjects, the health and safety of the public, and the welfare of laboratory animals.

Dispute Resolution

- 27. If the parties to the dispute agree, any dispute between (a) Member(s) and the Employer to which the Vice-President (Research) is not a party and which arises solely from the application of the provisions of this Article regarding calculation and distribution of Net Income, performance of responsibility for the commercialization of PIP, or from ownership of PIP shall be referred to the

Vice-President (Research) or designate, who shall attempt to mediate between the parties. Such mediation may continue for a maximum of thirty days after the referral of the dispute.

- 27.1 If the dispute is resolved through such mediation, the settlement shall be reduced to writing and countersigned by the Vice-President (Research) and the parties within five days of the resolution.
28. If any dispute between (a) Member(s) and the Employer is not resolved through the application of Clauses 27 and 27.1 of this Article, then the Employer or the Member(s) may submit the dispute to arbitration by a single arbitrator as follows:
- a) the single arbitrator shall be agreed upon by the Member(s) and the Employer within thirty days of the date on which one party notifies the other that the process of arbitration under this Clause is desired. If the Member(s) and the Employer fail to agree upon a single arbitrator within the thirty-day period, then the arbitrator shall be selected by a Judge of the Ontario Court (General Division) upon application of either party. Such application shall request that the arbitrator so selected should be qualified by education and training to rule on the particular matter under dispute. The appointment of the arbitrator shall be conditional on the arbitrator's agreeing that his or her award shall be delivered in writing within sixty days of the completion of the hearing (unless the parties agree otherwise) and that no account shall be rendered until the final award has been rendered;
 - b) the arbitration shall be held in London, Ontario;
 - c) the award rendered by the arbitrator shall be final and binding;
 - d) the arbitrator shall be empowered to determine all questions of law and fact and may grant injunctive relief, but has no jurisdiction to alter, amend, add or subtract from this Collective Agreement, or to render a decision inconsistent with its terms; and
 - e) the arbitrator may determine the proportion of the fees and expenses of the arbitrator to be paid by each party to the arbitration. Failing such determination, the Employer and the Member(s) shall each pay 50% of the fees and expenses of the arbitrator. Such fees and expenses shall be Expenses as defined in Clause 9.1 of this Article. Any other expenses incurred by a party to the dispute shall be borne by that party.

Previous Arrangements

29. The revenue-sharing and cost-sharing provisions of this Article shall be effective on the date of ratification of this Collective Agreement and shall not be applied retroactively to PIP arrangements between Members and the Employer that were agreed to prior to this date, unless otherwise agreed to by the Member and the Employer.

3. Meetings of the Joint Committee shall be chaired alternately by a representative of the Employer and the Association.

5. The Joint Committee shall discuss matters raised by either the Employer or the Association that relate to the administration, operation or interpretation of the Association's Collective Agreements; however, the Committee shall not discuss the specific details of any Grievance that has proceeded to Step 1 or beyond and that has not been resolved.

7. The Joint Committee may recommend that the Employer and the Association create Joint Subcommittees to consider specific matters.
 - 7.1 The co-chairs of the Joint Committee shall receive advance notice of changes in existing practices with respect to computing and information technology where required by the Article *Implications of Technology*. Where the Joint Committee so recommends, a Joint Subcommittee may be created to consider the issues in more depth and to make recommendations to the Employer, with a copy to the Association.
8. Upon expiry of this Collective Agreement the Joint Committee and any subcommittees shall cease to discuss and/or consider any matters that strictly relate to the administration, operation or interpretation of this Collective Agreement.

LEAVE OF ABSENCE ([back](#))

With the exception of Caregiving Leave, Compassionate Leave, Court Leave, Pregnancy and Parental/Adoption Leave and Sick Leave, at least two years of full-time continuous service shall elapse between any two successive Leave periods, and a Member shall not be on Leave for more than twenty-four months in any seven-year period. These restrictions may be modified in individual cases by the Provost, on recommendation from the Dean, at the request of the Member. Approval of any such request shall not be arbitrarily withheld.
2. All Full-Time Members are eligible to apply for a Leave of Absence. Such a Leave may be granted where the Employer determines that the Leave will not interfere with the ability of the Member's Unit(s) to meet their operational requirements.
3. A Leave of Absence shall not normally exceed one year. This restriction may be modified in individual cases by the Provost, on recommendation from the Dean, at the request of the Member. Approval of any such request shall not be arbitrarily withheld.
4. No salary shall be received during an approved Leave of Absence.
5. The Member may elect to pay the cost of benefits and pension contributions during the period of the Leave of Absence. During a Leave of Absence the Employer will not contribute towards the costs of benefits, including pension.
6. Sabbatical Leave credit shall be earned during a Leave of Absence, subject to the provisions of the Article *Sabbatical Leave*.
7. Any application for a Leave of Absence shall be made by the Member to the Dean of the Member's Home Unit. The application shall describe in detail the purpose and duration of the Leave. A Member shall apply in writing at least six months before the proposed Leave is to take effect. In the case of unforeseen circumstances, however, a Member shall be permitted to apply for such a Leave less than six months before it would begin, and this application shall be given consideration.
8. Where a Member's Appointment is in a Department or School, the Dean shall consult with the Department Chair or the School Director. The Employer shall then approve or deny the application. Such approval shall not be arbitrarily withheld and any decision not to approve the application shall be accompanied by written reasons. The written reasons shall be accompanied by a statement that the Member has the right to receive assistance and representation from the Association.

Leave of Absence

9. Members on Leave of Absence are not eligible for consideration for Promotion and/or Tenure or Continuing Status during the Academic Year in which they are taking the Leave. This restriction may be modified in individual cases by the Provost, on recommendation from the Dean, at the request of the Member. Approval of any such request shall not be arbitrarily withheld.
- 9.1 In the case of a Member on a Probationary Appointment, the Promotion and/or Tenure or Continuing Status decision shall be postponed for one (1) year where the Member has taken a Leave of Absence of at least twenty-four (24) weeks. The letter from the Employer approving the Leave of Absence shall advise of the postponement and state that the Member may elect early consideration in accordance with Clause 15.7.1 of the Article *Promotion, Tenure, and Continuing Status*.
- 9.2 Any record of activity in Teaching, Research or Scholarship Activities or Service during the Leave period may be included when a Member is considered for Promotion and/or Tenure or Continuing Status.

Members who determine that the insurance coverage provided by the Employer is not adequate to meet their individual needs shall be expected to make their own insurance arrangements.
3. Responsibility for the management of any claim covered by the Employer's insurance policies rests solely with the Insurer. Timely notice must be given to the Employer of any action or claim of which a Member has knowledge or of any occurrence or situation which a Member ought reasonably to know might give rise to any action or claim.
4. A Member who is a respondent to a formal complaint investigated or adjudicated under internal policies formally ratified by the Employer and who independently engages legal counsel to provide advice in respect of such investigation or adjudication may, if the complaint is not upheld, apply for reimbursement of legal fees so incurred. The application shall be submitted in writing to the Provost and Vice-President (Academic) and to the President of the Association. If both agree, in writing, that the application should be granted, in whole or in part, then the Employer and the Association will reimburse the Member, in the amount so agreed, in equal shares.
5. This Article and any insurance obtained pursuant to it do not apply to legal action initiated by a Member nor to any civil or criminal proceedings that might be initiated by the Employer against a Member.

2. The Employer agrees that it shall exercise these powers, authorities, rights, privileges and obligations in a manner which is not arbitrary or inconsistent with this Collective Agreement.
3. If the Employer wishes to amend or discontinue any of its recognized practices which may possibly affect Members, and which are not otherwise the subject of the Collective Agreement, it shall give notice of the proposed amendment or discontinuance simultaneously to the Association and to the Joint Committee which shall have two months to discuss the proposed amendment(s).

5. Members have the right to decline to perform the normal duties of striking or locked-out employees of the Employer during a legal Strike by another Bargaining Unit of employees of the Employer or during any Lock-out of another Bargaining Unit by the Employer.

- 12.1 Evaluations of a Member's performance of Academic Responsibilities in the area of Teaching shall be based on the information in a Member's Performance Report submission that speaks to accomplishments in Teaching. Where data from Student Questionnaires on Courses and Teaching are used, they shall be considered information about student experience in the classroom, and such consideration shall take into account the possibility that Student Questionnaires on Courses and Teaching may be biased.
- 12.2 The procedures and criteria for evaluation of a Member's performance of Academic Responsibilities in the area of Research may include the Member's success in securing research funds, where appropriate to the discipline, but the evaluation shall take into account the availability and value of grants, matching funds, contracts and other sources of research funds in the area of the Member's research.
- 12.2.1 The acquisition of research funds must result in peer-reviewed outcomes produced by the Member in order to be considered a Research activity. The Committee shall take such acquisition into account whenever the resulting outcomes are evaluated, no matter when the funds were applied for or received.
- 12.2.2 Full-Time Members who have not had a Full-Time Appointment for more than three months within the assessment period shall receive the average Basic Salary Points of 2.2 plus the Dean's Discretionary Salary Points of 0.2.

As specified in Clause 20 of the Article *Sabbatical Leave*, for the purposes of Performance Evaluation only, a Member on Sabbatical Leave shall be deemed to have an Alternative Workload of 10% Teaching, 90% Research and no Service, unless the Member applies for a deemed Alternative Workload with a different balance of Responsibilities under Sabbatical Leave, Clause 20.1.
- 12.5 Where a Member has been on Leave of Absence or Elected Public Office Leave, and the Leave was in excess of six months, the period of Leave shall be removed from the three-year period considered in the assessment of performance of Academic Responsibilities. Outcomes of a Member's activities undertaken prior to the Leave that occur during the period of the Leave shall be deemed to have occurred in the year following the Leave.
- 12.6 Where a Member has been on Pregnancy and/or Parental/Adoption Leave or Caregiving Leave of at least twenty-four weeks, the period of Leave shall be removed from the three-year period considered in the assessment of performance of Academic Responsibilities. The parties to this agreement shall be the Member, the Member's Home Unit Chair or Director, where applicable, and the Member's Home Unit Dean.
- 12.9 In accordance with Clause 10.5, where a Member on sick leave, Long Term Disability, Pregnancy and Parental Leave, Caregiving Leave or approved Leave of Absence at the time of Performance Report submission declines to submit an Performance Report, the Performance Evaluation Committee shall provide the Member with the same assessment as in the previous Performance Evaluation.

Performance Evaluation

13. No later than January 31 of each year, the Performance Evaluation Committee shall send a copy of its assessment of each Member's performance who participated in Performance Evaluation, signed by all members of the committee, to the Member's Dean and to the Member. This assessment shall include written comments. If a Member's performance falls below good in any area of Academic Responsibility, these comments shall include advice on areas for development and/or opportunities for formative support or mentorship.

- 13.3 The Dean or designate shall report on the distribution of ratings in the Member's Department or Unit (e.g., the number of scores assigned in ranges 0-1, 1-2, 2-3, 3-4 for each of Teaching, Research or Scholarship Activities and Service).
- 13.4 Once the Dean or designate has placed an assessment in the Member's Official File the Member may request a meeting. This meeting shall occur by April 30; those present shall be the Dean or designate, the Member, the Member's Chair or Director (if applicable), and, if the Member wishes, a representative of the Association. In the case of a Member with a Joint Appointment, those present shall, as applicable, be the Chair(s), Director(s) and Dean(s) of both Units where the appointment is held. The purpose of this meeting is to give the Dean an opportunity to hear submissions of the Member and consider whether reassessment is warranted.
 - 13.4.1 Within two weeks of this meeting, the Dean or designate shall provide a written report of the meeting to the Member. This report shall advise whether a reassessment is warranted and shall provide the results of that reassessment. This report shall also set out any concerns in respect of performance, the circumstances giving rise to such concerns, and any support or mentoring that has been agreed upon. This report shall be placed in the Member's Official File.

15. The Performance Evaluation process described in this Article shall be separate from promotion and tenure processes described in the Article *Promotion, Tenure and Continuing Status*, and disciplinary processes described in the Article *Discipline*, except as specifically outlined in this Collective Agreement.
- 15.1 The Association and the Employer agree that a categorization by the Performance Evaluation Committee of a Member's performance as being "below the acceptable level" in any or all of Teaching, Research and Service does not of itself constitute proof of a Member's failure to discharge their Academic Responsibilities through incompetence or neglect of duties in any or all of these areas of activity. The Association and the Employer further agree that such a categorization may only constitute background information in an allegation by the Employer that a Member has failed to discharge their Academic Responsibilities through incompetence or neglect of duties. The facts leading to, and following from, such a categorization, but not the categorization itself, may be considered as evidence of such failure in the event of an arbitration hearing.

In the case of conflict between the provisions of MAPP 1.23 and/or this Collective Agreement and any relevant privacy legislation, the provisions of the legislation shall prevail. In particular, in case of conflict between the Ontario *Freedom of Information and Protection of Privacy Act (FIPPA)*, or any rulings flowing from that Act, and MAPP 1.23 or successor and/or this Collective Agreement, *FIPPA* and such rulings shall prevail.

2. Each Member holding a Part-Time assignment may claim Reimbursable Expenses based on the total number of courses for which the Member has primary teaching responsibility, up to a value of \$250 for the first degree credit full course and \$75 for each additional half course to a maximum of \$700 per Calendar Year.
 - 2.1 Effective July 1, 2023, the dollar value of PER allocations for Part-Time Members shall be \$275 for each 0.5 Full Course Equivalent (FCE) that the Member has contracted to complete.  - a) membership fees for professional and/or learned societies related to the Member's discipline;

 - f) page and reprint charges or costs incurred in the preparation and completion of scholarly manuscripts.

- 3.1 The nature of professional activities conducted by Members varies and is dependent upon discipline. This shall be considered in assessing the eligibility of an expense.
4. Any material or equipment remaining after use by the Member shall be the property of the Employer.
5. Members who are on Sabbatical Leave may claim Reimbursable Expenses according to the terms of this Article.
6. Members shall apply for reimbursement through the University's on-line system and shall submit receipts for expenditures covered under this Article to their Chair/Director/Dean for approval each year during the period from February 1 to March 31. The mechanism for the administration of this provision shall not be altered without sixty days notice to the Association and the Members.
- 6.1 Notwithstanding the provisions of Clause 6 of this Article, Members may submit a claim for Reimbursable Expenses at any time during the Calendar Year as long as the claim is for Reimbursable Expenses equal to or in excess of \$500.00 for Full-time Members. Part-time Members may submit a claim for Reimbursable Expenses of any amount once during each Academic Term.

Professional Expense Reimbursement

9. The provisions of this Article are subject to the relevant provisions of the *Income Tax Act* and any interpretations made by Canada Revenue Agency (CRA); the Member accepts responsibility for any subsequent adverse judgment by CRA.

PROMOTION, TENURE AND CONTINUING STATUS ([back](#))

1. Unless otherwise provided for in this Collective Agreement, this Article applies only to Members of the Bargaining Unit who are Full-Time members of the academic staff of the University with Tenured, Continuing or Probationary Appointments on either the Tenure Track or Teaching Scholar (TS) Track.
 - 1.1 This Article may also be used to provide process and criteria to enable consideration for Promotion of Members with Limited-Term Appointments who are at the rank of Assistant or Associate Professor and who have Academic Responsibilities in each of Teaching, Research and Service; however, the provisions for the granting of Tenure or Continuing status shall not apply.
 - 1.2 For the purposes of this Article, Schools in the Faculties of Health Sciences and Schulich School of Medicine & Dentistry shall be treated in the same manner as Departments, and Directors of these Schools as Chairs.
2. The *University of Western Ontario Act, 1982* empowers the Board of Governors to promote and grant Tenure to academic staff on the recommendation of the President. The Employer shall promote Members and grant Tenure or Continuing status to Members in accord with the provisions of this Article.
3. For the Tenure Track, promotion and the granting of Tenure by the Employer shall be on the basis of a sufficiently strong record of performance established by the candidate in Teaching, Research, and Service. The range of duties encompassed by each of Teaching, Research and Service is defined in the Article *Academic Responsibilities of Members*. The performance in Research shall be evaluated with reference to the national and international standards within the candidate's discipline. When a candidate is considered for Promotion and/or Tenure, evidence shall be provided to the Promotion and Tenure Committee so it can decide whether the candidate has established a record of performance consistent with the requirements above and in accord with the following criteria for evaluating the record of performance.
 - 3.1 For the Teaching Scholar Track, promotion and the granting of Continuing status by the Employer shall be on the basis of a sufficiently strong record of performance established by the candidate in Teaching, Scholarship Activities, and Service. The range of duties encompassed by each of Teaching, Scholarship Activities, and Service is defined in the Article *Academic Responsibilities of Members*. The performance in Scholarship Activities shall be evaluated with reference to the national and international standards within the candidate's discipline. When a candidate is considered for Continuing status, evidence shall be provided to the Promotion, Tenure and Continuing Status Committee so it can decide whether the candidate has established a record of performance consistent with the requirements above and in accord with the following criteria for evaluating the record of performance.

- 3.2 The criteria for evaluating the candidate's record shall be:
- 3.2.1 Performance in Teaching. For Members on the Tenure or Teaching Scholar Track, the evaluation of performance in Teaching shall be based on a teaching record which may include any material deemed by the candidate to be relevant to the work of Teaching. The Chair or Dean shall formally solicit the written opinions of current and former graduate and undergraduate students and members of faculty about the candidate's performance in Teaching. The teaching record shall also include any evidence of teaching effectiveness such as peer reviews of teaching, as well as information about student experience in the classroom as reflected by data from Student Questionnaires on Courses and Teaching for all courses taught by the Member, where available. For each course, such data shall consist of class size, response rates, and the distribution of ratings, as well as other factors on which the Member provides comment, for example course characteristics such as elective or required status and mode of delivery. Such data shall not contain arithmetic averages. Evaluations of a Member's performance in Teaching shall take into account factors that may bias any measures submitted. Any consideration of data from Student Questionnaires on Courses and Teaching shall take into account the possibility that they may be biased. A decision to deny Promotion and/or Tenure or Continuing status shall not solely be based on data from Student Questionnaires on Courses and Teaching
- 3.2.2 Performance in Research. For Members on the Tenure Track, the evaluation of the record of performance in Research shall take into account quality, creativity and significance for the discipline and, where relevant, for the profession in question, as well as productivity. The research record may include any material deemed by the candidate to be relevant including non-refereed articles, unpublished documents, works in progress and creative works as described in the Articles *Academic Responsibilities of Members* and *Performance Evaluation*. However, in accord with Clause 3 of this Article, Promotion and the granting of Tenure by the Employer is on the basis of an established record of performance and not on the basis of potential to establish such a record; in evaluating the record of performance, unpublished documents, work in progress, and outcomes of activities in the area of Research that have not undergone peer review shall be weighted accordingly. The written opinion of at least three arm's-length experts in the candidate's area of specialization who are not members of the University shall be obtained.
- 3.2.2.1 Whether and how research done before the Member's Appointment will be included as part of the research record must be stated in the Member's Letter of Appointment.

- 3.2.3 Performance in Scholarship Activities. For Members on the Teaching Scholar Track, the evaluation of the record of performance in Scholarship Activities shall take into account quality, creativity, and significance for teaching within the discipline, as well as productivity. The scholarship activity record may include any material deemed by the candidate to be relevant including documentation of curriculum development and/or educational leadership and/or mentoring, presentations and scholarship on teaching or pedagogy, mentoring, or research into the efficacy of different pedagogical approaches. Impact of educational leadership and/or achievement could be demonstrated through innovation of methods that enhance student learning; through creation and/or development of models of effective teaching; through advances in the delivery of education in a discipline or profession; through engagement in the scholarly conversation via professional activity and/or publications. Work in progress may be included in the dossier. However, in accord with Clause 3.1 of this Article, Promotion and the granting of Continuing status by the Employer is on the basis of an established record of performance and not on the basis of potential to establish such a record; in evaluating the record of performance, unpublished documents and work in progress shall be weighted accordingly. The written opinion of at least three arm's-length experts in the scholarship of teaching and learning and/or the candidate's area of specialization who are not members of the University shall be obtained.
- 3.2.4 Performance in Service. Such contributions may take the form of administrative committee work, or other forms of significant Service which contribute to the University's functions.
4. Each Tenured or Probationary Tenure Track candidate for Promotion and/or the granting of Tenure is expected to establish a record of performance in each of Teaching, Research and Service.
- 4.1 Subject to the provisions of Clause 4.2 below, the significance accorded to Teaching and Research shall be approximately equal and, in all cases, each shall be accorded greater significance than Service. The records of performance in both Teaching and Research must be sufficiently strong to warrant the granting of Tenure and/or Promotion at The University of Western Ontario. While a candidate must have achieved a satisfactory record of performance in Service, the meritorious performance of these duties shall not compensate for an insufficiently strong record of performance in Teaching or Research. However, an unsatisfactory record of performance in Service contributions may be an important factor in the denial of Tenure and/or Promotion.
- 4.2 The relative significance accorded to Teaching and Research by a Promotion, Tenure and Continuing Status Committee shall be subject to any arrangements described in the Letter of Appointment and any arrangements made under any of the provisions of this Collective Agreement.

- 4.3 The conferral of the rank of Professor shall recognize high achievement in Teaching and Research. A candidate for Appointment at, or promotion to, the rank of Professor shall have sustained the record of performance in Teaching and in Research required to warrant Appointment at, or promotion to, the rank of Associate Professor, and shall also have established a record of performance in at least one of these criteria that significantly surpasses that standard.
- 4.3.1 While the recommendation for Appointment or Promotion to the rank of Professor shall be based primarily on Teaching and Research, a candidate must also have established a significant record of performance in Service contributions.
- 4.3.2 In assessing the record of performance in Teaching, Research and Service during consideration for Promotion to the rank of Professor, any alterations achieved through the provisions of this Collective Agreement that greatly increase the balance of a Member's workload in the area of Service shall be taken into account. For example, the necessary quality and quantity of the record of performance in Research should be equivalent to that of a Member with a Normal Workload balance, but the time taken to achieve this record may be longer for a Member with a substantially higher Service workload balance.
- 4.3.3 Although sustained high achievement shall normally be expected of a successful candidate for the rank of Professor, length of service shall not be a criterion for Promotion.
5. Each Continuing status or Probationary Teaching Scholar Track candidate for Promotion and/or the granting of Continuing status is expected to establish a record of performance in each of Teaching, Scholarship Activities and Service.
- 5.1 Subject to the provisions of Clause 5.2 below, Teaching shall be accorded greater significance than Scholarship Activities and Service. However, the records of performance in both Teaching and Scholarship Activities must be sufficiently strong to warrant the granting of Continuing status and/or Promotion at The University of Western Ontario. While a candidate must have achieved a satisfactory record of performance in Service, the meritorious performance of these duties shall not compensate for an insufficiently strong record of performance in Teaching or Scholarship Activities. However, an unsatisfactory record of performance in Service contributions may be an important factor in the denial of Continuing status and/or Promotion.
- 5.2 The relative significance accorded to Teaching and Scholarship Activities by a Promotion, Tenure and Continuing Status Committee shall be subject to any arrangements described in the Letter of Appointment and any arrangements made under any of the provisions of this Collective Agreement.

Promotion, Tenure and Continuing Status

- 5.3 The conferral of the rank of Professor, TS shall recognize high achievement in Teaching and Scholarship Activities. A candidate for Appointment at, or promotion to, the rank of Professor, TS shall have sustained the record of performance in Teaching and in Scholarship Activities required to warrant Appointment at, or promotion to, the rank of Associate Professor, TS and shall also have established a record of performance in at least one of these criteria that significantly surpasses that standard.
- 5.3.1 While the recommendation for Appointment or Promotion to the rank of Professor, TS shall be based primarily on Teaching and Scholarship Activities, a candidate must also have established a significant record of performance in Service contributions.
- 5.3.1.1 In assessing the record of performance in Teaching, Scholarship Activities, and Service during consideration for Promotion to the rank of Professor, TS, any alterations achieved through the provisions of this Collective Agreement that greatly increase the balance of a Member's workload in the area of Service shall be taken into account. For example, the necessary quality and quantity of the record of performance in Scholarship Activities should be equivalent to that of a Member with a Normal Workload balance, but the time taken to achieve this record may be longer for a Member with a substantially higher Service workload balance.
- 5.3.2 Although sustained high achievement shall normally be expected of a successful candidate for the rank of Professor, TS, length of service shall not be a criterion for Promotion.
- 6. Members on a Probationary Appointment shall receive an annual report from their Dean or designate (as described in Clauses 6.1 through 6.3 below) on their progress toward meeting the expectations for Promotion and/or Tenure or Continuing status described in their Letter of Appointment. This report shall be based on an annual interview between the Dean and the Probationary Member, as described in Clause 6.1 below; on consideration of the Probationary Member's Performance Evaluation; and on written comments that the Dean may solicit from the Probationary Member, other Members, colleagues from the discipline within the University, and/or the Chair of the Department (if applicable). In their response to the Dean's solicitation of such comments, the Member may suggest the names of Members and/or colleagues in the discipline within the University from whom comments may be solicited. Where the Member does so, the Dean shall solicit comments from the individuals named by the Member.
- 6.1 No later than April 30 of each Calendar Year, the Dean, or designate, shall hold an annual interview with each of the Probationary Members in the Faculty. An important purpose of these interviews is to provide mentoring for Probationary Members and for the Member to satisfy themselves so that they understand the expectations for meeting the criteria for Tenure or Continuing status. This

interview shall address the Member's progress towards generating a record of performance in each of Teaching, Research or Scholarship Activities, and Service sufficient to meet the criteria for Promotion and Tenure or Continuing status, and aspects of performance in each of the three applicable areas that need to be strengthened. This interview shall also include discussion of the Probationary Member's Performance Evaluation, while recognizing that the criteria for Performance Evaluation are separate and distinct from the criteria for Promotion and Tenure or Continuing status. This interview need not occur if the Probationary Member has already been approved for Tenure or Continuing status in accordance with the provisions of Clause 19.4 of this Article.

- 6.1.1 Those present at the annual interview shall be the Member, their Dean, or designate, and their Department Chair (if applicable). If the Member so wishes, and upon notice to the Dean, the Member has the right to be accompanied by a colleague from their Department or Faculty, or by a person appointed by the Association.
- 6.1.2 Within two weeks of this interview, the Dean, or designate, shall provide a written report of the interview to the Member. For Probationary Tenure Track faculty, this report shall comment on the progress being made by the Member in generating a record of performance in each of Teaching, Research, and Service that is sufficiently strong to satisfy the criteria for Promotion and/or the granting of Tenure, and shall advise the Member on any aspects of performance in each of the three areas that need to be strengthened. The report shall also be placed in the Member's Promotion and/or Tenure File, defined in Clause 7.3 of this Article. For Probationary Teaching Scholar Track faculty, this report shall comment on the progress being made by the Member in generating a record of performance in each of Teaching, Scholarship Activities, and Service that is sufficiently strong to satisfy the criteria for Promotion and/or the granting of Continuing status, and shall advise the Member on any aspects of performance in each of the three areas that need to be strengthened. The report shall also be placed in the Member's Promotion and/or Continuing Status File, defined in Clause 7.3 of this Article.
- 6.1.3 This report shall not include any additional comments or information other than a record of the discussion that took place in the interview.
- 6.1.4 A Member has the right to respond to the report and this response, which shall be in writing and supplied to the Dean within two weeks of the Dean's report, shall be kept in the Member's Promotion and/or Tenure or Continuing Status File alongside the original report.
- 6.2 The reports produced in accord with Clause 6.1.2 above shall not be considered relevant to any decision affecting a Member's career beyond the decision to confer (or not to confer) Tenure or Continuing status and shall be included only in the Promotion and/or Tenure or Continuing Status File.

Promotion, Tenure and Continuing Status

- 6.3 In the case of a Member who holds a Joint Appointment that is in more than one Faculty, a single annual interview shall be conducted with both Deans, or designates, present. Where applicable, the Chair(s) of the Departments where the Joint Appointment is held shall also be present.
7. For each Probationary Tenure Track Member at the rank of Assistant Professor or Associate Professor, a Promotion and Tenure File shall be established by the Dean, or designate, at the time of the initial Appointment of the Probationary Member. For each Probationary Teaching Scholar Track Member at the rank of Assistant Professor, TS or Associate Professor, TS, a Promotion and Continuing Status File shall be established by the Dean, or designate, at the time of the initial Appointment of the Probationary Member.
- 7.1 A Promotion File shall be established by the Dean, or designate, for:
- a) each Tenured Member at the rank of Associate Professor;
 - b) each Continuing status Member at the rank of Associate Professor, TS
 - c) each Member with a Limited-Term Appointment eligible under the provisions of Clause 1.1 of this Article.
- 7.2 In the case of a Member who holds a Joint Appointment that is in more than one Faculty, the File shall be established and maintained by the Dean, or designate, of the Home Unit designated in the Letter of Appointment.

The Member shall bring evidence of extenuating circumstances to the attention of the Employer at the time of occurrence, or as soon as possible where health reasons precluded bringing the circumstances to the Employer's attention immediately.

- 4.1.1 While a Probationary Member may apply for a Sabbatical Leave in accord with Clause 4.1 of this Article, only Tenured Members, Members holding a Continuing Appointment on the Teaching Scholar track and eligible Limited-Term Members are eligible to take a Sabbatical Leave.
- 4.2 A Member who holds a Limited-Term Appointment under Clause 1.1 of the Article *Transition Provisions* of the 1998-2002 Collective Agreement, and who has Academic Responsibilities in the area of Research or Scholarship Activities shall accrue eligibility to apply for a Sabbatical Leave in proportion to the rate of accrual defined in Clause 4 of this Article. For example a Member with a 40% commitment to Research or Scholarship Activities shall be eligible to apply for a twelve-month Sabbatical Leave to begin after six years of continuous Full-Time service in the Appointment created under Clause 1.1 of the Article *Transition Provisions* of the 1998-2002 Collective Agreement, and a Member with a 20% commitment to Research or Scholarship Activities shall be eligible to apply for a six-month Sabbatical Leave after six years of continuous Full-Time service in the Appointment created under Clause 1.1 of the Article *Transition Provisions* of the 1998-2002 Collective Agreement.

- 4.3.2 In applying the provisions of Clauses 4.3 and 4.3.1, only those years in which the Member's Academic Responsibilities in the area of Research or Scholarship Activities were equivalent to at least 40% of their Workload shall be counted towards accrual of eligibility to apply for a Sabbatical Leave.

5. The period of service accumulating towards eligibility to apply for a Sabbatical Leave may be interrupted by other Leaves allowed under this Agreement. With the exception of Compassionate Leave, Court Leave, Pregnancy and Parental/Adoption Leave and Sick Leave, if the total period of Leave exceeds three months in any one Calendar Year, none of the Leave period shall count towards the time accumulating towards eligibility to apply for a Sabbatical Leave.
6. Any agreement made between the Employer and a Member under the provisions of the Articles *Alternative Workload* or *Reduced Workload* shall contain explicit provisions defining the method by which Sabbatical Leave eligibility will be calculated during the period of the Alternative Workload or Reduced Workload.
7. Members who have been appointed directly from a position at another University may be granted a maximum of three years' credit for service at the other University. Subject to this maximum, the service at other Universities shall normally count at the rate of one year Sabbatical credit for each two years of service. The extent to which service at the other University will count towards eligibility to apply for a Sabbatical Leave must be agreed upon at the time of the Member's Appointment and must be stated in the Member's Letter of Appointment.
- 7.1 The provisions of Clause 7 of this Article shall also apply to a Member who is appointed directly from a Limited-Term appointment at The University of Western Ontario, provided the Limited-Term appointment included Academic Responsibilities in the area of Research or Scholarship Activities.
8. All Sabbatical Leaves shall be for either six or for twelve months at 85% of salary, except the first Sabbatical Leave after the probationary period at The University of Western Ontario, which shall be at 90% of salary.
9. Subject to Clause 14, a twelve-month Sabbatical Leave shall normally commence on July 1 and terminate on June 30 of the Academic Year for which a Sabbatical Leave has been approved. With the approval of the Dean, a Sabbatical Leave may commence on January 1 and terminate on December 31 of the same year.

Subject to Clause 14, a Member may request that a six-month Sabbatical Leave start on either July 1 or January 1 of the Academic Year for which a Sabbatical Leave has been approved by the Employer. - c) the Member has a satisfactory record of accomplishment in Research or Scholarship Activities, as defined in the Article *Academic Responsibilities of Members*, during the previous six years. The Dean's evaluation of the Member's record of accomplishment shall include, but need not be limited to:

Where the Member is appointed in more than one Unit, the Dean shall consult with the Chair/Director/Dean in that Unit. The Employer shall then approve or deny the application. Such approval shall not be arbitrarily withheld and any decision not to approve shall be accompanied by written reasons.

- a) Where the provisions of Clause 13.2 below have not been applied, the Employer shall approve or deny the application by December 15 of each year, except in the case of Probationary Members who successfully apply for Promotion and/or Tenure, in which case the Employer shall approve or deny the application within two weeks of the Provost's decision with respect to Promotion and/or Tenure.
- b) Where the provisions of Clause 13.2 below have been applied, the deadlines for approval or denial in Clause 13.1 a) above shall be extended by six weeks.

13.2 If the Dean finds in his or her initial consideration of the application for a Sabbatical Leave that the application may not meet the criteria listed in Clause 13 a) through f) above, the applicant shall be sent a letter by December 1 asking for more information. If, after receiving the information (or no information is forthcoming within two weeks of the request), the Dean still finds that the application may not meet the criteria listed in Clause 13 a) through f) above, the Dean shall provide the applicant with a letter describing the manner in which, in the Dean's view, the criteria have not been met. This letter, which shall be sent no more than 10

At such a meeting, the Member may be accompanied by a representative of the Association. The meeting with the applicant shall take place before the Employer makes his or her decision, unless the applicant declines the invitation, or fails to meet with the Dean within two weeks of the letter being sent.

The Parties acknowledge that for the five (5) years preceding ratification of this Collective Agreement not all records and decisions may be available. The Parties also acknowledge that Scholarship Activities for the five (5) years preceding ratification of the Letter of Understanding – Transition provisions for Recruitment to Teaching Scholar Track Appointments (November 23, 2018) will not be available.
14. In the judgment of the Dean, it may be necessary for a Member to postpone his or her Sabbatical Leave by up to one year in order to ensure the effective functioning of the Faculty. If an approved Sabbatical Leave is so postponed, the Member shall be eligible to apply for a subsequent Sabbatical Leave to begin up to one year earlier than the eligibility requirements in Clauses 1, 2 and 4 through 7 dictate. In the case where the Member's deferred Sabbatical Leave occurs in the year containing the Member's Normal Retirement Date, the provisions of Clause 19 shall not apply.
15. Subject to Clause 14, a Member for whom a Sabbatical Leave has been approved shall proceed on the Sabbatical Leave on the approved date and for the approved period, except by mutual agreement of the Member and the Dean.
- 15.1 If a Member becomes ill or injured while on Sabbatical Leave such that the Sabbatical Leave cannot be completed, the Member may, at the Member's discretion, elect to go on Sick Leave and the provisions of Clause 7.3 of the Article *Income Security* shall apply, including the deferral of the balance of the Sabbatical Leave if more than three months are remaining.
16. A Member granted a Sabbatical Leave may request a Moving Expense Reimbursement and/or a Research or Scholarship Activities Grant, in lieu of a portion of his/her salary, while on Sabbatical Leave in accordance with Clauses 52-52.4 in the Article *Compensation and Benefits*.

- 17.1 Notwithstanding the provisions of Clause 17 of this Article, a Member may be considered for Promotion during a Sabbatical Leave as long as the Member undertakes to be available to participate in the process (for example, to provide materials for the File, to respond to requests for information or consultation by the Committee, or to respond to any concerns the Provost may have with the File). A Member may meet this undertaking by providing information or responding to concerns by e-mail or FAX, and by participating in any consultation by teleconferencing. If the Member fails to meet the undertaking, then the consideration of the File shall be terminated.
18. Upon completion of a Sabbatical Leave, the Member shall, within three months, provide the Dean of his or her Faculty with a report describing the activities undertaken during the Sabbatical Leave and the actual and anticipated outcomes.
19. A Member on Sabbatical Leave shall return to his or her position for a period equal to the length of the Sabbatical Leave. Should a Member not satisfy this condition, he or she shall be indebted to the Employer for the sum of monies paid to him/her by the Employer during his/her Sabbatical Leave, unless the Employer waives such obligation.
20. A Member on Sabbatical Leave shall be deemed to have an Alternative Workload of 10% Teaching, 90% Research or Scholarship Activities and no Service.
- 20.1 Notwithstanding the provisions of Clause 20 of this Article, for the purposes of Performance Evaluation a Member may opt to be deemed to have an Alternative Workload in which the balance of Teaching relative to Research or Scholarship Activities is increased to take into account activities pertinent to the Member's Responsibilities as a supervisor or chief advisor of graduate students. Such option shall be requested in the application for the Sabbatical Leave.
21. If a Member has made prior agreement with the Dean to receive the same assessment as in the year prior to the Sabbatical Leave, then the Member is not required to submit an Performance Report.

- 1.1 Subject to the provisions of Clause 2 of the Article *Alternative Workload*, the Normal Workload, as defined in this Article, of Probationary or Tenured Members shall balance Teaching, Research and Service such that the commitment of activity in each of Teaching and Research shall be approximately equal and each shall be greater than in the area of Service. For Probationary and Tenured Members whose Teaching component of Workload constitutes at least thirty per cent of Academic Responsibilities, the credit given for the amount of graduate supervision shall not be such that it eliminates all of the Member's other Academic Responsibilities in the area of Teaching.
- 1.2 Subject to the provisions of Clause 2 of the Article *Alternative Workload*, the Normal Workload, as defined in this Article, of Probationary or Continuing Appointment on the Teaching Scholar Track shall balance Teaching, Scholarship Activities and Service such that the commitment of activity in each of Scholarship Activities and Service shall be approximately equal.
- 1.3 The Workload of Full-Time Members other than those in Clause 1.1 or 1.2 of this Article shall consist of activities in the areas of Teaching, Research and/or Service as described in their Letter of Appointment, and as modified in any subsequent arrangements documented in the Member's Official File.

The Normal Workload must be consistent with the operating obligations of the Unit and the University, and must have been approved by the Dean. These obligations shall include any Employer approved participation of the Unit's Members in programs outside the Unit and shall include specified recognition of the supervision of graduate students as a component of Teaching. The process of identification and approval shall be as specified in Clause 3 of this Article.
 - 2.1 In this Article, Unit shall mean Department or School, as applicable, or, in the case of Faculties without a Department or School structure, Faculty.

All votes relating to the Workload Document shall be by secret ballot and the votes of all Full-Time Members of the Unit on these matters shall be reported only as an aggregate and not on the basis of contract status or rank. Where a majority ballot is in favour of a review, the provisions of Clauses 3.1 through 3.4 shall apply; otherwise, the existing Workload Document shall be forwarded to the Dean as a proposed, ratified Workload Document and the provisions of Clauses 3.2 through 3.4 shall apply. Notwithstanding these provisions, the Workload Document for the Unit must be reviewed by the Unit every three years or upon request of the Dean. Any such request shall occur at most once per year, during the month of April. Notwithstanding these provisions, each Unit shall review its Workload Document in 2023.
 - 3.1 If, under the provisions of Clause 3 of this Article, the Workload Document of a Unit is to be reviewed, then by May 1 of each year, each Unit shall elect a Workload Committee. This Committee shall be chaired and convened by the Chair of the Department, or the Director of the School, where applicable. In Faculties without a Department or School structure, the Committee shall be chaired and convened by the Dean; where the Dean so chooses, this duty may be delegated to an Associate Dean.

- 3.1.2. Before July 15th of each year every Member of the Workload Committee shall attend training on the work of the Workload Committee. The training will be developed jointly between the Employer and the Association.
4. By September 15 of each year the Committee shall:
- a) Review the Workload of the Members of the Unit for the three previous years as outlined in the report provided under Clause 11 of this Article.
 - b) review the obligations of the Unit during the previous Fiscal Year, the current Fiscal Year, and the anticipated obligations of the Unit in the next three Fiscal Years. These include:
 - (i) the Teaching work of the Unit as described in the Article *Academic Responsibilities of Members*, including Employer-approved participation of the Unit's Members in programs outside the Unit and including Teaching work associated with graduate student supervision;
 - (ii) the Research work of the Unit as described in the Article *Academic Responsibilities of Members*;
 - (iii) the Service work of the Unit as described in the Article *Academic Responsibilities of Members*;
 - c) review the teaching resources available within the Unit. These include:
 - (i) the number of Graduate Teaching Assistants available;
 - (ii) the number of Limited-Duties Appointments available

Workload

- (iii) the number of Full-Time Members available;
 - (iv) any arrangements made under the provisions of this Collective Agreement that reduce or increase the Academic Responsibilities of the Full-Time Members in the area of Teaching, including Employer-approved participation of the Unit's Members in programs outside the Unit; and
- d) consider the obligations, teaching resources and past practices of the Unit, and propose in writing a Normal Workload for Full-Time Members of the Unit undertaking the normal balance of Teaching, Research and Service activities described in Clause 1.1 and 1.2 of this Article.
- 4.1 By October 1 the Committee shall propose a Workload Document for the Unit. The Workload Document shall clearly demonstrate how work in the Unit is to be equitably distributed among Members and how resources are to be allocated to support Members' work. The Workload Document shall specify the following:
- a) the number of courses taught in an Academic Year by a Full-Time Member who has a Normal Workload, according to Appointment type (Limited Term, Probationary, Tenured, Continuing Status);
 - b) minimum percentages of Workload alteration for Unit-level service roles (Department Chair or Director, Undergraduate Chair or Director, Graduate Chair, Vice Chair, Academic Advisor, etc.) through an Alternative Workload;
 - c) typical level of Graduate Teaching Assistant, proctor, and marker support as a function of class size and for all courses taught in the Unit, as well as Academic support staff, as applicable, for tasks including but not limited to:
 - (i) setting up, inputting information in, and administering learning management system sites;
 - (ii) printing course outlines, tests and other material required for teaching;
 - (iii) administering experiential learning courses;
 - (iv) managing student accommodation administration;
 - d) weighting of courses in a Member's Workload according to duties in addition to the teaching of a single section, such as coordinating multiple sections of the course, supervising Graduate Teaching Assistants, managing experiential learning etc., as applicable;

- e) how supervision of students in for-credit components of their program is counted in a Member's Workload;
 - f) expectations regarding Service inside and outside the Unit;
- 4.2 By October 15 of each year the proposed Workload Document shall be ratified by a majority ballot of Full-Time Members of the Unit and forwarded to the Dean. If the proposed Normal Workload is not ratified by a majority ballot, the provisions of Clause 4.3.2 of this Article shall apply.
- 4.3 The Dean shall consider whether the proposed Workload Document permits the Unit to fulfil its obligations.
- 4.3.1 By November 15 of each year, if the Dean does not agree that the proposed Workload Document permits the Unit to fulfil its obligations, the proposal shall be returned to the Workload Committee along with written reasons for the Dean's disagreement. The Committee shall review the proposed Workload Document and submit the same or a revised version to the Full-Time Members of the Unit for ratification by a majority ballot. This revised or unrevised Workload Document shall be resubmitted to the Dean within one month of the return of the proposal to the Workload Committee. If this does not occur, the provisions of Clause 4.3.2 of this Article shall apply. If the Dean does not agree that the resubmitted proposed Workload Document permits the Unit to fulfil its obligations, the provisions of Clause 4.3.2 of this Article shall apply.
- 4.3.2 In the absence of a ratified proposed Workload Document that, in the view of the Dean, permits the Unit to fulfil its obligations, the Dean shall, by January 15, identify the Normal Workload for Full-Time Members of the Unit. The Dean shall consider the teaching resources available in the Unit, past practice in the Unit, along with the obligations of the Unit in the areas of Teaching, Research and Service as a guide in the identification of the Normal Workload. In identifying the Normal Workload, the Dean shall not increase the magnitude of the sum of the Teaching and Service work in the existing Workload Document in the Unit unless a majority ballot of the Full-Time Members of the Unit ratifies the increase.
- 4.4 The Normal Workload identified in any particular Academic Year shall apply to the following Academic Year. A copy of the Workload Document shall be made available to Members in the Unit's office, as applicable, and an electronic copy of each Workload Document shall be sent to the Association by the Employer by June 1 of each year.
- 4.4.1 Where application of the provisions of Clause 4.3.2 of this Article has led to an increase in the magnitude of the sum of the Teaching and Service work in an existing Normal Workload, and unless the Full-Time Members of the Unit have agreed otherwise through a majority ballot, the Dean shall, within two Academic

Workload

Years following implementation of the new Normal Workload, return the magnitude of the sum of the Teaching and Service work to that of the pre-existing Normal Workload.

5. It is recognized that fluctuations in the Workload associated with the Teaching of a particular University degree credit course may occur from year to year, and that a Member's Workload in the area of Teaching may, in any one year, be increased or decreased by factors such as the following:
 - a) the total number of students in the course, or section in multi-section courses;
 - b) the number of scheduled contact hours per course;
 - c) requirements for clinical, field, research, thesis, laboratory, studio, performance, practicum, academic supervision of undergraduate and graduate students and other experiential learning;
 - d) additional preparation required for a course that is new to a Member, or new to the Unit, or substantially revised;
 - e) reduced preparation required for a course that the Member has taught before;
 - f) the relationship of teaching duties to the Member's area of expertise;
 - g) availability of marking, teaching or laboratory assistants;
 - h) requirements for supervision of marking, teaching, field, or laboratory assistants;
 - i) the level (introductory, upper year, graduate) and type of instruction involved (lecture, laboratory, field, practicum, performance, clinic, seminar, reading courses, studio, and other experiential learning);
 - j) the nature of the subject, including but not limited to requirements for periodic revision and update;
 - k) teaching and evaluation methods, including the mode of delivery and the amount and type of marking;
 - l) whether the course or field supervision is located on or off Campus;
 - m) additional or reduced assignments arising from emergencies, such as the unexpected unavailability of colleagues or cancellation of courses;

- n) the total number of graduate students supervised and/or advised in a given year by a Member of the Unit, and the stage they have reached in their program of study;
 - o) Employer-approved participation of the Unit's Members in programs outside the Unit, including participation in interdisciplinary programs and courses;
 - p) the format or medium of delivery of the course, including the use of Information and Communication Technologies.
- 5.1 Subject to Clause 5.2 of this Article, the Workload of each Full-Time Member in a Unit shall be equivalent to the Normal Workload identified in Clause 4 of this Article when averaged over a period of years. This period shall normally be no more than six years. Arrangements to accommodate deviations from the Normal Workload due to course cancellation resulting from unforeseen circumstances shall be made in consultation with the Member. For a Member with a Limited-Term Appointment with less than six years' service, the period shall not exceed the length of the remainder of the Member's Appointment.
- 5.2 Any alternative arrangements that allow a Full-Time Member's Workload to deviate substantially from the Normal Workload of the Unit and remove the requirement that a Member's Workload should be equivalent to the Unit's Normal Workload when averaged over a period of years must be specified in the Member's Letter of Appointment, or must be approved by the Member's Dean and documented in the Member's Official File and, as applicable, in the Member's Promotion and Tenure File. Any such arrangements shall be in accord with the provisions of this Collective Agreement. Any such alternative arrangements shall only alter the balance of a Member's Workload among Teaching, Research and Service, and shall not alter the magnitude of a Member's work, unless the Member has a Reduced Workload in accord with the provisions of the Article Reduced Workload.
- 5.3 Unless agreed otherwise, the per-course Workload of a Part-Time Member shall not exceed the average per-course Workload of a Full-Time Member in the same Unit, as calculated according to Clause 5.1 of this Article. Where such an agreement exists, the Letter of Appointment shall contain provisions for additional remuneration.
6. Only Teaching and Service responsibilities may be assigned to a Full-Time Member. While time can be allocated for Research, specific Research areas shall not be assigned.

Workload

- 6.1 Any assignment of Academic Responsibilities within a Unit shall take into consideration any Employer-approved extra-Unit responsibilities elsewhere in the University, as specified in Clause 4 b) (i) of this Article, and Clause 6 of the Article Academic Responsibilities of Members.
- 6.2 The Teaching component of a Full-Time Member's Workload, after consultation with the Member, shall be assigned annually by the Member's Home Unit Dean or designate, as shall any assignable components of the Member's Workload in the area of Service. In Faculties with Departments the designate, if used, would normally be the Chair; in Faculties with a School structure the designate, if used, would normally be the Director.
 - 6.2.1 The Dean or designate shall provide the Full-Time Member with the Member's assigned Teaching and Service Workload in writing for the September 1 to August 31 period by May 31 in the previous Academic Year taking into account variations of Academic Year start dates in relevant Faculties. If the May 31 date cannot be met, it is agreed that the Member shall be notified of provisional assignments and the reason(s) for the delay. For a Member with a Joint Appointment, the Dean/Chair/Director of each of the Member's Units shall agree on the assignment of Teaching and Service. In the event of a disagreement between Chairs and/or Directors, the Member's Deans shall jointly assign the Member's Teaching and Service.
 - 6.2.2 The Member's assigned Teaching and Service Workload may be altered if unforeseen events occur after the Workload has been assigned which require alterations in the assigned Workload. Members shall be given reasons for such alterations.
7. Unless specifically provided otherwise in a Letter of Appointment, Full-Time Members are employed by the University for a period of twelve months in each year, including holidays and vacations as provided for in this Collective Agreement, to carry out their Academic Responsibilities. Subject to the operating requirements of the Unit, the historical obligations of the Unit, and any arrangements in a Letter of Appointment, Full-Time Members who do not have a Reduced Workload, and who have Academic Responsibilities in the area of Teaching that are less than or equal to the magnitude of the balance of Teaching in the Unit's Normal Workload, shall, unless otherwise agreed to, normally fulfil their Teaching responsibilities, other than graduate student supervision, in two of the three Academic Terms of the Academic Year, with the exception of Members described in Clause 7.1 of this Article. However, Probationary Members shall not be required to teach courses in more than two of three terms.
 - 7.1 A Member teaching more than three full-course equivalents in an Academic Year shall have the right to request of the Dean that their Teaching Workload shall be distributed over the three Academic Terms. Such a request shall not be arbitrarily denied.

8. Using the provisions of the Article Alternative Workload, a Full-Time Member appointed to a Probationary contract of more than five years, commencing July 1, 2002, or later, may request one Academic Year during the probationary period in which only one of the Academic Terms includes assigned, scheduled Teaching duties. Such a request shall not be arbitrarily denied. The scheduling of such a Term, if approved, shall be subject to the agreement of the Member, the Unit head and the Dean. The Teaching Workload of the Member in the Academic Year in which the Term free of assigned, scheduled Teaching duties is approved would normally be one half of the Normal Teaching Workload of the Unit.
9. Using the provisions of the Article Alternative Workload, a Full-Time Member may request rearrangement of their assigned, scheduled Teaching duties so that by teaching up to one additional half course per Academic Year, the Member may have a reduced Teaching Workload in a subsequent Academic Year. Such a request shall not be arbitrarily denied. With this form of “course banking”, a Full-Time Member may plan an Academic Term free of Teaching Responsibilities (other than graduate student supervision) by accumulating sufficient credit to be released from Teaching for one Academic Term. The scheduling of such a Term, if approved, shall be subject to the agreement of the Member, the Unit head and the Dean.
 - 9.1 The “course banking” described in Clause 9 of this Article may be combined with an approved Education Leave to generate an Academic Term free of Teaching Responsibilities.
10. Each Member may request, on an annual basis, a meeting with the Member's Dean, or designate, to review the Member's Workload. The meeting shall take place within fifteen working days of receipt of the request. At the Member's discretion, the Member may be accompanied by a colleague or an Association representative at this meeting. Within fifteen working days of the meeting, the Dean shall address in writing any Workload concerns discussed in the meeting.
11. At the end of each Academic Year the Dean or designate shall provide a dated report to the Members of the Unit listing the courses, or fractions thereof, actually taught by each Member and non-Member, type of Appointment of the Member or non-Member together with the enrolments in these courses, the number of graduate students for whom each Member serves as a chief advisor or supervisor, or in some other capacity involving significant commitment of time, and the existence of any Alternative Workload arrangements applying to Members of the Unit. An electronic copy of this annual report shall be sent to the Association by the Employer by December 31 following the end of the Academic Year.

Experiential Learning

12. Notwithstanding the provisions of Clauses 1.3.2 and 5, work associated with experiential learning in the form of faculty-led study abroad, community engaged learning, and field experience shall normally be granted greater weighting than the work associated with other courses. The Workload Committee shall determine such weighting based on factors including but not limited to, location, number of students, number and nature of partners. A Member who is creating a new experiential learning course shall be provided appropriate recognition for the work involved, such as course release, workload adjustment or compensation.
13. Any Part-Time Member shall be eligible to apply for internal funding for development of experiential learning courses.
14. Any Grievance regarding a Member's Workload shall be commenced at Step 2, according to the provisions of the Article *Grievance and Arbitration*.

4. In assessing whether or not an assignment in the Departments of French Studies and Modern Languages and Literatures is as a Teaching Assistant under the GTA agreement or as an instructor undertaking Teaching under the Faculty Collective Agreement, the following shall be considered the purview of an Instructor undertaking Teaching:

LETTER OF UNDERSTANDING COVID-19 PANDEMIC PROVISIONS ([back](#))

The Parties agree that this Letter of Understanding forms part of the 2022-2026 Faculty Collective Agreement for the life of this Collective Agreement.

WHEREAS Western recognizes that preparation for courses and administration of student accommodations were affected on account of the COVID-19 pandemic and the Declaration of Emergency under the Emergency Management and Civil Protection Act and may have involved additional duties and responsibilities;

WHEREAS the COVID-19 pandemic and the March 17, 2020, Declaration of Emergency under the Emergency Management and Civil Protection Act, as extended, may have caused disruptions to Members' working conditions in the final months of the 2019-20 academic year as well as the 2020-21 and 2021-22 academic years;

WHEREAS the Parties agreed in the Letter of Understanding Evaluation of Courses and Teaching in the 2018-2022 Collective Agreement that Student Questionnaires on Courses and Teaching provide information about student experience in the classroom, but have limitations as an indicator of performance in teaching;

WHEREAS the emergency orders stemming from the COVID-19 pandemic resulted in significant changes to the work and working conditions of Members which impacted their performance;

WHEREAS the Policy 3.1.1 – COVID-19 Vaccination Policy prevented Members with a Standing Appointment who were not vaccinated from holding teaching appointments in the period during which it was in force;

WHEREAS the impact of changes due to the pandemic were experienced differently across Units, individual Members, and areas of workload;

WHEREAS these impacts might exacerbate existing inequities in the academic system (e.g., for women, Indigenous peoples, members of racialized groups, etc.),

The Parties agree to the following provisions:

Performance Evaluation

1. In Performance Evaluation cycles for which the three-year evaluation period includes at least part of the period from March 2020 to April 2022, the parties shall ensure that the recommendations of the *Report of the Joint Working Group on APE* dated May 27, 2021-continue to be implemented. Specifically, Members will be able to report COVID impacts on performance using checklists derived from those contained in that report and jointly approved by the Parties. The resources jointly developed between UWOFA and the Employer (Report of the Joint Working Group

on APE dated May 27, 2021, Guidelines for Faculty Members about documenting impact of the pandemic in their APE, Checklists for COVID-19 impact: Research, Teaching, Service and Overall, Reporting COVID Impacts on APE – Information Session (video and slides), APE Information Session FAQs) shall be available on the Faculty Relations website:

Such request was made by such Members no later than December 31, 2020, and/or December 31, 2021. Members who received a one-year extension to their probationary period, were able to make a request for a second one-year extension to their probationary period, which was granted on exceptional basis only. These Members maintained the option of being considered for Promotion, Tenure, or Continuing Status in what would have been the final year of their appointment prior to granting of the extension.

Sabbatical Leave deferral

3. Given that a public health emergency caused significant disruptions to the working conditions of faculty in the period from March 2020 to April 2022, some Members elected to defer an approved Sabbatical Leave by 6 months or by 12 months.
4. Where a Member had deferred an approved Sabbatical Leave under the terms of Clause 3 the Member was eligible to apply for a subsequent Sabbatical Leave to begin one year earlier than the date they would have been eligible to begin the subsequent Sabbatical Leave if the deferral had not been granted.
5. Given the disruptions continued for more than a year, a Member who had deferred a Sabbatical Leave under the terms of Clause 3, was able to request a second deferral. The second Sabbatical Leave request was subject to the approval of the Dean and Vice Provost. Under the terms of Clause 14 of the Sabbatical Article, a Member shall only begin a subsequent Sabbatical Leave up to one year earlier.

Standing Appointment Protection for Members Not Teaching Due to Vaccination Status

6. Where a Member who holds a Standing Appointment and does not have teaching duties due to not having been vaccinated during the period of October 20, 2021 to June 30, 2022, for the purpose of their Standing Appointment status, that Member will not be considered to have refused teaching and shall be deemed to have taught the courses to which their Standing Appointment grants them entitlement.

8. Student Questionnaires on Courses and Teaching (SQCTs) will be administered according to usual practices for courses taught in 2020-21 and 2021-22;
9. Inclusion of results of SQCTs for courses taught in the 2020-21 year and in the winter term of the 2021-22 year in submissions for evaluation processes mandated in the Collective Agreement will be optional, at the Member's discretion;
10. Specifically, for courses taught in the Winter Term of 2019-20 and/or the 2020-21 academic year (including those courses where the first day of the class was held before June 30, 2021) and/or the 2021-22 Winter Term, during the period of the COVID-19 pandemic and the March 17, 2020 Declaration of Emergency under the Emergency Management and Civil Protection Act, as extended, Members will not be required to include results of SQCTs in their submissions for processes mandated in the following clauses:

**LETTER OF UNDERSTANDING
POSTING AND SELECTION OF LIMITED-DUTIES APPOINTMENTS
IN THE FACULTY OF EDUCATION (back)**

The Parties agree that this Letter of Understanding forms part of the 2022-2026 Faculty Collective Agreement for the life of that Collective Agreement.

Whereas the volume of Limited-Duties Appointments posted annually in the Faculty of Education makes it untenable for the Dean or Appointments Committee to review these in an efficient and timely way;

And whereas the Parties wish to support the timely, consultative selection of Limited-Duties faculty in a way that is not onerous on those serving on the Appointments Committee;

The Parties hereby agree to amend the provisions of the Faculty Collective Agreement, *Appointments* Article, to enable the Faculty of Education to use the following process in the selection of Limited-Duties Appointments:

- 1) Available Limited-Duties Appointments shall be determined by the Offices of Graduate and Teacher Education programs in consultation with the Academic and Research Cluster (ARC) Program Chairs.
- 2) Postings shall be created in consultation with Offices of Graduate and Teacher Education programs, in consultation with the ARCs and ratified by the Appointments Committee;
- 3) Applications shall be reviewed initially by the Offices of Graduate and Teacher Education and Office of the Dean to ensure applicants have base qualifications and to identify any candidates who have collective agreement rights;
- 4) The relevant ARC Program Chair, in consultation with ARC members, shall review qualified applicants and make a recommendation to the Appointments Committee.
- 5) All parties making recommendations and selections shall observe the provisions in the Faculty Collective Agreement relating to selection.

LETTER OF UNDERSTANDING SCHOOL OF BIOMEDICAL ENGINEERING ([back](#))

The Parties agree that this Letter of Understanding forms part of the 2022-2026 Faculty Collective Agreement for the life of the Collective Agreement.

AND WHEREAS the Parties acknowledge that the School reports to and represent four Faculties (Engineering, Schulich School of Medicine and Dentistry, Health Sciences and Science) with Engineering being the administrative home Faculty;

AND WHEREAS the Parties wish to provide for special provisions in respect of Collective Agreement processes for the implementation of the School;

The following are agreed upon provisions amending Collective Agreement processes in relation to the School:

 - d) four Tenured Members from the School, elected by Members of the School. Where the School has fewer than four Tenured Members, or fewer than four Tenured Members available, the Members of the School shall elect two Tenured

- 4. The workload of a Member in the School shall be regulated by their Home Unit's Workload document. Taking on Academic Responsibilities in the School shall not increase the magnitude of a Member's Workload.
- 5. Assignment of work shall occur in the Member's Home Unit, in accordance with the Article *Workload*, subject to the commitments and restrictions set out in the Letter of Appointment and shall involve consultation with the School Director.
- 6. Any Reduced Workload Agreement or Alternative Workload Agreement for a Member with Academic Responsibilities in the School must be consistent with the relevant Articles in the Collective Agreement and be approved by both the Home Unit Dean (or designate) and the Dean of Engineering (or designate).

Performance Evaluation (PE)

- 7. The School-appointed Members' PE shall be carried out by the Member's Home Unit, in accordance with the Collective Agreement, except that where the Member has had assigned Workload in the School, the Chair/Committee shall consult with the Director of the School in respect of that work.
 - 7.1 The Home Unit Dean shall consult with the Dean of Engineering before accepting or declining the recommendation of the Chair/Committee.
- 8. In the case of the Director's PE, the Home Unit Dean shall chair the Committee as outlined in Clause 10.3 of the *Performance Evaluation* Article. The Dean/Committee shall consult with the Dean of Engineering in respect of the Director's work.

Promotion, Tenure and Continuing Status

9. Promotion, Tenure and Continuing Status considerations shall occur in accordance with the Collective Agreement and shall be done by the School-appointed Member's Home Unit.
10. Where the Member has been appointed with the School for any time in the five years prior to consideration, if not already included in accordance with the collective agreement, the Promotion, Tenure and Continuing Status Committee shall be expanded to include the Dean of Engineering (or designate), with voice but no vote, and the Director of the School (with voice but no vote).

13. Until there are a sufficient number of faculty members appointed to the School to support the appointments process under the terms of the Collective Agreement, Joint Appointments in the School shall be appointed by the Dean of Engineering (or designate), in consultation with the Director of the School (or designate), subject to the approval of the Provost (or designate).

A Cross Appointment is where a Member with a Full-Time Appointment in one Unit holds an appointment in the School to allow for interdisciplinary activity. The Member will engage in some of the activities in the School which may include being assigned Teaching or Service or holding a research grant. An Affiliate Appointment is where an individual outside of the University has relevant professional and/or academic expertise and has an affiliation with an Academic Unit of the University that allows for interdisciplinary activity.

2. UWOFA may provide comment on the new role, which comment will be considered in advance of any appointment.

The Parties agree that this Letter of Understanding forms part of the 2022-2026 Faculty Collective Agreement for the life of this Collective Agreement.

WHEREAS the Association and Administration have agreed as part of the 2022-2026 Collective Agreement to significant revisions to the Performance Evaluation (formerly known as Annual Performance Evaluation) process;

AND WHEREAS the Parties agree for the 2022 – 2023 academic year that the Annual Performance Evaluation process from the 2018 – 2022 Collective Agreement will be applied;

AND WHEREAS the Parties have agreed that the following provisions are required in order to transition all Members from the Annual Performance Evaluation Process of the 2018 – 2022 Collective Agreement to the Performance Evaluation Process of the 2022 – 2026 Collective Agreement;

The Parties agree to the following provisions:

1. The initial three-year Performance Evaluation cycle shall be from the 2023-2024 academic year to the 2025-2026 academic year.
2. By June 30th, 2023 all Full-Time Members and all Part-Time Members who elected to participate in Performance Evaluation shall provide their Chair or Director, or Dean in a Faculty without Departmental structure, their order of preference for the year in the initial three-year Performance Evaluation cycle in which their performance is to be assessed.

Where allocation according to Member preferences will result in an unequal distribution by year, the Chair, Director, or Dean shall make efforts through consultations with Members in the Unit to establish an approximately equal distribution by year. If those efforts are unsuccessful, the Chair, Director, or Dean may allocate Members to an initial year. This process must be completed by September 1, 2023.
4. For purposes of calculating Basic Salary Points (BSPs) for Members who will not be required to participate in Performance Evaluation until year two or three of the three-year Performance Evaluation cycle, their Performance Evaluation from the 2022-2023 academic year, or the average of their previous three years' assessments, whichever is the greater, shall be used.

Letter of Understanding

Where a Full-Time Member elects to participate in Performance Evaluation outside of their mandatory year, they shall communicate their election in writing to the Unit by October 1st of the year in which they elect to participate in Performance Evaluation. A Full-Time Member who elected to participate in Performance Evaluation outside of their mandatory year for Performance Evaluation, may withdraw their election in writing by November 15th of the applicable year.

6. Notwithstanding *Performance Evaluation* Clause 5, by January 31st, 2023, all Units shall have elected a Performance Evaluation Committee. By May 31st, 2023 the Committee, together with the Dean or designated Associate Dean, shall identify in writing procedures and criteria for the assessment of the performance of all Full- and Part-Time Members in the Unit to occur during the three-year Performance Evaluation cycle. These procedures and criteria shall be ratified by June 30th, 2023, according to the terms of *Performance Evaluation* Clauses 6 and 6.1.

All persons in Canada have the fundamental right, as embodied in the nation's Bill of Rights and the Canadian Charter of Rights and Freedoms, to have access to all expressions of knowledge, creativity and intellectual activity, and to express their thoughts publicly. APPENDIX E
POLICY AND GUIDELINES FOR FACULTY MEMBERS IN
EMPLOYMENT RELATIONSHIPS WITH GRADUATE RESEARCH
ASSISTANTS, POST-DOCTORAL FELLOWS AND OTHER
RESEARCH COLLABORATORS ([back](#))

WHEREAS Appendix E formed part of the 2010-2014, 2014-2018, and 2018-2022 Faculty Collective Agreements and;

WHEREAS sections of Appendix E were moved to other areas of the Faculty Collective Agreement, namely *Academic Responsibilities of Members* clause 9 e);

The Parties agree:

Preamble

As directed in the Letter of Understanding A. Academic Responsibilities of Members, Clause 5 (f) in the 2006-2010 Faculty Collective Agreement, a sub-committee of the Joint Committee was struck to develop and recommend policy and guidelines to support faculty members in employment and/or supervisory relationships with Graduate Research Assistants, Post-Doctoral trainees and other research collaborators and ensure that such relationships are carried out in accordance with the law and good academic practice.

We include here as “research trainees” undergraduate and graduate students working in a supervisory relationship with a faculty member, post-doctoral fellows and postdoctoral associates, and other research-related personnel, such as summer research students, research associates and graduate research assistants.

Statutory Obligations

The supervisor has a responsibility to be aware of, and adhere to, all legal and statutory obligations that govern the supervision of research trainees. These include relevant Collective Agreements between the University and specific employee groups, the Ontario *Human Rights Code* (<http://www.ohrc.on.ca/en/resources/code>) the Ontario *Occupational Health and Safety Act* (http://www.e-laws.gov.on.ca/html/statutes/english/elaws_statutes_90o01_e.htm) and the Ontario *Employment Standards Act* (http://www.e-laws.gov.on.ca/html/statutes/english/elaws_statutes_00e41_e.htm). In particular, supervisors should be aware that there are provisions for many employee-related issues, including minimum wage, hours of work, reporting of injuries, termination procedures, and notification and severance obligations.

Mandatory Training

Members shall undertake training and development as required by legislation, or as required by the Employer, to inform them of their work-related legal obligations and of their responsibilities under University or Senate policy. Such training and development costs will be borne by the Employer.

Maintaining a safe and professional workplace:

- Avoid personal or business relationships that may constitute a conflict of interest.
- Ensure that the workplace environment is safe, equitable and free from harassment and discrimination (see, for instance, the Articles, “Discrimination and Harassment” in the Faculty Collective Agreement).
