CHALLENGES

In your own words, please describe the factors that contributed to your academic difficulties. Include specific dates and timelines if applicable. (In this section, any appropriate documentation must be submitted with appeal.)

STRENGTHS

In spite of difficulties, describe something, such as an academic success or personal success, that you are proud of over the course of this year.

MAKING USE OF RESOURCES

What steps did you take to minimize the impact of the problems on your academic work? Include any use of University resources. What did you consider to be within your control in this situation? What did you consider to be outside your control?

ACADEMIC-SELF ASSESSMENT

During this academic year:

- a) What percentage of classes did you attend in each course?
- b) What assignments in each class did you fail to hand in? Provide rationale.

PREPARE A FUTURE ACADEMIC PLAN

This plan must include:

- a) Your undergraduate degree objective and the specific program you wish to register in for the next academic year.
- b) The specific courses you wish to take in the next academic year.
- c) What strengths do you have that you can employ, and what resources on campus are you committed to use to ensure academic success in the coming year?
