Get involved! Volunteer with Western Foot Patrol

Thank you for your interest in volunteering for Western Foot Patrol (WFP)! WFP is a free service that promotes safety and offers safe walks on the main and affiliate college campuses. WFP gives members of the University community the opportunity to take an active role in making our campus a safe and secure place to live, work, and study.

Applications can be submitted via email at wfp@uwo.ca. Please download and save the blank application to your computer, complete, save and attach in an email.

Your references will be contacted. If you are accepted as a volunteer, you must attend Patroller training. In addition, you will be required to complete a few short online training tutorials. You will also be required to complete a Vulnerable Sector Check at London Police Services or your local police service. More information will be provided to you regarding this process at training.

Volunteering for WFP is extremely rewarding and there are countless benefits! You will be contributing to the Western community; learning new skills; meeting new people outside your residence; building references and work experience; helping to fulfill community involvement requirements for professional school applications; and you will get to know campus.

Please feel free to contact the WFP office at wfp@uwo.ca if you have any questions. We look forward to receiving your application!

Sincerely,

Western Foot Patrol Staff

NOTE: Please download this application first then complete and save. Press the submit button once complete or attach in an email to wfp@uwo.ca

Keep this sheet for your records

If you pass the interview and reference check, you will be given a conditional offer pending the results of the Vulnerable Sector Check, and invited to attend training. At training you will be asked to sign a volunteer agreement. Make sure that you have read it before your interview. Please ask the interviewer any questions you may have. Here is a copy of the terms you will agree to in the contract

- I agree that I can attend the shifts that I have suggested and that I understand that WFP will choose one shift from the list of shifts which I will work each week.
- I understand that during Holidays and the April and December exam periods all regular shifts are cancelled but I will be asked to sign up for shifts during these periods.
- I will provide at least 48hrs notice for shift cancellations (unless due to illness, emergency or extenuating circumstances). I understand that I will then have to pick up another shift at another time as long as I am available.
- I will attend the training session(s) for the positions I hold and will follow the instructions given in those sessions carefully.
- I will not violate any federal or provincial laws, municipal by-laws or University policies governing conduct.
- I will not show up for duty under the influence of alcohol or cannabis, or any illegal drug or substance.
- At shift start, I will assume responsibility for my equipment. I will notify the Operations Manager of any damage or malfunctions.
- While on duty, I will: follow the direction of the Operations Manager and/or Foot Patrol Staff; remain in my specified patrol zone unless otherwise instructed by the Operations Manager; offer safe escort services on campus when requested; remain with my partner unless on a break; notify the Operations Manager of all observed concerning, unsafe or criminal activities as soon as safely possible; be diligent in patrolling my specified zone when not providing escorts; be courteous at all times; refuse to perform any activity which I believe threatens my safety; represent the Western Foot Patrol in a positive manner consistent with its public image.
- I will not physically intervene in the event of a dangerous or criminal incident, but will remove myself safely from the situation, notify the Operations Manager and wait for the arrival of **emergency response professionals**.

I understand that failure to comply with the terms of this agreement may result in no longer being able to volunteer with Western Foot Patrol. I also understand that I may end my volunteer commitment at any time by notifying a member of the Foot Patrol staff.
