MGMT APPROVAL:

SEQUENCE OF TASK	POTENTIAL HAZARDS	ACTION OR PROCEDURE
Ensure can is secure on a level and flat surface	Falls	Use level surface
If using industrial can opener, place can as close to base as possible		
Hold can with one hand on one side and other hand pushing down on handle		
Use enough force to puncture can	Strain	Ask for assistance if necessary
Turn handle clockwise until lid is opened	Strain	Do not over extend arm or lock elbow
Place lid inside empty can and dispose	Cuts	Use caution as sides of lid are very sharp
Wipe can opener clean		Clean after each use to avoid cross-contamination
