REPORT OF THE PRESIDENT

To: Board of Governors
From: Amit Chakma
Date: November 21, 2013
Re: President's Report to the Board

I'm pleased to provide the following update on important developments and achievements since the last meeting of the Board on September 24, 2013.

- 1. Government update:** In response to the Ministry of Training, Colleges and Universities' draft differentiation policy framework released on September 16, and following a series of round-tables organized by the Ministry in the fall to gather input on the document, the executive heads at Western, Waterloo, Queen's, Guelph, Ottawa, McMaster and Toronto co-signed a letter dated October 11 outlining our collective views on this important issue.

In our letter, Western and its sister institutions strongly supported the government's SMA-based process and focus on differentiation, and we encouraged the Ministry to view graduate enrolment and research intensity as key differentiating features. We emphasized that, when combined, our seven universities have substantial impact within Ontario's PSE sector, considering that we enroll two-thirds of the province's Master's students and 78% of its PhD students. We also highlighted that our universities attract 86% of Tri-Council Funding and 92% of the funding from industry partners — measures we strongly believe to be clear differentiators.

With the above as background, our letter provided detailed feedback on the eight components of

the metrics outlined in the government's draft framework, including commentary on metrics suggested by MTCU and our universities' own recommendations for additional measures. This feedback covered items including teaching and learning; student population; jobs, innovation and economic development; strategic enrolment; research; program offerings; institutional collaboration; and sustainability. We await a formal response to our feedback, and we look forward to further discussions with the Ministry on this matter.

- 2. Leadership update:** On October 15, I was pleased to announce that Kelly Cole has been appointed Vice-President (External), effective January 2, 2014. Ms. Cole, who currently serves as Executive Director of Advancement for the Ivey Business School, has more than 20 years of development experience in progressively senior roles that include Senior Counsel with The Fundraising Network and President & CEO of West Park Healthcare Centre Foundation in Toronto. An MBA graduate of Wilfrid Laurier University, Kelly's career with and knowledge of Western dates back to the early 1990s when she served in various roles including Associate Campaign Director.

On November 12, Provost & VP Academic Janice Deakin was pleased to announce that Andrew Hrymak had been re-appointed for a second five-year term as Dean of Western's Faculty of Engineering. Meanwhile, Senate-appointed review and selection committees continue their work under the direction of the Provost with regard to filling the vacant role for the University Librarian, and reviewing the portfolio associated with the role of our Vice-Provost (Academic Programs & Students) [Registrar].

- 3. Strategic Plan renewal update:** Work continues on the renewal of Western's Strategic Plan. Following a series of extensive consultations over the past 12 months — which has included multiple meetings with the Board, Senate, Faculty Councils, academic and administrative leaders,

and a wide range of written inputs submitted by individual faculty, staff, students, alumni and key university stakeholder groups — we anticipate revisions to the third and penultimate draft of the new plan being completed for final review by Senate and Board early in the New Year. Our planning process has been successful in generating a high degree of engagement and a high volume of inputs from a wide cross section of the campus community, all of which are being carefully considered to inform a new plan that will articulate bold aspirations and high-level metrics to direct the future course of our University's academic and budgetary planning.

The Unanimous Consent Agenda

The Board's parliamentary authority -- *Sturgis Standard Code of Parliamentary Procedure* -- explains the consent agenda:

Organizations having a large number of routine matters to approve often save time by use of a *consent agenda*, also called a *consent calendar* or *unanimous consent agenda*. This is a portion of the printed agenda listing matters that are expected to be non-controversial and on which there are likely to be no questions.

Before taking the vote, the chair allows time for the members to read the list to determine if it includes any matters on which they may have a question, or which they would like to discuss or oppose. Any member has a right to remove any item from the consent agenda, in which case it is transferred to the regular agenda so that it may be considered and voted on separately. The remaining items are then unanimously approved *en bloc* without discussion, saving the time that would be required for individual votes.

A number of Canadian university Boards have employed the consent agenda format to include not only routine approval items, but also information items. One reason for using this format is to allow the Board to focus on major items of business. While approval of an omnibus motion saves time at Board meetings, Board members will want to review the agenda materials carefully in order that they properly discharge their responsibilities.

How it works:

The Secretary identifies action and information items that are routine and/or likely non-controversial. In so doing, she may consult with the Chair of the Board, the relevant committee chair, and principal resource persons. In each Committee's report, these items are noted in the list of items at the beginning of the report. Action and information items on the agenda and in committee reports that are not noted on the consent agenda will be presented singly for discussion and voting (when appropriate).

When members receive their Board agendas, they should review all reports in the usual manner. **If any member wants to ask a question, discuss, or oppose an item that is marked for the consent agenda, he or she can have it be removed from the consent agenda** by contacting the Secretary of the Board of Governors prior to the meeting or by asking that it be removed before the Chair calls for a mover and seconder for the motion to approve or receive, by unanimous consent, the items listed.

At the Board meeting, before the unanimous consent motion is presented for approval, the Chair of the Board (1) will advise the Board of items that are to be removed from the list, based on prior requests from Board members; and (2) will ask if there are any other items that should be removed from the list. The remaining items are then unanimously approved *en bloc* without discussion, saving the time that would be required for individual presentation and voting. Those matters that have been struck from the consent agenda will be handled in the usual way as each Committee's report is presented.

The minutes of the Board meeting will report matters approved as part of the consent agenda as "carried by unanimous consent". Information items received as part of the consent agenda will be reported as received.

1. **Rotman Fellowships, Faculty of Arts & Humanities**

Rotman Institute of Philosophy Faculty Fellowship in Physics
 Rotman Institute of Philosophy Faculty Fellowship in Cognitive Neuroscience
 Rotman Institute of Philosophy Faculty Fellowships (2)
 Rotman Institute of Philosophy Interdisciplinary Faculty Fellowship

At its meeting of October 15, 2013, the Property and Finance Committee approved that the Rotman Institute of Philosophy Faculty Fellowships (listed above) be established in the Faculty of Arts and Humanities.

Donor and Funding: As a result of the continuing philanthropy of our generous Chancellor, Joseph L. Rotman, we are pleased to recommend the establishment of the Faculty Fellowships named above.

Funding for these fellowships will be provided through expendable giving from the Rotman Family Foundation and matching funds provided by the University. The Rotman Family Foundation has donated \$105,000 to support the Fellowships and the University will match this gift to provide a total of \$210,000 over four years to support the Fellowships.

Effective Date: July 1, 2013

Purpose: Funds available will support the creation of the Fellowships at a minimum value of \$10,000 per Fellowship per year as per the following timeline:

Rotman Institute of Philosophy Faculty Fellowship in Physics: \$10,000 per year from 2012-2013 to 2015-2016

Rotman Institute of Philosophy Faculty Fellowship in Cognitive Neuroscience: \$20,000 for 2012-2013 and \$10,000 per year for 2013-2014 to 2015-2016

Rotman Institute of Philosophy Faculty Fellowships (2): \$20,000 per year from 2014-2015 to 2015-2016

Rotman Institute of Philosophy Interdisciplinary Faculty Fellowship: \$20,000 per year from 2012-2013 to 2015-2016

The administration of the spending of resources will be the responsibility of the Dean of the Faculty of Arts and Humanities in consultation with the Chair of the Department of Philosophy and the Director of the Rotman Institute of Philosophy.

Criteria: Appointments to the Fellowships will be conducted in accordance with the relevant policies and procedures of the University.

Reporting: The University will report annually to the Donor regarding the activities of the Fellows.

2. **John M. Thompson Chair in Engineering Leadership and Innovation – Amendment to Terms**

At its meeting of October 15, 2013, the Property and Finance Committee approved an amendment to the terms of reference for the John M. Thompson Chair in Engineering Leadership and Innovation by the addition of the word “normally” in the criteria as follows:

The holder of the John M. Thompson Chair in Engineering Leadership and Innovation will *normally* be a full-time tenured or tenure-track faculty position, jointly appointed between the Faculty of Engineering and the Richard Ivey School of Business, with the home faculty being the Richard Ivey School of Business, and with the department of appointment within Engineering determined by the Chair holder's professional background. The Chair will be committed to academic activity and program development within leadership and innovation and will reside within the Pierre L. Morrisette Institute for Entrepreneurship at the Richard Ivey School of Business.

Property and Finance approved the terms of reference for the Thompson Chair in March 2013. This amendment brings the terms of the Thompson Chair into alignment with the university's Policy on Funding of Academic Chairs, Professorships and Faculty Fellowships which provides that the academic appointment to an endowed Chair will *normally* be full-time with tenure, allowing the flexibility to hire into a non-tenure track position if that is deemed appropriate.

All other details related to the terms of reference remain the same.

3. **Daryl T. Bean Professorship in Law and Women's Studies – Extension**

The Property and Finance Committee approved the establishment of the Daryl T. Bean Professorship in Law and Women's Studies in 2007 for a five-year term. The Professorship was funded in part by the Public Service Alliance of Canada (PSAC). PSAC has now provided additional funding to extend the Professorship to 2019. The Faculty of Law and the Faculty of Arts & Humanities will continue to provide the balance of funding for the professorship as outlined in the original process. Other than the new end date of 2019, there are no changes to the terms of reference of the Professorship.

QUARTERLY RATIO REPORT ON NON ENDOWED FUNDS

FOR INFORMATION

The attached report shows the non-endowed fund quarterly activity from 1996/97 to the end of the first quarter of 2013/14 (July 31, 2013). The balance in the Undistributed Investment Returns Account at July 31, 2013 was \$119.9 million. At July 31, 2013 the 12-quarter moving average of the total non-endowed investments to the obligations of the portfolio was 1.39 (column 10) compared to a target ratio of 1.08.

- ❑ Net returns / (losses) (column 1) amounted to \$10.6 million for the quarter.
- ❑ Allocations to accounts (column 2), represents income distribution to non-endowed funds. The non-endowed rate is based on the 30-day Treasury bill rate less administrative and management fees of 0.42%. The rate is adjusted quarterly and is applicable to non-endowed fund balances with the exception of Robarts. The non-endowed rate for the period July 1 – September 30, 2013 has been set at 0.54%. In the case of Robarts, in accordance with the operating agreement, the long term portion of their fund balance will earn the rate of return generated by the Operating & Endowment portfolio.
- ❑ The allocation to the operating budget (column 3) for fiscal 2014 will remain at zero as approved by the Board.
- ❑ The non-endowed investments increased by \$18.3 million (column 6) during the quarter.
- ❑ The total market value of the non-endowed fund's portion of the externally managed portfolio at July 31, 2013 amounted to \$353.8 million (column 7).
- ❑ The obligations of the portfolio amounted to \$233.9 million at July 31, 2013 (column 8).
- ❑ The ratio of investments to obligations stood at 1.51 (column 9) at July 31, 2013.

General notes:

[A] For 1995/96 through to 2002/03 the figures are the average for the four quarters.

Columns (1) to (6) refer to changes during the quarter, column (7) to (10) refer to the end of each quarter.

All figures are millions of dollars, except columns (9) and (10). Column (9) is the ratio of column (7) to column (8).

Column (10) is the average of the ratios in column (9) over 12 quarters (i.e. over 3 year period).

Notes:

- (1) Net investment returns, including changes in unrealized capital gains, net of consulting and investment management fees. This total includes returns on internally managed funds and other sundry investment earnings less overdraft interest and interest paid to employee benefit accounts.
- (2) Allocations from the fund to all accounts and associated companies, except the Operating budget and Other allocations (column 4) In fiscal 2009 the amount allocated to accounts is positive or a "recovery" primarily due to the year end allocation of investment losses to the supplemental pension funds in the amount of \$0.7 and Robarts long term fund balances in the amount of \$1.6.
- (3) Allocations to the Operating budget. Original budget for fiscal 2009 was \$17.7 million. In October '08 The Board reduced the budget to zero and the allocations made to September 30, 2008 were reversed.
- (4) In April 2012 an allocation of \$1,438,633 was made to cover the costs related to the debenture and the new residence financing.
- (5) The change in the amount owed to other funds for the quarter is the net cash flows into the accounts less any transfers to UWO's bank account.
- (6) Quarterly net change, is the sum of columns (1) to (5) and is the change in the value of the fund in column (7), which is the change in the market value of investments during the quarter.
- (7) Total non-endowed externally managed funds. Endowed funds are not included.
- (8) Total of the non-endowed externally managed funds that are owed to University accounts and other creditors.
- (9) The ratio of column (7) to column (8).
- (10) The average of this ratio over the previous 12 quarters. The Board target for this ratio is an average of 1.08.

Report of the Investment Committee

For Information

This report outlines the performance of the operating and endowment investment portfolio and the recent activities of the Investment Committee.

Performance

The investment performance of the portfolio for the past four years was as follows:

<u>Asset Class</u>	Annual June 30 <u>2013</u>	Annual June 30 <u>2012</u>	Annual June 30 <u>2011</u>	Annual June 30 <u>2010</u>	Annualized for Four years Ending <u>June 30, 2013</u>

For additional information, please refer to the attached pages, which show the amounts held by each investment manager at June 30, 2013, the annual and annualized returns by manager over the five years ending June 30, 2013.

Returns in relation to the real rate of return objective

One of the Investment Committee's objectives is to earn a 4% real rate of return over the long term (i.e., to earn 4% over the rate of inflation, as measured by the Consumer Price Index). Inflation has averaged 1.3% per year for the five year period and 1.8% per year for the ten year period.

For the four years ending June 30, 2013, the annualized real rate of return was 7.9%, consisting of a nominal return of 9.6% less inflation of 1.7%. For the five years ending June 30, 2013, the annualized real rate of return for the portfolio was 3.5%. The 5 year annualized return does not meet the Investment Committee's performance objective of a real rate of return of 4%.

Value added by Active Management

Another of the Investment Committee's objectives is to earn the return produced by the asset mix policy based on the returns of the market indices plus a premium to reflect the additional fees related to active management. In order to achieve this objective, investment managers with active investment mandates need to outperform their benchmark indices. For example, Canadian equity managers need to outperform the TSX Composite Index over time.

Over the five years ending June 30, 2013, the actual annualized return for the portfolio was 4.8% and the return generated by the market indices for the portfolio was 4.3% (the policy return). Over this period, our combination of managers achieved slightly better results than what could have been achieved by a passive

or index style of management. It should be noted that approximately 65% of the total portfolio is actively managed and 35% is passively managed.

Book and Market Value of the Portfolio

As at June 30, 2013, the operating and endowment portfolio had a book value of \$486,769,000 and market value of \$604,051,000 as follows:

	Book Value (\$000's)	Market Value (\$000's)	Actual Asset Mix	Policy Asset Mix
Fixed Income	\$114,818	\$155,481	25.7%	15.0%

Total	<u>\$486,769</u>	<u>604,051</u>	<u>100.0%</u>	<u>100.0%</u>

At June 30, 2013 the portfolio consisted of the following components:

Portion related to Endowed funds	\$ 259,544,000	42.9%
Portion related to Operating and Non-endowed funds	<u>344,507,000</u>	<u>57.1%</u>
Total market value of portfolio	<u>\$604,051,000</u>	<u>100.0%</u>

Update on Investment Committee Activities

- At the December 2012 meeting, the recommendation to hire two infrastructure managers (Hastings and First State) was approved and carried.
- Agreements have been executed and both mandates will be fully funded by mid 2014.
- At the request of the Investment Committee, Administration completed a Stress Test of the Non-Endowed portfolio. The stress test concluded that investing Non-Endowed funds in the Operating & Endowment Portfolio remains to be the right approach for Western provided that we continue to adhere to the following risk controls:
 - Maintain a sufficient pool of short term assets such that no funds would be required to be withdrawn from the Operating & Endowment Portfolio in a worst case scenario
 - Maintaining the ratio of assets of obligations established by the Board
 - Limiting contributions to the operating budget
- Administration updated Committee members on the Foundation Western Unification plan and how that will impact the Operating & Endowment portfolio
 - As part of the unification, Foundation Western hired Mercer Consulting to complete a due diligence review of Western's Investment Policy. The report concluded that the Foundation Western Board can agree to move forward with the proposed unification plan. The University and Foundation Western have strong governance processes in place and the new structure has the opportunity to benefit from taking the best of both models.
- The Committee agreed to increase the allocation to GPM and Bentall (Real Estate)
- Russell Investments, at the request of the Investment Committee, completed a Risk Management Discussion document to help guide the Committee when undertaking their review of the policy asset mix in terms of considering changes. The report is available upon request.
- The Fixed Income portfolio is currently under review along with the Canadian Equity portfolio.
- Future priorities will include reviewing the possibility of an allocation to emerging markets, discussing public versus private asset allocation, considering global equity and low volatility equity strategies.

Housing Services Capital Renewal Summer 2013

While the total number of individual projects to modernize and renew our residences and apartment was slightly fewer than last year, the size, scope and value of the renovations taking place this year more than made up for quantity. This year over 80 individual projects took place with a total value of approximately \$8.5 million. In addition, the first phase of Western's newest residence was completed. Ontario Hall became "home" to 600 residents.

Saugeen-Maitland Hall and Sydenham Hall were the focus of four major projects that commenced just hours after the students vacated in May. In Saugeen-Maitland Hall, the main entrance underwent a major renovation to make it more functional, more welcoming and far more aesthetically pleasing. Fire alarm speakers were installed in every student room to enhance resident safety, and old steam boilers were replaced with new energy-efficient hot water boilers to provide domestic heating.

In Sydenham Hall, the dining room & kitchen underwent a major renovation that included a new Deli/Beverage area, new induction tops & exhaust hoods to allow more demonstration cooking, and a completely updated look. Tile, paint, lighting and furniture were all modernized. In addition, the old steam boilers in Medway-Sydenham Hall are being replaced as part of a two year project. New, energy efficient hot water domestic boilers are being installed.

Renovated Platt's Lane Estates Community Centre

The various capital renewal projects undertaken each year are initiated after wide ranging consultations with a number of stakeholders. Student leaders, Residence Life Staff and Food Service Staff provide input on new or enhanced amenities as well as functional and aesthetic improvements. Western Facilities Management staff provides input on building systems that have begun to require extensive maintenance as they approach the end of their service life. Housing and Facilities Management also utilize an ongoing Facilities Assessment tool that provides guidance on deferred maintenance.

Each year during Housing's Annual Planning & Budget process decisions are made regarding which projects will take place in a given year. Major projects are scheduled and budgeted for up to four or more years in advance. Depending on the scope of a particular project, the design and tendering process can take several months to a year to complete. Housing Services then works with Facilities Management, Information Technology Services, Housing Computer Services, Food Services and a wide variety of independent consultants and contractors in order to maintain our facilities.

George Hannah Global Opportunities Award (School of Graduate and Postdoctoral Studies; Any Undergraduate Faculty)

Awarded to a full-time student (graduate or undergraduate) in any faculty who is participating in a Western University international experience or study-abroad program for which academic credit or approval from the student's department or faculty will be obtained. Preference will be given to a student planning on a travel experience to Scotland or the United Kingdom. This includes: academic exchange programs; approved study-abroad programs; curriculum-based international field courses/research, international community service learning; volunteer opportunities and internships led by Western University. To qualify for this award, the experience must meet at least one of the following criteria:

- Be organized by Western University staff, faculty or department
- Be eligible for academic credit
- Form a required component of the student's degree program.

Students participating in any of the above-listed programs who are registered at the constituent University may be considered. Students must have completed their prescribed academic program the previous year and currently be registered in a full-time course load (minimum 3.5 courses). Students may apply for this award in advance of being accepted into an eligible international-learning program, with receipt of the award contingent upon acceptance into the program. Students may receive a Global Opportunities award only once during their academic career at Western.

Online applications are available on the Global Opportunities Web site, Western International. Transcripts are required for students who studied elsewhere in their previous academic year. Applications are due on November 30 (for decisions in early January) and March 15 (for decisions in early May). The recipient will be selected based on a combination of academic achievement, as well as a statement outlining how this experience will contribute to the student's development as a global citizen, what the student expects to learn through his or her program of study, and how the student will be an effective Ambassador for Western. This award was established by a generous gift from Aktiv Kapital Acquisitions Inc. in honour of George Hannah.

George was a Chartered Accountant and held the position as VP of Finance, Investment Management & Business Intelligence at Aktiv Kapital. He was a very dedicated and knowledgeable leader, and was known for his integrity, sharp sense of humour, and his distinguished Scottish accent. George passed away in 2012 at age 61.

Value: 1 at \$2,000*

Effective: 2013-2014 to 2015-2016 academic years inclusive

The recipient must be a Canadian citizen. Preference will be given to a student from a rural location who is involved in extra-curricular and/or community activities (such as medical research, rural family medicine interest groups, music, drama etc.). Students must submit a one-page statement describing their rural background and involvement in extra-curricular/community activities to the Department of Family Medicine by April 1. The Chair of Family Medicine, in consultation with a committee, will review the statements and provide a short-list of finalists to the Progression & Awards Committee in the MD program in the Schulich School of Medicine & Dentistry to select a final recipient. This award was established through a generous gift from The Walker Wood Foundation.

James Walker Wood was born in Aberdeen, Scotland in 1889. He was one of nine children. James attended Medical School at the University of Aberdeen. Following his graduation in 1914, he joined the Queens Own Cameron Highlanders as a medical officer. He was promptly dispatched to the trenches on the Western Front during World War I. He served at Ypres, the Somme and Flanders, where he quickly had to learn the skills required of an army physician. On returning to England in 1918 he became a family practitioner in a poor working class area. He opened a practice, which was attached to his family home, and provided 24 hour care for the local population. He spent the rest of his life diligently attending to his patients. In 1968, Dr. Wood was killed in a car collision in South Africa. To commemorate his life of dedication and service, his son and daughter-in-law, Neil and Susan Wood, established The Walker Wood Foundation to provide financial aid and encouragement to worthy students throughout Canada.

SCHOLARSHIPS FUNDED THROUGH THE OPERATING BUDGET

The following new scholarship is funded through the operating budget and is presented for information only:

Co-Operative Housing Federation of Toronto (CHFT) Diversity Scholarship (Any Undergraduate Program)

Western agrees to contribute funds for one new CHFT Diversity Scholarship recipient each academic year of the term of this Agreement. In the event that more than one scholarship recipient is admitted to Western in the same academic year, the recipient with the highest final admission average will be selected to receive the additional scholarship funds from Western, and, in the event of a tie with regard to

highest final admission average, the recipient will be selected by Western in its sole discretion.

Western agrees to fund up to \$3,000 per student, to be distributed \$1,000 per year for Years 2, 3, and 4 of the student's program (the "Western Scholarship Funds"). To qualify for the Western Scholarship Funds, the student must (i) initially be selected by CHFT as a recipient of a Diversity Scholarship, (ii) receive a CHFT Diversity Scholarship in his or her first year of study at Western, and (iii) be admitted to an undergraduate program at Western's main campus for full-time studies. To retain the scholarship funds offered by Western in Years 2, 3 and 4, the student must (i) during the fall/winter academic year (September to April), complete a prescribed academic program requiring 3.5 or more courses, (ii) remain registered in an undergraduate program at Western's main campus, (iii) progress satisfactorily, as determined by Western, in his or her prescribed academic program, and (iv) continue to demonstrate financial need each academic year. If a recipient of the Western Scholarship Funds fails to retain the scholarship, another Diversity Scholarship recipient who meets the criteria and is not already receiving the scholarship funds, will be selected to receive the additional scholarship funds offered by Western. From the eligible candidates, the student with the highest overall average in the previous fall/winter academic year (September to April) will be selected as the replacement recipient and, in the event of a tie with regard to highest overall average, the recipient will be selected by Western in its sole discretion.

Value: 1 at \$1,000 per year (continuing for up to 3 years)
Effective: 2013-14 to 2017-18 academic years inclusive

Igor Lukac Engineering Global Opportunities Award (Faculty of Engineering)

Change in name, criteria and value from:

~~Awarded annually to a full-time student entering his or her 4th or 5th year in the Integrated Engineering Program. Preference will be given to a student in the combined BESC (Integrated Engineering) and HBA degree program who is participating in an international exchange or study abroad program including: exchange programs; approved study abroad programs; curriculum based international field courses; international study or international community service; summer co-ops or internships; and other university led credit or non-credit learning experiences.~~

~~This award will be based on a combination of academic achievement, cost of experience, length of experience, proposed length of study, and a short (250 word maximum) student statement outlining what the student expects to learn through the program of study and how he or she will be an effective ambassador for Western. Only students who have been approved for any of the above listed programs and who are registered at the constituent University will be considered. Students must have completed their prescribed academic program the previous year and currently be registered in a full-time course load. Applications are available from the International Exchange Student Centre and must be submitted along with the statement described above. Transcripts are required for students who studied elsewhere in their previous academic year. Applications are due on either November 1 or March 1 (the most applicable to the desired program). Receipt of the award will be based on the acceptance of the candidate into the specified study abroad program, though students may apply in advance of acceptance. Imagine Canada Ethical Code Program Renewal

At its meeting of November 14, 2013, the Fund Raising and Donor Relations Committee approved on behalf of the Board of Governors, the renewal of Western's participation in the Imagine Canada program and adopted its Ethical Fundraising and Accountability Code for the period of August 1, 2013 to July 31, 2014, attached in [Annex 1](#).

By renewing membership in the Ethical Code Program, Western will continue to be able to use the Ethical Code trustmark and be recognized on the CanadaHelps donation portal. The Ethical Code Program through Imagine Canada, sets standards for charities in the areas of fundraising and financial reporting practices. Any charity is able to follow the Ethical Code, but charities that participate in the Ethical Code Program are able to use the Ethical Code trustmark to show donors that they comply with the Code's standards. The fee paid was \$1,750.

As of December 31, 2011, Imagine Canada stopped accepting new applicants to the Ethical Code Program. Over the next few years, the Ethical Code Program will be merged with Imagine Canada's new Standards Program. The Standards Program is an accredited program with annual license fees of \$4,000.

Management is reviewing the benefits of the program and will return to FRDRC with a recommendation in June 2014.

THE ETHICAL CODE PROGRAM

The *Ethical Fundraising and Financial Accountability Code* (Ethical Code) sets standards for charities in the areas of fundraising and financial reporting practices. It was developed by Imagine Canada in consultation with charities across the country. The current version was released in the fall of 2007 and revised in 2008 and 2011. The Ethical Code is reviewed annually to ensure that it remains timely and relevant.

Any charity may use the Ethical Code to improve and monitor its fundraising and financial reporting practices.

Charities wishing to make a public commitment to ethical fundraising and financial accountability may apply to join the Ethical Code Program. Program participants are authorized to use a trustmark that signals to donors that they comply with the Code's standards.

HOW THE PROGRAM WORKS

To join the Ethical Code Program, charities must complete an application form and submit supporting documentation and the appropriate fee. More details about the application requirements can be found in the Ethical Code Program Application.

Compliance with the Ethical Code is monitored through a complaints-based process. Members of the public, donors and other stakeholders may lodge a complaint concerning any Program participant. Complainants will be encouraged to discuss their concerns directly with the charity involved. If the situation cannot be resolved in this way, the Ethical Code Committee will receive and review the complaint and deliver sanctions if necessary.

The Ethical Code Committee is an arms-length body comprised of experts in matters related to fundraising and financial reporting. In addition to reviewing complaints, the Committee can informally review practices and answer questions related to the Ethical Code.

The full process to review and manage complaints is laid out in the *Protocol for Complaints* that can be found on the Ethical Code website (www.imaginecanada.ca/en/ethicalcode).

PROGRAM REQUIREMENTS

ANNUAL REPORTING PROCESS

Each year, participants are required to submit updated financial statements and complete a short report outlining:

- the number and types of complaints received related to the Ethical Code,
- any concerns raised by regulators over the previous year, and
- confirmation by the Executive Director/CEO that the Code is still in use and that new staff and board members have been provided with a copy.

Canadian Federation of Humane Societies

BIENNIAL RENEWAL

Every two years, participants must renew their participation in the Program by:

- passing a new board resolution renewing their commitment to the Code,
- submitting updated financial statements, T3010 filing, and annual report,
- signing a new licence agreement, and
- submitting the biennial fee.

PROGRAM RESOURCES

Imagine Canada has developed a number of resources designed to help charities implement the Ethical Code. Resources include an *Interpretation Guide* with guidelines and definitions. The Guide, which will continue to be updated, can be found on page 10.

Other resources available online include a *Guide to Giving* for donors, annual progress reports on the Program, annual supplements in *Maclean's* and a template to assist with presenting the Ethical Code to boards of directors or senior staff. Ethical Code participants may also be interested in Charity Tax Tools, a website (charitytax.imaginecanada.ca) that helps charities understand Canada Revenue Agency requirements. Visit the Ethical Code website (www.imaginecanada.ca/en/ethicalcode) for these resources as well as the most up-to-date list of Program participants.

ETHICAL FUNDRAISING AND FINANCIAL ACCOUNTABILITY CODE

The registered charity undertakes to adhere to the standards set out in the Imagine Canada *Ethical Fundraising and Financial Accountability Code* in its treatment of donors and the public, its fundraising practices and its financial transparency, and to be accountable through its Board of Directors for doing so.

Approved by the Imagine Canada Board of Directors in September 2008; Updated in February 2011.

A

DONOR POLICIES AND PUBLIC REPRESENTATIONS

- 1** The Charity shall maintain its charitable status.
- 2** The charity shall prepare and issue official Income Tax receipts for monetary gifts and for gifts-in-kind pursuant to any policy established and published on minimum amounts to be receipted and in compliance with all regulatory requirements. The charity shall acknowledge in writing contributions not entitled to be officially receipted, subject to any policy established and published on minimum amounts to be acknowledged.
- 3** All fundraising solicitations by or on behalf of the charity shall disclose the charity's name and the purpose for which funds are requested. Printed and on-line solicitations (however transmitted) shall include its address or other contact information.
- 4** The charity must demonstrate the utmost transparency and accountability through accurate and accessible disclosure of information in a readily accessible location on its website. If the charity does not have a website, this information shall be included in readily accessible public materials or documents. Information that should be disclosed includes, but is not limited to the following:
 - the charity's most recent three years of annual reports and financial statements including notes as approved by the governing board;
 - the charity's registration number (BN) as assigned by the Canada Revenue Agency (CRA);

- any information contained in the public portion of the charity's most recent Charity Information Return (form T3010) as submitted to CRA;
 - a copy of the Charity's Investment Policy relating to its investable assets, if applicable (see C8);
 - a list of the names of the members of the charity's governing board; and
 - a copy of this *Ethical Fundraising and Financial Accountability Code*.
- 5** The charity or those fundraising on its behalf shall disclose, upon request, whether an individual or entity soliciting contributions is a volunteer, an employee or a contracted third party.
- 6** The charity shall not make claims that cannot be upheld or are misleading.
- 7** The charity shall encourage donors to seek independent advice if the proposed gift is a Planned Gift and/or the charity has any reason to believe that the proposed gift might significantly affect the donor's financial position, taxable income, or relationship with other family members.
- 8** The charity shall honour donors' requests to remain anonymous in respect to:
- being publicly identified as a supporter of the organization; and/or
 - having the amount of their contribution publicly disclosed.
- 9** The privacy of donors shall be respected. Any donor records that are maintained by the charity shall be kept confidential to the greatest extent possible. Donors shall have the right to see their own donor record, and to challenge its accuracy.
- 10** If the charity exchanges, rents, or otherwise shares its fundraising lists with other organizations, a donor's request to be excluded from the list shall be honoured.
- 11** Solicitations by or on behalf of the charity shall treat donors and prospective donors with respect. Every effort shall be made to honour their requests to:
- limit the frequency of solicitations;
 - not be solicited by telephone or other technology;
 - receive printed material concerning the charity;
 - discontinue solicitations where it is indicated they are unwanted or a nuisance.

- 12** The charity shall have appropriate fundraising policies in place, including but not limited to gift acceptance, treatment of restricted or designated gifts, naming, and endowment policies. The relevance and appropriateness of the charity's fundraising policies shall be reviewed regularly by the governing board.
- 13** Recognition mechanisms created due to a gift shall not be arbitrarily changed or withdrawn. Unless otherwise negotiated at the time of the gift or changed through a joint agreement between the charity and the donor or the donor's family or legal representative, the original form of the recognition mechanism will be maintained. If the mechanism cannot be physically retained, it will be changed to another consistent with the original agreement. If continuation of the recognition creates a reputational risk for the charity, it may be terminated or altered.
- 14** The charity shall post its complaints process and related contact information in a readily accessible location on its website. If the charity does not have a website, this information shall be included in readily accessible public materials or documents.
- 15** The charity shall respond promptly to a complaint by a donor or prospective donor about any matter that is addressed in this *Ethical Fundraising and Financial Accountability Code*.

B FUNDRAISING PRACTICES

- 1** The charity's fundraising affairs shall be conducted in a responsible manner, consistent with the ethical obligations of stewardship and all applicable law.
- 2** Fundraising solicitations on behalf of the charity shall:
 - be truthful; and
 - accurately describe the charity's activities and the intended use of donated funds.
- 3** The charity shall not exploit its beneficiaries. It shall be sensitive in describing those it serves (whether using graphics, images or text) and fairly represent their needs and how these needs will be addressed.

Calgary Opera

- 4** When the charity conducts online solicitations its practices shall be consistent with or exceed the provisions of the *Canadian Code of Practice for Consumer Protection in Electronic Commerce*, which is downloadable at: [http://www.cmcweb.ca/epic/site/cmc-cmc.nsf/vwapj/EcommPrinciples2003_e.pdf/\\$FILE/EcommPrinciples2003_e.pdf](http://www.cmcweb.ca/epic/site/cmc-cmc.nsf/vwapj/EcommPrinciples2003_e.pdf/$FILE/EcommPrinciples2003_e.pdf)
- 5** When the charity conducts face-to-face solicitations, including but not limited to door-to-door campaigns or street-side fundraising, its practices shall include measures to:
 - provide verification of the affiliation of the person representing the charity; and,
 - secure and safeguard any confidential information, including credit card information, provided by donors.
- 6** Volunteers, employees and third party consultants/solicitors who solicit or receive funds on behalf of the charity shall:
 - adhere to the provisions of this *Ethical Fundraising and Financial Accountability Code*;
 - act with fairness, integrity, and in accordance with all applicable laws;
 - adhere to the provisions of applicable professional codes of ethics, standards of practice, etc.;
 - cease solicitation of a prospective donor who identifies the solicitation as harassment or undue pressure, or who states that he does not wish to be solicited;
 - disclose immediately to the charity any actual or apparent conflict of interest or loyalty; and
 - not accept donations for purposes that are inconsistent with the charity's objects or mission.

- 7** The charity shall provide, upon request, its best available information on the gross revenue, net proceeds and costs of any fundraising activity (including the fundraising costs categorized as education and/or public awareness) it undertakes.
- 8** The charity shall not, directly or indirectly, pay finder's fees, commissions or percentage compensation based on contributions.
- 9** Charities that undertake cause-related marketing in collaboration with a third party shall disclose how the charity benefits from the sale of products or services and the minimum or maximum amounts payable under the arrangement. If no minimum amount is specified, the charity should disclose this.
- 10** The charity shall not sell its donor list. If applicable, any rental, exchange or other sharing of the charity's donor list shall exclude the names of donors who have so requested (as provided in section A8, above). If a list of the charity's donors is exchanged, rented or otherwise shared with another organization, such sharing shall be for a specified period of time and a specified purpose and must be limited to what is allowed under Federal and/or Provincial privacy legislations.
- 11** The charity's governing board shall be informed at least annually of the number, type and disposition of complaints received from donors or prospective donors about matters that are addressed in this *Ethical Fundraising and Financial Accountability Code*.

Save the Children Canada

C FINANCIAL PRACTICE AND TRANSPARENCY

- 1** The charity's financial affairs shall be conducted in a responsible manner, consistent with the ethical obligations of stewardship and all applicable law.
- 2** All donations shall be used to support the charity's objects, as registered with CRA.
- 3** The cost-effectiveness of the charity's fundraising programs shall be reviewed regularly by the governing board. No more will be spent on administration and fundraising than is required to ensure effective management and resource development.
- 4** The charity shall accurately disclose all costs associated with its fundraising activity.
- 5** The charity shall make the following information publicly available (e.g., on its website, in its annual report, in its financial statements) within 6 months of its year end:
 - total fundraising revenues;
 - total fundraising expenses;
 - total expenditures on charitable activities/programming.
- 6** Charities with over \$1 million in annual revenue must have their financial statements audited by an independent licensed public accountant. Charities with annual revenue between \$250,000 and \$1 million may have a review engagement unless required by their governing legislation to have an audit.
- 7** If the charity's investable assets surpass \$1,000,000, an Investment Policy shall be established setting out asset allocation, procedures for investment decisions, and asset protection issues.

INTERPRETATION GUIDE

This interpretation guide has been created to assist charities in complying with the standards laid out in the *Ethical Fundraising & Financial Accountability Code* (Ethical Code).

A DONOR POLICIES AND PUBLIC REPRESENTATIONS

STANDARD A1

The Charity shall maintain its charitable status.

INTERPRETATION GUIDELINES

1. If a charity asks for its charitable status to be revoked, it should notify Imagine Canada.
2. If a charity becomes aware that it is at risk of having its charitable status revoked by CRA, it should notify Imagine Canada.

STANDARD A8

The charity shall honour donors' requests to remain anonymous in respect to:

- being publicly identified as a supporter of the organization; and/or
- having the amount of their contribution publicly disclosed

INTERPRETATION GUIDELINE

In some circumstances, when the source or size of a donation may be perceived as affecting the independence of the charity, the organization may negotiate the terms of public disclosure.

STANDARD A12

The charity shall have appropriate fundraising policies in place, including but not limited to gift acceptance, treatment of restricted or designated gifts, naming, and endowment policies. The relevance and appropriateness of the charity's fundraising policies shall be reviewed regularly by the governing board.

INTERPRETATION GUIDELINE

All restricted or designated donations shall be used for the purposes for which they were given unless the charity has obtained legal authorization to use them for other purposes. Alternative uses will be discussed where

possible with the donor or the donor's legal designate. If the donor is deceased or legally incompetent and the charity is unable to contact a legal designate, the donation will be used in a manner that is as consistent as possible with the donor's original intent. If necessary, the charity will apply to the courts or the appropriate regulatory body to obtain legal authorization to use the donation for other purposes.

STANDARD A13

Recognition mechanisms created due to a gift shall not be arbitrarily changed or withdrawn. Unless otherwise negotiated at the time of the gift or changed through a joint agreement between the charity and the donor or the donor's family or legal representative, the original form of the recognition mechanism will be maintained. If the mechanism cannot be physically retained, it will be changed to another consistent with the original agreement. If continuation of the recognition creates a reputational risk for the charity, it may be terminated or altered.

INTERPRETATION GUIDELINE

The charity's Donor Recognition/Gift Acceptance Policy may be referred to in a gift agreement and may define recognition time limits and/or establish procedures if maintaining the original form of recognition becomes impractical or undesirable.

B

FUNDRAISING PRACTICES

STANDARD B8

The charity shall not, directly or indirectly, pay finder's fees, commissions or percentage compensation based on contributions.

RATIONALE

The Ethical Code prohibits finder's fees, commissions, and percentage-based compensation for several reasons, including:

- Charitable organizations operate for the public good and receive special rights and tax exemptions. Percentage-based compensation may provide excessive private benefit to individual fundraisers or for-profit fundraising firms and may damage the underpinnings of the contract that charitable organizations have with society.
- Percentage-based compensation may undermine donor confidence in charities by diverting or appearing to divert donated funds into private pockets. Donors

and potential donors may reconsider their decision to give if they believe that their donation will benefit the fundraiser rather than the charity.

- Successful fundraising programs are built on the development of long-term relationships with donors. Finder's fees, commissions, and percentage-based compensation for fundraisers provide an incentive to maximize immediate revenue and may undermine the long-term interests of the charitable organization.
- Linking remuneration directly to fundraising success can lead to undue pressure on donors.
- Pre-determined payments for fundraisers recognize the value of the work involved in fundraising independently of the fundraising outcome, which cannot be guaranteed.

INTERPRETATION GUIDELINES

1. This standard extends to all fundraising done by the charity including fundraising done on its behalf or in its name.
2. This standard does not apply to:
 - a. commercial fees, such as *commissions* or percentage payments or similar administrative payments for credit card transactions;
 - b. administrative fees charged by registered charities that collect money on behalf of other charities (e.g., Community Foundations and United Ways);
 - c. cause-related marketing where a retailer or other service provider agrees to give a percentage of sales to a charity without any intermediary;
 - d. service providers that provide a platform for fundraising but do not solicit contributions on behalf of the charity, or
 - e. lotteries, including but not limited to, bingos, raffles, break open tickets and social gaming events that are otherwise regulated. It is expected that lotteries and other gaming events will be licensed by the appropriate authority.
3. Compensation of staff, consultants, and contractors should take into account the experience, expertise and the time requirements of the position as well as performance.
4. Charitable organizations may offer *performance-based* compensation to staff (e.g., salary increases, *bonuses*) under the following conditions:
 - a. there is a performance-based compensation policy in place that also applies to staff engaged in non-fundraising activities;
 - b. the governing board approves this policy;
 - c. performance goals are established in advance; and,
 - d. the criteria for determining eligibility for, or the amount of, *performance-based compensation*, do not include consideration of a percentage of income received by the organization as a result of the individual's efforts.

5. Charities that work with fundraising consultants or contactors may include performance-management mechanisms in their contracts. These mechanisms should be designed to minimize the cost of fundraising to the charity and avoid excessive private benefit to the consultant/contractor.
6. Should a charity have a contractual arrangement in place to raise funds, and a violation of the Code occurs through a breach of that contract, the charity must correct the situation as soon as reasonably possible.

DEFINITIONS

Bonus: a sum of money given to an employee in addition to his/her usual compensation. Bonuses are usually given for meeting or exceeding established performance goals.

Commission: a payment based on the dollar value of a transaction. In the fundraising context, it refers to remuneration based on a percentage of funds raised.

Finder's Fee: a fee paid to a third party for bringing together two or more people or companies in a business transaction, as in the borrowing or lending of money. In the fundraising context, a finder's fee refers to the payment of a fee to a third party that is contingent upon obtaining a donation.

Percentage-Based Compensation: compensation based on a percentage of funds raised.

Performance-Based Compensation: compensation paid to an employee, consultant, or contractor that is linked to performance (e.g., meeting or exceeding established performance goals) but which does not relate in a significant way to funds raised.

FOR APPROVAL

1. **School of Graduate and Postdoctoral Studies: Dual-Credential Master's Degree between The Norwegian School of Economics ("NHH") and Western (Richard Ivey School of Business)**

Recommended: That the Board of Governors approve that effective September 1, 2013 the agreement for a Dual-Credential Master's Degree leading to a Master of Science in Economics and Business Administration, with a Major in any field from NHH and a Master of Science in Management from Western (Richard Ivey School of Business), be introduced in the School of Graduate and Postdoctoral Studies as recommended by Senate.

Background:

A student exchange agreement between NHH and Ivey was entered into in 2009. The institutions wish to expand the areas of academic cooperation between them with this dual-credential degree.

The proposed program's details (attached as **Annex 1**) were developed by the Richard Ivey School of Business and the Office of the Vice-Provost (School of Graduate and Postdoctoral Studies), with involvement from the Provost's office.

2. **King's University College: Dual-Credential Degree (2+2) Agreements**

2a. **International Business School, Chongqing Business and Technology University**

Recommended: That the Board of Governors approve:

That the dual-credential degree (2+2) agreement set out in **Annex 2**, be approved effective May 1, 2013, to allow qualified students registered in the Bachelor of Management or Bachelor of Economics at the International Business School, Chongqing Technology and Business University (CTBU), China, to be admitted into Year 3 of the Bachelor of Management and Organizational Studies (BMOS) with Honors Double Major in either Accounting or Global Commerce (MOS program) and Finance (Economics program), at King's University College,

and upon successful completion of the program, to qualify for degrees from both Western and CTBU, as recommended by Senate.

Background:

Five years ago, King's University College entered into an agreement with Chongqing Business and Technology University (CBTU) to accept qualified students into Year 3 of the Bachelor of Management and Organizational Studies (BMOS) (Honors Specialization in Global Commerce and Finance), and subsequently, the Honors Specialization in Accounting, and the Honors Specialization in Finance and Administration. After three graduating classes and 75 successful alumni who have entered graduate studies and/or successful careers, King's wishes to formalize this practice.

Under this Dual-Credential Degree Agreement, qualified CTBU students registered in the Bachelor of Management or Bachelor of Economics program at CTBU may be accepted into Year 3 of the BMOS at King's, in either an Honors Double Major in Accounting (MOS program) and Finance (Economics program), or an Honors Double Major in Global Commerce (MOS program) and Finance (Economics program), upon successful completion of the program, be qualified for degrees from both Western and CTBU. Course mapping is shown in [Annex 2](#).

The agreement is effective May 1, 2013, for a period of three years. Thereafter, it can be extended by King's for additional period(s) of time subject to the approval of the Senate and the Board of Governors of Western. Either King's or CBTU may terminate this agreement pursuant to the terms set out in the agreement.

2b. **School of International Business, Dongbei University of Finance and Economics**

Recommended: That the Board of Governors approve:

That the dual-credential degree (2+2) agreement set out in [Annex 3](#) be approved, effective May 1, 2013, to allow qualified students registered in the Bachelor of Management or Bachelor of Economics at Dongbei University of Finance and Economics (DUFE), China, to be admitted into Year 3 of either the Bachelor of Management and Organizational Studies (BMOS) (Honors Specialization in Finance and Administration), or the Bachelor of Arts Honors Economics, at King's University College, and upon successful completion of the program, be qualified for degrees from both Western and DUFE.

Background:

Ten years ago, King's entered into an agreement with Dongbei University of Finance and Economics (DUFE) to accept qualified students into Year 3 of the Bachelor of Arts (Honors Economics) or Year 3 of the Bachelor of Management and Organizational Studies. After a decade of successful collaboration and approximately 150 successful alumni who have completed graduate studies and/or entered successful careers, King's wishes to formalize this practice. Consultation has been completed.

Under this Dual-Credential Degree Agreement, qualified DUFE students registered in the Bachelor of Management or Bachelor of Economics program at DUFE may be accepted into Year 3 of the Bachelor of Arts (Honors Economics) or Year 3 of the BMOS (Honors Specialization in Finance and Administration) at King's University College. Upon successful completion of the program, they will qualify for degrees from both Western and DUFE. Course mapping is shown in [Annex 3](#).

This agreement will be effective May 1, 2013, and will be in place for a period of three years. Thereafter, it may be extended by King's for such additional period(s) of time as it may stipulate, subject to the approval of the Senate and Board of Governors of Western. Either King's or DUFE may terminate this agreement pursuant to the terms set out in the agreement.

DUAL DEGREE AGREEMENT

BETWEEN

THE NORWEGIAN SCHOOL OF ECONOMICS (“NHH”)

AND

THE UNIVERSITY OF WESTERN ONTARIO through its Ivey Business School (“IVEY”)

Preamble

WHEREAS NHH and IVEY entered into an agreement for a student exchange program in 2009 and now wish to expand the areas of academic cooperation between their institutions;

AND WHEREAS both institutions share the objective of delivering programs of academic excellence and cultural diversity and wish to establish a Double Degree Track Program (DDT Program) that will allow qualified students to simultaneously pursue a Master’s degree at each Institution over a two year period;

AND WHEREAS the parties wish to enter into an agreement that sets out the legal and organizational framework for the DDT Program;

THEREFORE in consideration of the premises and the mutual covenants and agreements herein, the parties agree as follows:

1 Purpose of DDT Program

- (a) The DDT Program established under this Agreement allows students to pursue simultaneously a Master’s degree at each institution.
- (b) Upon successful completion of the DDT Program a student shall be awarded the following degrees:
 - AT NHH: Master of Science in Economics and Business Administration, Majoring in any field; and
 - At IVEY: Master of Science in Management.
- (c) Each Institution is responsible for ensuring that the DDT Program established under this Agreement complies with all academic requirements of its own Institution and has received the necessary approvals within their own Institution.

2 Admission and Selection of Students

- (a) Students must be enrolled in the Master of Science Program at their Home Institution at the time they apply for admission to the DDT Program. Acceptance into the DDT Program requires the approval of both the Home Institution and the Host Institution.
- (b) Up to five students from each Institution may be accepted into the DDT Program annually. This number may be varied during the term of this Agreement with the written agreement of the parties.
- (c) Candidates for the DDT Program must be in good standing in their home program and must satisfy all admission requirements, including language competencies, of the Host Institution as determined by the Host Institution, in order to be considered for admission to the DDT Program.
- (d) Candidates for the DDT Program will be nominated by their Home Institution through a competitive process according to the following selection criteria: CV, Motivation letter, and Personal interview.
- (e) The Host Institution shall be granted access to any written application documents and protocols of selection procedures for the Program held by the Home Institution.
- (f) Each Host Institution reserves the right to require DDT Program candidates to complete the standard enrolment documents and to provide the results of any entrance examinations required by the Home Institution.

- (g) The Host Institution has the right to reject a DDT Program candidate if he or she does not meet the Host Institution's academic criteria or other published admission requirements.

3 Study Structure Program

- (a) The Master of Science Program is a four-term program at both Institutions. Students who are accepted into the DDT Program must complete their first two terms at their Home Institution and then enrol in the Master of Science Program at the Host Institution for the last two terms.
- (b) DDT Program students must complete the minimum credit requirements and all core course requirements required by each Institution in order to be awarded a degree by each Institution.
- (c) Upon admission to the DDT Program, students must develop, in writing, a program of study at the Host Institution that will meet the degree requirements of both the Home and Host Institutions. The proposed program of study must be approved by the relevant Academic Officers at both Institutions before a student commences his or her studies at the Host Institution.
- (d) DDT Program students may not take a course at the Host Institution that the Academic Officers determine to be substantially similar to a credit course taken at the Home Institution.
- (e) While enrolled at the Host Institution, DDT Program students shall have access to courses and enjoy the same rights and privileges and be subject to the same rules and regulations as the regular graduate students in the corresponding master study track of the Host Institution.
- (f) DDT Program students' academic progress at the Host Institution shall be evaluated and determined by the Host Institution in accordance with the Host Institution's academic rules and regulations. The Host Institution shall submit the results of such evaluations to the Home Institution at least once a term.
- (g) The Master's Thesis requirement at NHH and the Research Project requirement at IVEY are deemed equivalent. Successful completion of the IVEY Research Project by DDT Program students from NHH who are enrolled at IVEY for the third and fourth terms satisfies the Master's Thesis requirement at NHH. Similarly, successful completion of the Master's Thesis requirement by DDT Program students from IVEY who are enrolled at NHH for their third and fourth terms satisfies the Research Project requirement at IVEY.
- (h) DDT Program students from IVEY who are enrolled at NHH for the third and fourth terms shall have two thesis supervisors, one appointed by each Institution. The thesis must be written in English.
- (i) If a student withdraws from the DDT Program he or she may continue in the relevant Master of Science Program at the Home Institution subject to the rules and regulations of the Home Institution.

4 Financial

DDT Program students are required to pay full tuition and mandatory fees to their Home Institution for the four terms.

DDT Program students will also be required to pay tuition fees to the Host Institution for terms three and four. The current fees are as follows: At NHH, Ivey students must register and pay a term fee for each of terms three and four of NOK 680. At Ivey, NHH students must pay a total tuition fee of \$17,500 CAD at the start of term three. These fees are subject to change by May 1 of each year and each Institution shall ensure that the other Institution is notified of any changes to the fees charged to incoming students. Each Institution is responsible for collecting its own fees.

DDT Program students will assume expenses for travel and all living expenses while at the Host Institution. For the students' activities each Institution will make available its own resources, including library access and computer accounts. Students may also be required to (or may elect to) pay certain ancillary fees (for example, for health coverage and services, bus pass, and/or intercollegiate and intramural sports). IVEY requires that incoming DDT Program students from NHH and any accompanying dependents purchase coverage under the University Health Insurance Plan (UHIP).

While the partner institutions have no responsibility for student funding, they will advise students of any available third party funding.

5 Program Management

Both parties agree to provide the necessary means, resources and prerequisites to implement and operate the DDT PROGRAM as set forth in this Agreement. Each Institution will appoint both an administrative and an academic program coordinator to oversee the operation of the DDT Program at

their own Institution. Each Institution shall provide support services assisting the incoming DDT Program students in academic, administrative, organisational and social-cultural issues.

Both Institutions shall inform each other of any changes or proposed changes to the academic requirements or the structure of their Master of Science programs that may affect the DDT Program. The Institutions shall work together to ensure that any such changes do not adversely affect students who are currently in the DDT Program.

6 Controversies

The parties agree to solve in a friendly manner any controversy arising from the interpretation of the present Agreement. The parties shall make every effort to reach an out-of-court settlement for any disputes that arise on signing or performing this Agreement.

7 Duration, Amendment, Review and Termination of Agreement

This agreement shall be in force from August 1, 2013 and be binding upon the parties for a period of 5 years. It shall be subject to revision, modification and/or renewal by mutual written agreement. The parties will conduct a review of the Program at least 12 months' prior to the termination of this Agreement to determine if the Program should be continued.

This Agreement may be terminated by either institution, provided notice is given in writing to the other institution at least 12 months before termination is to become effective. If any students are currently in, or have been accepted into the DDT Program by both Institutions as of the date of such notice, this Agreement shall not terminate until such students have completed or left the DDT Program.

This Agreement is signed by the authorized representatives of the Institutions.

London, Ontario, Canada**

Of the Second Part

Chongqing Technology and Business University (CTBU), King's University College at The University of Western Ontario (King's) and The University of Western Ontario (Western) wish to enter into an agreement whereby qualified CTBU students registered in the Bachelor of Management or Bachelor of Economics at CTBU may be accepted into Year 3 of the Bachelor of Management and Organizational Studies (Honors Double Major) in Accounting from the MOS program and Finance from the Economics program or the Bachelor of Management and Organizational Studies (Honors Double Major) in Global Commerce from the MOS program and Finance from the Economics program at King's and upon successful completion of the program, qualify for degrees at both Western and CTBU.

Therefore the parties agree as follows:

1. THE PURPOSE OF THE AGREEMENT

The purpose of this agreement is:

- (a) to set out the requirements and procedures for admission of CTBU students to Year 3 of the BMOS (Honors Double Major) in Accounting from the MOS program and Finance from the Economics program or the Bachelor of Management and Organizational Studies (Honors Double Major) in Global Commerce from the MOS program and Finance from the Economics program at King's.
- (b) to set out the courses that will be accepted for transfer credit at King's and CTBU.
- (c) to set out the progression and graduation requirements for CTBU students enrolled at King's and;
- (d) to describe the nature of the relationship between King's and CTBU and describe the obligations of both in relation to the transfer credit agreement.

2. TRANSFER CREDIT

King's agrees that it will grant transfer credit for the first and second year CTBU courses set out in Schedule I to CTBU students who are admitted to the third year of the BMOS (Honors Double Major) in Accounting from the MOS program and Finance from Economics program and it will grant transfer credit for the first and second year CTBU courses set out in Schedule II to CTBU students who are admitted to the third year of the BMOS (Honors Double Major) in Global

Commerce from the MOS program and Finance from the Economics program pursuant to this agreement. CTBU agrees that it will grant transfer credit to CTBU students who have successfully completed the third and fourth year courses at King's set out in Schedule I and II.

3. ADMISSION

(a) King's will consider for admission to Year 3 of the BMOS (Honors Double Major) in Accounting from the MOS program and Finance from the Economics program or BMOS (Honors Double Major) in Global Commerce from the MOS program and Finance from the Economics program those applicants who have been proposed by CTBU and who satisfy the following admissions criteria:

(i) In order to be eligible to apply for admission to King's, CTBU students must have successfully completed the first and second year CTBU courses set out in Schedule I and II.

(ii) CTBU students must have an overall average of at least 70%, in the context of Western's grading scale, in all courses listed in Schedule I and II; and

(iii) CTBU students must also meet the English language proficiency as follows: TOEFL Internet based score of at least 85 with no section with a score of less than 20; or an IELTS score of 6.5 with no section with a score of less than 6.0.

(b) The final decision as to who will be admitted each year is made solely by King's.

(c) CTBU agrees that it will provide King's with academic transcripts (both mid-term and final) of all prospective students.

(d) The parties acknowledge that CTBU and King's make their own admission decisions relating to applicants at their respective institutions.

4. PROGRESSION REQUIREMENTS

(a) CTBU students studying at King's will be required to study on a full-time basis and are subject to all rules and regulations applicable to Western students, including academic progression requirements. The undergraduate program will normally be completed in two years of full-time study.

(b) Students performing unsatisfactorily in the BMOS (Honors Double Major) in Accounting from the MOS program and Finance from the Economics program or BMOS (Honors Double Major) in Global Commerce from the MOS program and Finance from the Economics program at King's will be counselled to consider whether they wish to continue in this program or another at King's or return to CTBU. King's will inform CTBU about the progress of all the students.

The transfer credits under this Agreement are granted solely for the two King's programs set out in this Agreement and are not applicable if a student transfers to another program and/or campus at Western. Students who transfer to another program and/or campus at Western will have the credit that they received as part of the Articulation Agreement removed from their academic record. Credit from CTBU will be assessed for individual credit on a course-by-course basis by the Admissions Office, as applicable, at that point in time.

5. ADVERTISING AND PROMOTION

When advertising this transfer credit agreement, King's and CTBU agree:

- (a) to receive prior approval for any form of advertising and promotion (either in written or electronic format) both in content as well as brand and/or logo.
- (b) to provide promotional materials as well as representation where appropriate.

6. COMMUNICATION, INFORMATION EXCHANGE AND PROTECTION OF PERSONAL INFORMATION

(a) CTBU and King's shall give the other reasonable notice of any anticipated changes to the list of courses set out in Schedule I and Schedule II, or to the content of those courses, and any changes to the list must be agreed to in writing by CTBU and King's. In the event that CTBU and King's are unable to agree on any proposed changes to the courses/credits set out in Schedule I and II, no further student will be admitted to King's under this Agreement.

(b) CTBU and King's will designate individuals responsible for this communication.

(c) CTBU and King's agree to take all reasonable measures to ensure that student personal information provided to it by the other institution is used only for the purpose for which it is provided and is protected against loss, unauthorised access, use, modification or disclosure.

(d) CTBU and King's agree that they will not transfer personal information to a third party without the prior written consent of the individual to whom the information relates.

7. AMENDMENT, RENEWAL AND TERMINATION OF THIS AGREEMENT

This agreement is in effect for five years from the date of signing. Discussions about the renewal of the agreement shall begin at least 12 months prior to the end date. Notwithstanding, the agreement can be terminated by any party with six months notice with the understanding that those students enrolled in the program will be allowed to complete their degrees.

8. INSTITUTIONAL CONTACT AND NOTICES

Agreement between

**School of International Business, Dongbei University of Finance and
Economics (DUFE), Dalian, PRC**

Of the first part

and

**King's University College at The University of Western Ontario,
London, Ontario, Canada**

and

**The University of Western Ontario
London, Ontario, Canada**

Of the second part

Dongbei University of Finance and Economics (DUFE) and King's University College at The University of Western Ontario (King's) and The University of Western Ontario (Western) wish to enter into an agreement whereby qualified DUFE students registered in the Bachelor of Management or Bachelor of Economics at DUFE may be accepted into Year 3 of the Bachelor of Management and Organizational Studies (BMOS Honors Specialization) in the Finance and Administration Module or the Bachelor of Arts (Honors) in Economics at King's and upon successful completion of the program, qualify for degrees at both Western and DUFE.

Therefore the parties agree as follows:

1. THE PURPOSE OF THE AGREEMENT

The purpose of this agreement is:

- (a) to set out the requirements and procedures for admission of DUFE students to Year 3 of the BMOS (Honors Specialization) in Finance and Administration or BA (Honors) in Economics at King's.
- (b) to set out the courses that will be accepted for transfer credit at King's and DUFE.
- (c) to set out the progression and graduation requirements for DUFE students enrolled at King's and;
- (d) to describe the nature of the relationship between King's and DUFE and describe the obligations of both in relation to the transfer credit agreement.

2. TRANSFER CREDIT

King's agrees that it will grant transfer credit for the first and second year DUFE courses set out in Schedule I to DUFE students who are admitted to the third year of the BMOS (Honors Specialization) in Finance and Administration and it will grant transfer credit for the first and second year DUFE courses set out in Schedule II to DUFE students who are admitted to the third year of the BA (Honors) in Economics program pursuant to this agreement. DUFE agrees that it will grant transfer credit to DUFE students who have successfully completed the third and fourth year courses at King's set out in Schedule I and II.

3. ADMISSION

(a) King's will consider for admission to Year 3 of the BMOS (Honors Specialization) in Finance and Administration or BA (Honors) in Economics program those applicants who have been proposed by DUFE and who satisfy the following admissions criteria;

(i) In order to be eligible to apply for admission to King's, DUFE students must have successfully completed the first and second year DUFE courses set out in Schedule I or Schedule II.

(ii) DUFE students must have an overall average of at least 70% in the context of Western's grading scale, in all courses listed in Schedule I or Schedule II; and

(iii) DUFE students must also meet the English language proficiency as follows: TOEFL Internet based score of at least 85 with no section with a score of less than 20; or an IELTS score of 6.5 with no section with a score of less than 6.0.

(b) The final decision as to who will be admitted each year is made solely by King's.

(c) DUFE agrees that it will provide King's with academic transcripts (both mid-term and final) of all prospective students.

(d) The parties acknowledge that DUFE and King's make their own admission decisions relating to applicants at their respective institutions.

4. PROGRESSION REQUIREMENTS

(a) DUFE students studying at King's will be required to study on a full-time basis and are subject to all rules and regulations applicable to Western students, including academic progression requirements. The undergraduate program will normally be completed in two years of full-time study.

(b) Students performing unsatisfactorily in the BMOS (Honors Specialization) in Finance and Administration or BA (Honors) in Economics program at King's will be counselled to consider whether they wish to continue in this program or another at King's or return to DUFE. King's will inform DUFE about the progress of all the students.

The transfer credits under this Agreement are granted solely for the two King's programs set out in this Agreement and are not applicable if a student transfers to another program and/or campus at Western. Students who transfer to another program and/or campus at Western will

have the credit that they received as part of the Articulation Agreement removed from their academic record. Credit from the DUFE will be assessed for individual credit on a course-by-course basis by the Admissions Office, as applicable, at that point of time.

5. ADVERTISING AND PROMOTION

When advertising this transfer credit agreement, King's and DUFE agree:

(a) to receive prior approval for any form of advertising and promotion (either in written or electronic format) both in content as well as brand and/or logo.

(b) to provide promotional materials as well as representation where appropriate.

6. COMMUNICATION, INFORMATION EXCHANGE AND PROTECTION OF PERSONAL INFORMATION

(a) DUFE and King's shall give the other reasonable notice of any anticipated changes to the list of courses set out in Schedule I and Schedule II, or to the content of those courses, and any changes to the list must be agreed to in writing by DUFE and King's. In the event that DUFE and King's are unable to agree on any proposed changes to the courses/credits set out in Schedule I and II, no further students will be admitted to King's under this Agreement.

(b) DUFE and King's will designate individuals responsible for this communication.

(c) DUFE and King's agree to take all reasonable measures to ensure that student personal information provided to it by the other institution is used only for the purpose for which it is provided and is protected against loss, unauthorised access, use, modification or disclosure.

(d) DUFE and King's agree that they will not transfer personal information to a third party without the prior written consent of the individual to whom the information relates.

7. AMENDMENT, RENEWAL AND TERMINATION OF THIS AGREEMENT

This agreement is in effect for five years from the date of signing. Discussions about the renewal of the agreement shall begin at least 12 months prior to the end date. Notwithstanding, the agreement can be terminated by any party with six months notice with the understanding that those students enrolled in the program will be allowed to complete their degrees.

8. INSTITUTIONAL CONTACT AND NOTICES

A notice under this agreement must be made in writing and sent by air mail, fax or email to the following institutional contacts:

Explanation

1. In this table, all courses in the program are listed, including the courses at DUFE for the first and second years and the courses at King's for the third and fourth years.
2. According to the DUFE education plan, all courses at DUFE listed in the table for the first 2 years are required.
3. The required courses at King's for the third and fourth years in this table are marked with #'s. The unmarked courses are elective courses.
4. DUFE will give 2 transfer credits for each course successfully finished at King's during their last 2 years.
5. If students complete 10.0 courses in total, including those marked with #'s, they will satisfy the degree requirements at both DUFE and at King's.
6. Essay credit requirements: transfer credit students only require 1.0 essay course to satisfy the King's requirements. Essay courses include at least 1.0 from the following courses: MOS 4422F/G and PHIL 2074F/G.

1st Year DUFE to King's Course Mapping

Explanation

1. In this table, all courses in the program are listed, including the courses at DUFE for the first and second years and the courses at King's for the third and fourth years.
2. According to the DUFE education plan, all courses at DUFE listed in the table for the first 2 years are required.

3. The required courses at King's for the third and fourth years in this table are marked with #'s. The unmarked courses are elective courses.
4. DUFE will give 2 transfer credits for each course successfully finished at King's during their last 2 years.
5. If students complete 10.0 courses in total, including those marked with #'s, they will satisfy the degree requirements at both DUFE and at King's.
6. Essay credit requirements: transfer credit students only require 1.0 essay course to satisfy the King's requirements. Essay courses include at least 1.0 from the following courses: Writing 0002F, Writing 1022G, Economics 3319F/G and Economics 4405E.

**Council of Ontario Universities
Report to Senate of the Academic Colleague
Kathleen Okruhlik, September 2013**

The COU Academic Colleagues met in Toronto on September 13th, 2013. This was (in part) an orientation meeting for new members, and there was no meeting of the full Council.

Roundtables: The work of COU in the near future will be closely tied to outcomes of the four Roundtables on Postsecondary Education that were organized by the Ministry (MTCU) during the summer of 2013.

Differentiation and Strategic Mandate Agreements (SMAs), 10 July 2013: Ministry and university representatives participated in this discussion; colleges were not at the table. The Ministry is concerned that existing cost structures are unsustainable; the question is how to cut costs without eroding quality. Improved credit transfer, better coordination across the post-secondary sector, and stronger relationships with industry will all be parts of the solution, but differentiation among universities will be one of the most powerful levers. Although the process through which universities submitted their Strategic Mandate Agreements (SMAs) last year was far from perfect, the SMAs will be crucial documents in kick-starting the differentiation process. And because allocation of graduate student spaces is very closely tied to the differentiation process, the matters discussed at the fourth Roundtable are especially relevant.

Ontario Online Initiative, 18 July 2013: Colleges, universities, and the Ministry participated in this discussion. The Ministry acknowledged that there was no support for the model the government had previously proposed (a model based on the Ontario Online Institute). Colleges and universities presently have quite diverse delivery models and levels of engagement in online education. The government is looking for one proposal, a coalition of the willing working together through an arms-length, not-for-profit organization funded through a transfer payment agreement.

Credit Transfer, 7 August 2013: This discussion involved the Ministry and the Executive Heads of colleges and universities. The Ministry seems to have arrived with quite firm plans; its goal (and its directive to colleges and universities) is to implement a consistent and comprehensive framework for credit transfer—with some ideas fully implemented by 2014. There was good alignment between college and university representatives in their responses to MTCU's plans, especially with respect to the need to work through ONCAT (the Ontario Council on Articulation and Transfer) to develop a better evidence base and a better model. Officials indicated that the Ministry would consider what it had been told.

Graduate Expansion, 14 August 2013: This meeting involved the Ministry and the Executive Heads and Provosts of universities. The institutions represented by COU are a diverse group, and specific negotiations will have to be bilateral –i.e. between the each university and the Ministry. Nonetheless there seems to have been a surprising degree of consensus on some core issues. Universities offered strong advice about process: Do *not* categorize universities. (No matter how a categorization process is dressed up, it will be seen as tiering.) Decisions should not be announced as binding “for all time”. SMAs are time-limited and are the right vehicles for dealing with graduate allocations and similar questions (such as program approvals). COU asked for interim graduate allocations for 2014-15.
